of *The Shawshank Redemption* one of the most cherished American films of the late twentieth century and one of the finest movies made from a Stephen King story The movie not only boasts a great story it has a great backstory starting with the dollar deal that eventually led King and co stars Tim Robbins and Morgan Freeman to put their trust in a largely untested director making his first feature film Although the film received mostly positive reviews on its release in September 1994 the

box office was disappointing and it failed to win many awards But as Andy tells Red in the film no good thing ever dies The movie found new life reaching an ever growing audience on cable and home video through word of mouth it became one of the top rented movies of 1995 Each year The Shawshank Redemption rises in polls asking film fans to name their favorite movies It has become nothing less than this generation's The Grapes of Wrath an inspiring story about keeping hope alive in bleak times and under the most horrendous conditions *Rita Hayworth & Shawshank Redemption* Frank Darabont,1992 Screenplay identified as SECOND DRAFT **The Complete Stephen King Universe** Stanley Wiater,Christopher Golden,Hank Wagner,2006-05-30 The Stephen King companion to end all Stephen King companions An indispensable insider's guide to his influences stories adaptations and more Publishers Weekly The Stephen King Universe is a vast expanse of grotesque horror dark magic and fearsome wonder Conjured from one man's imagination it is an ever expanding kingdom of twisting dark pathways a place where one might easily get lost without guidance The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King's novels short stories motion pictures miniseries and teleplays and deciphers the threads that connect all of his work This ultimate resource includes in depth story analyses character breakdowns little known facts and startling revelations on how the plots themes characters and conflicts intertwine

women have something unique to say These readings also tackle provocative social political and cultural issues which are used in the operas to define positive and negative images of femininity revenge power seduction resistance autonomy sacrifice faithfulness class maternity and sisterhood Keenly aware of the historical gap between the origins of these works and contemporary culture Brown Montesano discusses how attitudes about such concepts past and current influence our appreciation of these fascinating representations of women

The Shawshank Redemption Mark Kermode, 2019-07-25 How did a low key prison movie which was considered a box office flop on its original release become one of the most popular movies of all time Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella Rita Hayworth and Shawshank Redemption through the icy corridors of Ohio's Mansfield Reformatory whose imposing gothic architecture dominates the film to the television and video screens on which The Shawshank Redemption became a phenomenon This study traces the history of The Shawshank Redemption and draws on interviews with writer director Frank Darabont and leading players Tim Robbins and Morgan Freeman The book also explores the near religious fervour that the film inspires in a huge number of devoted fans (Upanje in Svoboda V Delu Stephen Kinga Rita Hayworth and Shawshank Redemption in Alexandre Dumas Grof Monte Cristo) Vesna Kramar, Victor Kennedy, 2010

Literary Theory and Criminology Rafe McGregor, 2023-07-31 Literary Theory and Criminology demonstrates the significance of contemporary literary theory to the discipline of criminology particularly to those criminologists who are primarily concerned with questions of power inequality and harm Drawing on innovations in philosophical narrative cultural and pulp criminology it sets out a deconstructive framework as part of a critical criminological critique praxis This book comprises eight essays on globalisation criminological fiction poststructuralism patriarchal political economy racial capitalism anthropocidal ecocide critical theory and critical praxis that argue for the value of contemporary literary theory to a critical criminology concerned with the construction of a just and sustainable reality in the face of climate change and other mass harms This is the first criminology book to engage with literary theory from the perspective of criminology and provides a guide for criminologists who want to deploy literary theory as part of their research programmes It supersedes existing engagements with poststructuralism in the philosophical criminological tradition because it entails neither a constructionist ontology nor a relativist epistemology It shows criminologists how literary theory offers the tools to first deconstruct and then reconstruct meaning and value Literary Theory and Criminology is essential reading for all critical criminological theorists
