Jamie Buckingham

Risky Living Keys To Inner Healing:

Risky Living Jamie Buckingham,1976 **Risky Living** Jamie Buckingham,1999 Age of the Spirit John Maiden,2023
How did charismatic renewal transform the churches in the twentieth century moving from the periphery to the mainstream
In *Age of the Spirit* John Maiden looks at the rise of charismatic Christianity before during and after the long 1960s across
the English speaking world *Spirit Cure* Joseph W. Williams,2013-02-14 Joseph W Williams examines the changing healing
practices of pentecostals in the United States over the past 100 years from the early believers to the later generations of
pentecostals and their charismatic successors **Encountering Angels** Judith MacNutt,2016-01-26 Angels have long
fascinated humanity From books to movies from TV shows to video games angels are portrayed in inconsistent and
sometimes imaginative ways What is biblical and really true about these heavenly beings In this follow up to her bestselling
Angels Are for Real author Judith MacNutt helps you separate fact from fiction With warmth and insight she shows you the
scriptural foundation for angels their purposes here and in heaven their role as protectors of children how they comfort
protect and worship with us their role in spiritual warfare This book is full of amazing encounters and inspiring stories You
will come away encouraged and awed by God s provision for us through angels **Astonishing Spirit** Don Eliot,2021-12-06
Forty six years of it That s the time period that this work covers Often consistently the same though occasionally bizarre this
writer has found the events of Pentecost of 2000 years ago continuing in our world today Mankind s primal drive finds God
the Spirit in the author s experience quite willing to reveal His presence in increments as the soul grows more receptive That
s what this is about and the satisfaction is deep and fulfilling and probably available to all Here s hoping this work may serve
as encouragement to other thirsty travelers in life and that you too will find the ensuing reality of the spiritual that is at the
basis of all of us **Books in Print** ,1977 The Charismatic Movement Charles Edwin Jones,1995-04-28 indispensable for
all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the
standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day
