**Nyae Nyae !Kung Beliefs and Rites** Lorna Marshall, 1999 Marshall leads the reader through the intricacies ambiguities and silences of Kung beliefs Based on fieldwork among the Bushmen of the Kalahari in the early 1950s she presents the culture beliefs and spirituality of one of the last true hunting and gathering peoples by focusing on members of different bands as they reveal their own views Jailbreaking the Goddess Lasara Firefox Allen, 2025-08-05 Jailbreaking the Goddess is a revolutionary revisioning of the feminine divine Where the maiden mother crone archetypal system is tied to female biology and physical stages of life the fivefold model liberates the female experience from the shackles of the reproductive model In a woman's lifetime she will go through several different cycles of beginnings potential creation mastery and wisdom This fivefold model is not an adaption of the threefold It is a new system that embraces the powerful fluid nature of the lived experience of women today Join Lasara Firefox Allen as she explores the nature of the five archetypes gives examples of what areas of life each might preside over lists goddesses that fit within each archetype suggests ways to begin building relationship with the different archetypes and provides simple rituals for recognition transition and invocation Praise Jailbreaking the Goddess is an important contribution to the writings on Goddess tradition and feminist spirituality I love her political savvy her sensitivity around issues of diversity and cultural awareness and appropriation and her unabashed celebration of pleasure sensuality and life Starhawk This fiercely inspired body of work is art theory and passion Genius Rosa De Anda from her foreword Lasara Firefox Allen delves deep into the ways in which colonialist language has shaped our experience of the divine feminine This is an innovative work that has the potential to change the face of modern feminist spirituality Suzanne Sterling founder of Voice of Change **Her Rites** Christy Angelle Bauman, 2024-04-30 A daring invitation to discover and claim your identity and purpose and to embrace the freedom to thrive right where you are A wise gentle and compelling vision of what needs to be consecrated in a woman's life the deaths and the births of hope Dan B Allender PhD founding president of the Seattle School of Theology and Psychology Every woman wants wholeness to be at home in her body in her relationships in her life But women too often feel that they don't belong to themselves The path to wholeness to a woman belonging to herself is formidable and women know they can't travel it alone Author teacher and therapist Dr Christy Angelle Bauman has dedicated her life to guiding women on this path to meaning and profound joy In Her Rites Dr Bauman takes you into her office and through six transformative exercises a deep dive into the most common rites of passage in every woman's life when she sometimes loses hold of herself but also has a unique opportunity to reclaim herself Birth claiming how and why you came into the world Initiation coming of age Exile finding yourself Creation bringing something new into the world Intuition acquiring embodied wisdom that comes later in life Legacy living with emotional and spiritual readiness for one's own death These rites help women to find wholeness and self knowledge Included in Her Rites are ritual templates and exercises that Dr Bauman employs with her clients which will help

any woman incorporate the principles of self reclamation into her daily life Dr Bauman has seen again and again that by learning to pause and to reflect on these key moments we can come home to ourselves and receive the gift of flourishing

**Neopagan Rites** Isaac Bonewits, 2007 A practical guidebook for creating and conducting public rituals that that unify inspire and fulfil their intended purposes Introduction to New and Alternative Religions in America William M. Ashcraft, Eugene V. Gallagher, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

*Rules and Rituals in Medieval Power Games* Gerd Althoff, 2019-10-07 Gerd Althoff s new book collects fifteen of his more recent contributions most of them previously published in German which elucidate the functioning of prestate societies Examples from the Frankish and later German realm 800 1200 are used to clarify how rules and political rituals governed behavior in the power games between kings churchmen and nobles Such rules Spielregeln and rituals guided public and private behavior despite the fact that they existed only as unwritten customs The long overlooked significance of this way of establishing order has sparked a vivid and controversial international discussion in the last decades which continues today

**Learning Religion** David Berliner, Ramon Sarró, 2008-10 As we enter the 21st century it becomes increasingly difficult to envisage a world detached from religion or an anthropology blind to its study Yet how people become religious is still poorly studied This volume gathers some of the most distinguished scholars in the field to offer a new perspective for the study of religion one that examines the works of transmission and innovation through the prism of learning They argue that religious culture is socially and dynamically constructed by agents who are not mere passive recipients but engaged in active learning processes Finding a middle way between the social and the cognitive they see learning religions not as a mechanism of downloading but also as a social process with its relational dimension
