Constructing sexual identities: people with intellectual disability talking about sexuality

Claire Azzopardi-Lane, Department of Sociology Unit, University of Malta, Msida, Malta (E-mail: claire.azzopardi-lane@um.edu.mt), **Anne-Marie Callus**, Disability Studies Unit, University of Malta, Msida, Malta

Accessible summary

- People with intellectual disability need to be able to talk about the things that are important to them in their lives.
- This includes talking about their sexuality and the type of relationships they would like to have.
- A self-advocacy group did research about this subject with our support.
- Together we found that sexuality is an important topic for many people with intellectual disability.
- There are those who would like to have more opportunities to have sexual relationships.

Summary

This paper presented research undertaken in collaboration with a self-advocacy group using inclusive research methods and puts forward the views of people with intellectual disability on the topics of sexuality and relationships. The paper presents the perceptions of sexuality of the people with intellectual disability and how these are influenced by social and cultural norms. Using Judith Butler's concept of performativity, the analysis of the findings shows how some people with intellectual disability accept the sexual norms that are ascribed to them, while others resist them. The paper also shows how the inclusive research process itself enabled the people with intellectual disability who took part to articulate their acceptance or resistance of these norms.

Keywords *Empowerment issues, intellectual disability, sexuality*

Introduction

Talking about and exploring one's sexuality are deeply personal ways of expressing oneself. However, not everyone can enjoy this way of self-expression. People with intellectual disability are a particularly disadvantaged group as they are very often excluded from opportunities

even to talk about their sexuality, let alone actively explore and develop it. Nor do they have many opportunities to make their voices heard in many areas of their lives. Opportunities to voice their opinion may only be afforded to them in self-advocacy groups. These provide settings that are expressly structured to support and enable people with intellectual disability to speak for themselves. Unfor-

Sexuality And People With Intellectual Disability

Lydia Fegan, Anne Rauch

Sexuality And People With Intellectual Disability:

Already Doing It Michael Gill, 2015-03-27 Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers parents support staff medical professionals judges and the media Should sexual citizenship depend on IQ Confronting such questions head on *Already Doing It* exposes the sexual ableism that denies the reality of individuals who despite the restrictions they face actively make decisions about their sexual lives Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization invasive birth control and gender segregated living arrangements Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory Analyzing legal discourses sex education materials and news stories going back to the 1970s he shows for example that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners including nonheterosexual ones who are frequently treated with heightened suspicion He also examines ethical issues surrounding masturbation training that aims to regulate individuals sexual lives challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities *Already Doing It* urges a shift away from the compulsion to manage deviance better known today as harm reduction because the right to pleasure and intellectual disability are not mutually exclusive In so doing it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex reproduce marry and raise children

Sexuality and People with Intellectual Disability Lydia Fegan, Anne Rauch, 1993 A guide for parents teachers social workers and others working with either children or adults Presents practical suggestions for dealing with such issues as masturbation sexual intercourse sexual health fertility homosexuality HIV AIDS and sexual exploitation Annotation copyright by Book News Inc Portland OR *Four Stories* Family Planning Association Resource Unit (NZ Family Planning Association Resource Unit), Judy Duncan, John McRae, New Zealand Family Planning Association, 1997-10-01 A video about personal relationships for people with intellectual disabilities **Sexuality and Relationships in the Lives of People with Intellectual Disabilities** Daniel Docherty, Sue Ledger, Louise Townson, Rohhss Chapman, 2014-10-28 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights *Handbook of Sexuality-Related Measures* Clive M. Davis, 1998 Fundamental to understanding human sexual expression is reliable and valid measurement and assessment Many instruments have been developed to measure a myriad of sexuality related states traits behaviours and outcomes Few are easily accessible and the

information is often limited concerning appropriate use and psychometric properties To counter these problems the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research educational and clinical settings Each chapter describes the development and appropriate use of each instrument Reliability and validity data are summarized and referenced The Routledge Handbook of Disability and Sexuality Russell Shuttleworth, Linda Mona, 2020-12-29 This handbook provides a much needed holistic overview of disability and sexuality research and scholarship With authors from a wide range of disciplines and representing a diversity of nationalities it provides a multi perspectival view that fully captures the diversity of issues and outlooks Organised into six parts the contributors explore long standing issues such as the psychological interpersonal social political and cultural barriers to sexual access that disabled people face and their struggle for sexual rights and participation The volume also engages issues that have been on the periphery of the discourse such as sexual accommodations and support aimed at facilitating disabled people s sexual well being the socio sexual tensions confronting disabled people with intersecting stigmatised identities such as LGBTBI or asexual and the sexual concerns of disabled people in the Global South It interrogates disability and sexuality from diverse perspectives from more traditional psychological and sociological models to various subversive and post theoretical perspectives and queer theory This handbook examines the cutting edge and sometimes ethically contentious concerns that have been repressed in the field With current international and comprehensive content this book is essential reading for students academics and researchers in the areas of disability gender and sexuality as well as applied disciplines such as healthcare practitioners counsellors psychology trainees and social workers

