Shades Of Sheol Death And Afterlife In The Old Testament:

Shades of Sheol Philip S. Johnston,2002-08-14 Philip S Johnston examines Israelite views on death and afterlife as reflected in the Hebrew Bible and in material remains and sets them in their cultural literary and theological contexts

Urban Legends of the Old Testament David A. Croteau,Gary Yates,2019-12-01 Urban Legends of the Old Testament surveys forty of the most commonly misinterpreted passages in the Old Testament

Old Testament Cosmology and Divine Accommodation John W. Hilber,2020-04-03 In order to reconcile the discrepancies between ancient and modern cosmology confessional scholars from every viewpoint on the interpretation of the early chapters of Genesis agree that God accommodated language to finite human understanding But in the history of interpretation no consensus has emerged regarding what accommodation entails at the linguistic level More precise consideration of how the ancient cognitive environment functions in the informative intention of the divine and human authors is necessary Not only does relevance theory validate interpretative options that are inherently most probable within the primary communication situation but the application of relevance theory can also help disentangle the complexities of dual authorship inherent in any model of accommodation The results also make a salutary contribution to the theological reading of Scripture

The Old Testament in Its World Robert Gordon,Johannes de Moor,2021-11-29 Discoveries in sites revealing the ancient cultures of the Near East and Greece have contributed much to a better understanding of the Old Testament As new finds constantly add new information this precious evidence has to be re evaluated time and again In this volume members of the Society for Old Testament Study in the United Kingdom and Ireland as well as members of the Oudtestamentisch Werkgezelschap in the Netherlands and Belgium join forces to undertake this demanding task Egyptian Sumerian Babylonian Assyrian Neo Hittite Aramaic and Greek texts are inspected in order to establish whether or not they are relevant to the understanding of the Hebrew Bible

Dictionary of the Old Testament: Prophets G MCCONVILLE,MARK J BODA,2020-05-21 The writings of the prophets make up over a quarter of the Old Testament But perhaps no other portion of the Old Testament is more misunderstood by readers today For some prophecy conjures up knotted enigmas opaque oracles and terrifying visions of the future For others it raises expectations of a plotted out future to be reconstructed from disparate texts And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future nations streaming to Zion a lion lying with a lamb and endlessly fruiting trees on the banks of a flowing river We might view the prophets as stage directors for Israel s unfolding drama of redemption Drawing inspiration from past acts in that drama and invoking fresh words from its divine author these prophets speak a language of sinewed poetry their words and images arresting the ear and detonating in the mind For when Yahweh roars from Zion and thunders from Jerusalem the pastures of the shepherds dry up the crest of Carmel withers and the prophetic word buffets those selling the needy for a pair of sandals The Dictionary of the Old Testament Prophets is the only reference book of its kind Not only does it focus exclusively on the prophetic books

it also plumbs their imagery of mountains and wilderness flora and fauna temple and Zion It maps and guides us through topics such as covenant and law exile and deliverance forgiveness and repentance and the Day of the Lord Here the nature of prophecy is searched out in its social historical literary and psychological dimensions as well as its synchronic spread of textual links and associations And the formation of the prophetic books into their canonical collection including the Book of the Twelve is explored and weighed for its significance Then too contemporary approaches such as canonical criticism conversation analysis editorial redaction criticism feminist interpretation literary approaches and rhetorical criticism are summed up and assayed Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament

Dictionary of the Old Testament: Wisdom, Poetry and Writings TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature

Afterlife and Resurrection Beliefs in the Apocrypha and Apocalyptic Literature Jan A. Sigvartsen, 2019-09-19 Jan A. Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen explores the Apocrypha and the apocalyptic writings in the Pseudepigrapha He identifies the numerous afterlife and resurrection beliefs and presents an analysis that enables

readers to easily understand and compare the wide ranging beliefs regarding the afterlife that these texts hold A careful reading of these resurrection passages including passages appearing in Sirach Maccabees the Sibylline Oracles and the Ezra texts reveals that most of the distinct views on life after death regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh Sigvartsen also highlights the factors that may have influenced the development of so many different resurrection beliefs including anthropology the nature of the soul the scope of the resurrection the number and function of judgments and the final destination of the righteous and the wicked Sigvartsen s study provides a deeper understanding of how the TaNaKh was read by different communities during this important period and the role it played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism

Resurrection, Hell and the Afterlife Mark Finney,2016-02-22 This book begins by arguing that early Greek reflection on the afterlife and immortality insisted on the importance of the physical body whereas a wealth of Jewish texts from the Hebrew Bible Second Temple Judaism and early Pauline Christianity understood post mortem existence to be that of the soul alone Changes begin to appear in the later New Testament where the importance of the afterlife of the physical body became essential and such thoughts continued into the period of the early Church where the significance of the physical body in post mortem existence became a point of theological orthodoxy This book will assert that the influx of Greco Romans into the early Church changed the direction of Christian thought towards one which included the body At the same time the ideological and polemical thrust of an eternal tortuous afterlife for the wicked became essential **Old Testament**

Theology Robin Routledge,2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge s aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today *Revelation 21-22 in Light of Jewish and Greco-Roman*

