Andrea Dunbar

Rita Sue And Bob Too With The Arbor And Shirley Methuen New Theatrescript:

Rita, Sue and Bob Too ; with The Arbor ; and Shirley : Three Stage Plays Andrea Dunbar,1988 Do you think it would be better if you and me got ourselves steady boyfriends Best friends Rita and Sue get a lift home from married Bob after babysitting his kids When he takes the scenic route and offers them a bit of fun the three start a fling each of them think they control Andrea Dunbar s semi autobiographical play written for the Royal Court Theatre in 1982 when she was just 19 is a vivid portrait of girls caught between brutal childhood and an unpromising future both hungry for adult adventure Told with wicked humour startling insight and a great ear for dialogue this new edition of Rita Sue and Bob Too was published to coincide with director Max Stafford Clark s major new production produced by Out of Joint Bolton Octagon and the Royal Court Theatre

Rita, Sue and Bob Too Andrea Dunbar,2021-08-26 A bleak and brilliant testament to a life of fleeting pleasure and diminished expectations a play of sharp observation a document of its times The Guardian Best friends Rita and Sue get a lift home from married Bob after babysitting his kids When he takes the scenic route and offers them a bit of fun the three start a fling each of them think they control Andrea Dunbar s semi autobiographical play written for the Royal Court Theatre in 1982 when she was just 19 is a vivid portrait of girls caught between brutal childhood and an unpromising future both hungry for adult adventure Told with wicked humour startling insight and a great ear for dialogue Rita Sue and Bob Too offers an unwavering portrait of a world of limitations and urban desolation Published for the first time in Methuen Drama s Modern Classics series featuring a new introduction by Katie Beswick

Contemporary Feminist Theatres Lizbeth Goodman,2003-09-02 A much needed analysis of the development of feminist theatre in different cultures and on several continents in the past quarter century

Thatcher's Theatre D. Keith Peacock,1999-03-30 The Thatcher administration of 1979 to 1990 had a profound and apparently lasting effect on British theatre and drama It is now roughly a decade since the fall of Margaret Thatcher and with the benefit of hindsight it has become possible to disentangle fact from fantasy concerning her effect on the British theatre During her administration there was a significant cultural shift which affected drama in Britain While some critics have argued that the theatre was simply affected by financial cutbacks in arts subsidies this volume challenges that view While it looks at the economic influence of Thatcher s policies it also examines how her ideology shaped theatrical and dramatic discourse It begins by defining Thatcherism and illustrating its cultural influence It then examines the consequences of Thatcherite policies through the agency of the Arts Council of Great Britain Having established this political and cultural environment the book considers in detail the effect of Thatcher s administration on the subject matter and dramatic and theatrical discourse of left wing drama and on the subsidized political theatre companies which proliferated during the 1970s Attention is then given to the development of constituency theatres such as Women s and Black Theatre which assumed an oppositional cultural stance and in some cases attempted to develop characteristic theatrical and dramatic discourses The penultimate chapter deals with the effect of Thatcherite economic

policy and ideology on new writing and performance while the final chapter draws conclusions and suggests that the cultural shift perpetrated by the Thatcher regime has altered the status of subsidized theatre from an agency of cultural spiritual social or psychological welfare to an entertainment industry which is viewed as largely irrelevant to the workings of society

Literary Urban Studies and How to Practice It Jason Finch, 2021-11-22 *Literary Urban Studies and How to Practice It* is the first textbook in literary urban studies LUS It illuminates and investigates this exciting field which has grown since the humanities spatial turn of the 1990s and 2000s The book introduces city literature urban methods of reading classics in LUS and new directions in the field It outlines the located qualities of literary narratives texts and events through three units First the concept of the city and the main methods and terms needed as tools for investigating city literatures are introduced A second section ordered historically shows how notions like pre modern realist modernist postcolonial and planetary actually work in nuanced explorations of actual writers texts and places The third unit covers literary urban modes fictional and non fictional prose in multiple genres poetry and the idea of the city dramatic city representation and the theatre as urban place Multiple key categories of place are explored the sacred spaces of religion entry points such as railway stations and junctions residential areas such as the slum suburb and mass housing district hubs of publishing and performance categories of city such as the port and resort In each chapter key terms reflection questions and tasks labelled Research It support reference and learning Some Research It tasks enable readers to enter new areas of LUS by engaging with neighbouring disciplines like human geography cultural history sociology and urban studies Others equip users by sharpening particular skills of writing or documentation A thorough glossary of key terms and concepts aids the reader *Literary Urban Studies and How to Practice It* is designed for application to literatures and cities in any period and part of the world Armed with it humanities researchers at any career stage can develop their interdisciplinary skills and ability to participate in activism and public debates while becoming specialised in LUS The book is a gateway to practicing LUS and spatial literary research **British Book News** British Council, 1988 Includes no 53a British wartime books for young people *Contemporary Dramatists* D. L. Kirkpatrick, James Vinson, 1988 *Contemporary Dramatists*, 1988 *British Book News*, 1988 *London Theatre Record*, 1988 **British Cinema in the 1980's** W. John Hill, 1999 Uses the daily activities of one doctor to describe the work of an orthopedist *Rita, Sue and Bob Too* Andrea Dunbar, 1988