Sexuality and Intellectual Disabilities Andrew Maxwell Triska, 2018-04-17 This book provides a concise overview of sexuality and gender identity in clients with intellectual disabilities for therapists social workers educators and healthcare providers It captures the social political and legal environment of the late 2010s and bridges the gap between research and practice with engaging case examples drawn from the author s own practice Guidance on everyday issues like dating and sex education is juxtaposed with material on complex current issues in topics like LGBTQ inclusion and sexual offending User friendly toolboxes provide brief guides to practical issues like using trans friendly language and providing family interventions Accessible enough for students and trainees but thorough enough for veteran clinicians this book explores issues that professionals face in providing competent care through the lens of justice and inclusion **The Psychiatry of Intellectual Disability** Ashok Roy, Meera Roy, David Clarke, 2016-07-12 Comprehensive concise and easily accessible this is the first health economics dictionary of its kind and is an essential reference tool for everyone involved or interested in healthcare The modern terminology of health economics and relevant terms used by economists working in the fields of epidemiology public health decision management and policy studies are all clearly explained Combined with hundreds of key terms the skilful use of examples figures tables and a simple cross referencing system between definitions allows the often

complex language of health economics to be demystified

The Handbook of Intellectual Disability and Clinical Psychology Practice Alan Carr, Christine Linehan, Gary O'Reilly, Patricia Noonan Walsh, John McEvoy, 2016-04-12 The Handbook of Intellectual Disability and Clinical Psychology Practice will equip clinical psychologists in training with the skills necessary to complete a clinical placement in the field of intellectual disability Building on the success of the previous edition this handbook has been extensively revised Throughout the text references and website addresses and have been updated to reflect important developments since the publication the first edition Recent research findings on the epidemiology aetiology course outcome assessment and treatment of all psychological problems considered in the book have been incorporated into the text Account has been taken of changes in the diagnosis and classification of intellectual disability and psychological problems reflected in the AAIDD 11 and the DSM 5 New chapters on the assessment of adaptive behaviour and support needs person centred active support and the assessment of dementia in people with intellectual disability have been added The book is divided into eight sections Section 1 Covers general conceptual frameworks for practice diagnosis classification epidemiology and lifespan development Section 2 Focuses on assessment of intelligence adaptive behaviour support needs quality of life and the processes of interviewing and report writing Section 3 Covers intervention frameworks specifically active support applied behavioural analysis and cognitive behaviour therapy Section 4 Deals with supporting families of children with intellectual disability genetic syndromes and autism spectrum disorders Section 5 Covers issues associated with intellectual disability first evident or prevalent in middle childhood Section 6 Deals with adolescent concerns including life skills training relationships and sexuality Section 7 Focuses on residential vocational and family related challenges of adulthood and aging Section 8 Deals with professional issues and risk assessment Chapters cover theoretical and empirical issues on the one hand and practice issues on the other They close with summaries and suggestions for further reading for practitioners and families containing a member with an intellectual disability Where appropriate in many chapters practice exercises to aid skills development have been included The second edition of the Handbook of Intellectual Disability and Clinical Psychology Practice is one of a set of three volumes which cover the lion s share of the curriculum for clinical psychologists in training in the UK and Ireland The other two volumes are the Handbook of Child and Adolescent Clinical Psychology Third Edition by Alan Carr and the Handbook of Adult Clinical Psychology Practice Second Edition edited by Alan Carr Muireann McNulty

Handbook of Intellectual Disabilities Johnny L. Matson, 2019-09-03 This handbook offers a comprehensive review of intellectual disabilities ID It examines historical perspectives and foundational principles in the field The handbook addresses philosophy of care for individuals with ID as well as parent and professional issues and organizations staffing and working on multidisciplinary teams Chapters explore issues of client protection risk factors of ID basic research issues and legal concerns In addition chapters include information on evidence based assessments and innovative treatments to address a variety of behaviors associated with ID The handbook provides an in depth analysis of

