**Liturgies of the Future** Anscar J. Chupungco, 2006-05-05 In this book Anscar Chupungco carries forward the work begun in Cultural Adaptation of the Liturgy Now more than forty years after the Council the first stage of the liturgical renewal is complete the Roman liturgy has been restored to its classical shape But the challenge of the second stage lies before us the adaptation of the liturgy to various cultures and traditions This the unfinished agenda of the Council is the task of local churches Chupungco here calls them to take up that task to be faithful to sound tradition and to foster legitimate progress at the same time an art requiring expertise in the science of liturgy the virtue of flexibility and often a great faith in the wisdom of the Church After reviewing the mandate of the Council the author examines the future of the liturgy in three chapters the future shape of the eucharistic celebration the future shape of sacramental celebrations and the future shape of the liturgical year This hopeful and stimulating book will be of great assistance not only to teachers and students of the liturgy but also to those who daily confront the challenges of the future on a pastoral level

customs and traditions The work of preparing a rite of marriage for a particular region cannot be limited to merely translating the typical edition There has to be a thorough examination of both the editio typica and the people's religious and cultural traditions the socio economic and political realities that confront them attending to the positive values expressed therein Only a dialogical process such as this will guarantee a liturgy that is faithful to the Christian tradition and meaningful to a given people An Inculturation Model of the Catholic Marriage Ritual will serve as a model for people of other cultures who have to do similar liturgical preparation and will be important especially to churches whose membership includes people who experienced colonization but never lost the riches of their own cultures in the blending of cultures and beliefs that followed
