

Ritual Abuse: Truth and Deceptions

"The reality is that even before stories of ritual abuse and mind control began coming out to therapists, the groups had agreed on what kind of disinformation to spread, so that clients would be afraid to tell their therapists... and therapists would be afraid to work with these clients.

Because the problem of ritual abuse and mind control has not gone away - the survivors are still there - many more therapists have learnt about it... We know that there is not one massive Satanic cult, but many different interrelated groups, including religious, military/political, and organized crime..." (Miller, 2012, p7-8)