comorbid physical disorders such as cerebral palsy epilepsy and seizures and developmental coordination disorders DCD in relation to ID Topics featured in this handbook include Informed consent and the enablement of persons with ID The responsible use of restraint and seclusion as a protective measure Vocational training and job preparation programs that assist individuals with ID Psychological and educational approaches to the treatment of aggression and tantrums Emerging technologies that support learning for students with ID Key sexuality and relationship issues that are faced by individuals with ID Effective approaches to weight management for individuals with intellectual and developmental disabilities The Handbook of Intellectual Disabilities is an essential reference for researchers graduate students clinicians and related therapists and professionals in clinical child and school psychology pediatrics social work developmental psychology behavioral therapy rehabilitation child and adolescent psychiatry and special education *Intellectual Disability and the Right to a Sexual Life* Simon Foley, 2017-09-11 One of the perennial political philosophical questions concerns whether it is ever justifiable for a third party to paternalistically restrict an adult's freedom to ensure their own or society's best interests are protected Wherever one stands on this debate it remains the case that unlike their non-impaired contemporaries many intellectually disabled adults are subjected to a paternalistic regime of care This is particularly the case regarding members of this population exercising more control of their sexuality Utilizing rare empirical data Foucault's theory of power and Kristeva's concept of abjection this work shows that many non-disabled people including family members hold ambivalent attitudes towards people with visible disabilities expressing their sexuality Through a careful examination of the autonomy paternalism debate this is the first book to provide an original provocative and philosophically compelling analysis to argue that where necessary facilitated sex with prostitutes should be included as part of a new regime of care to ensure that sexual needs are met Intellectual Disability and the Right to a Sexual Life is essential reading for scholars students and policy makers with an interest in philosophy sociology political theory social work disability studies and sex studies It will also be of interest to anybody who is a parent or a sibling of an adult with an intellectual disability and those with an interest in human rights and disability more generally Handbook of Sexuality-Related Measures Terri D. Fisher, Clive M. Davis, William L. Yarber, 2013-09-13 This classic and invaluable reference Handbook written for sex researchers and their students has now been completely revised in a new edition complete with its own companion website It remains the only easy and efficient way for researchers to learn about evaluate and compare instruments that have previously been used in sex research In this third edition of the Handbook 218 scales complete with full descriptions and psychometric data are made available with additional information provided at the companion website for this volume Sexuality and Women with Learning Disabilities Michelle McCarthy, 1999 Sexuality and Women with Learning Disabilities makes a significant contribution to both feminist and disability literature because it challenges common assumptions about the sexuality of people with learning disabilities forces a reconsideration of how this group of people are viewed by those around them and links gender and disability in its analysis

Tizard Learning Disability Review By tackling issues that have received little meaningful attention McCarthy both makes a valuable contribution to the literature and provides a useful practical guide to those wishing to support their clients more effectively Mental Health and Learning Disabilities Care The thoroughness and attention to detail with which McCarthy has investigated and written about the sexual lives of a small number of women with mild to moderate learning difficulties is to be commended Drawing upon interviews with the women who participated in this study there is explicit detail about the reality of their sexual lives that overall comes across as sad poignant and often shocking with a high level of sexual abuse revealed however McCarthy has a strong code of ethics and sensitivity and a reflexive honesty about her role and stance as a feminist researcher that removes any possibility or suggestion of prurient voyeurism or exploitation being a part of this research McCarthy writes as a woman with and about women allowing their voices about their sexual experiences to be heard through the medium of in depth interviews Within the book the sexual experiences of women with learning disabilities are set in a wider policy and practice framework and discussed in relation to ideologies surrounding learning disability gender and sexuality in a cultural context The book ends with a chapter discussing and listing policy and practice recommendations including suggestions about changes to the law Overall this was a convincing and compelling book that deserves serious attention and I would strongly recommend it to anyone with an interest in learning disability issues including practitioners carers relatives advocates and counsellors CSRPD Newsletter In this study of women with mild and moderate learning disabilities Michelle McCarthy investigates how these women experience their sexual lives basing her research on interviews with the women themselves She argues the importance of informing the work of those responsible at research practice and policy levels with the voices of people with learning disabilities In the interviews women talk openly about what form their sexual activity takes and what it means for them the circumstances in which it occurs and the pleasures or lack thereof associated with it These interviews directly shape the policy and practice recommendations the author makes Michelle McCarthy s findings suggest that women with learning disabilities commonly find themselves engaged in sexual activity which is not to their liking and not of their choosing A high level of sexual abuse was also reported The author discusses this in relation to the cultural forces which have influenced Western perceptions of sexuality feminism and theories and prejudices about learning disabilities She also studied the impact of institutional and community settings on the sexuality of women with learning disabilities In *Sexuality and Women with Learning Disabilities* McCarthy makes recommendations for policy and practice which will protect this vulnerable group and advises on education support and seeking justice for abused women

International Handbook of Applied Research in Intellectual Disabilities Eric Emerson, Chris Hatton, Travis Thompson, Trevor Parmenter, 2004-08-13 The landmark *International Handbook of Applied Research in Intellectual Disabilities* presents explains and illustrates key methods of research and evaluation of proven relevance and value to the field of intellectual disabilities It features sections on the concepts and theoretical models

underlying research and evaluation the methods and techniques themselves and the key application areas where the methods are demonstrated in action Coverage includes applications in educational social family health and employment aspects of care and provision for those with intellectual disabilities *Sexuality and Relationships in the Lives of People with Intellectual Disabilities* Rohhss Chapman,2015 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights *The Wiley Handbook of Sex Therapy* Zoë D. Peterson,2017-03-13 The Wiley Handbook of Sex Therapy ist ein umfassendes und auf empirischer Basis bearbeitetes Werk zur j ngsten Theorie und Praxis in der psychotherapeutischen Behandlung sexueller Probleme quer durch alle Klientengruppen In vier Abschnitten werden spezifische sexuelle Fehlfunktionen theoretische Ans tze der Sexualtherapie die Arbeit mit der Diversit t der Klienten und zuk nftige Richtungen in der Sexualtherapie dargestellt Vertritt einen ganzheitlichen Ansatz in der Sexualtherapie fokussiert auf die Anwendung einer Bandbreite psychotherapeutischer Theorien und Techniken mehr als nur auf die g ngigen Verhaltensstrategien Fallstudien dokumentieren das breite Spektrum an Zust nden die Klienten erleben k nnen und die Sexualtherapeuten daher im Beratungsraum antreffen Enth lt Beitr ge von mehr als 60 Experten verschiedener Fachrichtungen **Developmental Challenges and Societal Issues for Individuals With Intellectual Disabilities** Gopalan, Rejani

Thudalikunnil,2019-08-30 Intellectual disability is a generalized disorder appearing before adulthood characterized by significantly impaired cognitive functioning and deficits in two or more adaptive behaviors With the current limitations in curative treatment for intellectual disabilities the rehabilitation and management of affected individuals remains a major factor in the management and treatment of symptoms and for the improvement of daily life **Developmental Challenges and Societal Issues for Individuals With Intellectual Disabilities** is a comprehensive academic resource that examines treatment and rehabilitation options for those who have intellectual disabilities and examines educational vocational and psychosocial needs that can improve quality of life for these individuals Featuring a range of topics such as comorbidities epidemiology and stigma this book is ideal for psychologists psychiatrists pediatricians psychiatric nurses clinicians special ed teachers social workers hospital administrators mental health specialists managers academicians rehabilitation centers researchers and students **Teaching about Sex and Sexualities in Higher Education** Susan Hillock,2021-08-20 Informed by a social justice lens and featuring Canadian content and context this edited multi disciplinary book looks at current trends in the teaching of sexuality in higher education including sexual well being positivity diversity mutual consent focuses on the teaching of sexuality in higher education *Tabbner's Nursing Care* Gabby Koutoukidis,Rita Funnell,Karen Lawrence,Jodie Hughson,Kate Stainton,2009 Tabbner s Nursing Care Theory and Practice is the only Australian and New Zealand textbook written specifically for the enrolled nurse student The new 5th edition of this best selling text has been fully revised and

updated throughout to reflect the content of the new National Curriculum Unit 1 The evolution of nursing Unit 2 The health care environment Unit 3 Cultural diversity and nursing practice Unit 4 Promoting psychosocial health in nursing practice Unit 5 Nursing individuals throughout the lifespan Unit 6 The nursing process Unit 7 Assessing health Unit 8 Important component of nursing care Unit 9 Health promotion and nursing care of the individual Appendices Provided by publisher

Sexuality And People With Intellectual Disability Introduction

Sexuality And People With Intellectual Disability Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sexuality And People With Intellectual Disability Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sexuality And People With Intellectual Disability : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sexuality And People With Intellectual Disability : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sexuality And People With Intellectual Disability Offers a diverse range of free eBooks across various genres. Sexuality And People With Intellectual Disability Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sexuality And People With Intellectual Disability Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sexuality And People With Intellectual Disability, especially related to Sexuality And People With Intellectual Disability, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sexuality And People With Intellectual Disability, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sexuality And People With Intellectual Disability books or magazines might include. Look for these in online stores or libraries. Remember that while Sexuality And People With Intellectual Disability, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sexuality And People With Intellectual Disability eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sexuality And People With Intellectual Disability full book , it can give you a taste of the authors writing style. Subscription Services

Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sexuality And People With Intellectual Disability eBooks, including some popular titles.

FAQs About Sexuality And People With Intellectual Disability Books

What is a Sexuality And People With Intellectual Disability PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexuality And People With Intellectual Disability PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexuality And People With Intellectual Disability PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexuality And People With Intellectual Disability PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexuality And People With Intellectual Disability PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