Utopianism Eric J. Gilchrest,2013-05-01 In *Revelation 21 22 in Light of Jewish and Greco Roman Utopianism* Eric J Gilchrest

offers a creative and compelling reading of Revelation 21 22 as understood through the lens of ancient utopianism The work is in two parts beginning with a detailed portrait of ancient utopianism based on Greco Roman and Jewish traditions The portrait sketches the topography of the utopian landscape which includes a thorough account of various traditions using fourteen utopian topoi or motifs The author then moves to a description of Revelation s new Jerusalem in light of these two utopian traditions With sensitivity to how this text would have been read by each utopian perspective the author constructs a unique reading of a classic passage that highlights the variety of ways the text originally may have been heard Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns, 2008-06-06 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther

"He Descended to the Dead" Matthew Y. Emerson, 2019-12-24 The descent of Jesus Christ to the dead has been a fundamental tenet of the Christian faith as indicated by its inclusion in both the Apostles and Athanasian Creeds But it has also been the subject of suspicion and scrutiny especially from evangelicals Led by the mystery and wonder of Holy Saturday Matthew Emerson offers an exploration of the biblical historical theological and practical implications of the descent The Old Testament and Christian Spirituality Michael E. W. Thompson, 2019-04-29 Spirituality is a major concern in the modern world although its meaning is not easy to pin down In Scripture it concerns human life lived out in relationship with God In this book Michael Thompson explores aspects of Old Testament spirituality He considers the spiritual life through what the Hebrew Bible says about creation and covenant deliverance and judgment worship living in community inhabiting an ever changing world with questions about suffering yet also with ethical concerns and a future in God s possible ongoing care Each chapter concludes with a section exploring the ongoing relevance of Old Testament spirituality for Christians today

Reincarnation, Oblivion or Heaven? Bobby Bose, 2016-07-31 What is death Why do we die and what happens after we die Over the centuries philosophers and theologians of the world s religions have offered answers to the dilemma of death yet this subject is rarely given the detailed attention it deserves in the contemporary Christian church As Christians how does our view of death impact the communication of the gospel in today s pluralistic societies In this study Dr Bobby Bose not only develops a solid biblical theology of death he also reviews the teachings of contemporary and historical Christian theologians around the world and examines the state after death beliefs of Hindus Muslims and Secular Humanists The author shows that state after death was a central component of conversation in the early church and is also a major component of God s mission to rescue humanity As the East converges with the West it is vital that Christians develop a missiological approach to state after death that will encourage positive engagement with people of other faiths and beliefs Consider Leviathan Brian R. Doak, 2014 Brian R Doak observes that the book of Job uses metaphors drawn from the natural world especially of plants and animals as raw material for thinking about human suffering Doak argues that Job should be viewed as an anthropological ground zero for the traumatic definition of the post exilic

human self in ancient Israel Consider Leviathan explores the text at the intersection of anthropology theology and ecology opening up new possibilities for charting the view of nature in the Hebrew Bible From Publisher *The Christian Hope* Brian Hebblethwaite,2010-09-02 What does it mean to hope for heaven Brian Hebblethwaite traces the background to the Christian hope in the faith of Israel examines its primary basis in the acts of God in the story of Jesus Christ and follows the history of Christian attitudes to the future of humanity and of creation throughout the Christian centuries The Christian Hope tells the complex story of the different strands emphases and problems that have developed between biblical times and our own in the quest to understand the four last things death judgement heaven and hell Hebblethwaite concentrates our attention on the modern period since 1900 an era when modern Christian theology has witnessed a remarkable recovery of interest in hope and the future as dominant motifs in its reflections The discoveries of modern science have affected Christian hope and Christian understanding of creation and its ultimate destiny At different stages in the history of the church very different stresses have been laid on the present or on the future on hope for the individual or on hope for society on this worldly hope or on other worldly hope Through a study of the basis of Christian hope and of the history of its interpretation Hebblethwaite aims to present a balanced view of these different elements in the Christian tradition and a credible eschatology for today

The Beasts, the Graves, and the Ghosts Hann Tzuu Joey Tan,2020-05-31 At the heart of the gospel is the message of the incarnation God translating himself into the context of human culture and language so we might know him Far from coming to an end with Christ's life on earth this process of contextualization is ongoing reoccurring every time the gospel encounters the particularities of society and culture In this book Hann Tzuu Tan explores the significance of contextualized preaching within the Chinese context Against the backdrop of three major festivals the Spring Festival the Qing Ming Festival and the Hungry Ghost Festival Tan examines the practices of six experienced Chinese preachers in order to demonstrate the theological and practical importance of contextualized preaching As a result of his research Tan suggests six main principles for contextual preaching principles that are rooted within a Chinese context yet applicable to anyone seeking to express the gospel's relevance within a particular cultural setting Combining insights from biblical studies applied theology and ethnography this interdisciplinary study will enrich one's understanding of Chinese culture the gospel and the important and necessary work of contextualization *Psalm 49 and the Path to Redemption* Janet Smith,2017-08-04 In Psalm 49 and the Path to Redemption Janet Smith revisits her PhD dissertation Dust or Dew Immortality in the Ancient Near East and in Psalm 49 reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel's belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that Psalm 49 takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts

as expressed by Jesus Christ Finally the book reviews a few modern near death experiences to ask if the Scriptures regarding afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption *Dictionary of the Old Testament: Pentateuch* T. Desmond Alexander, David W.

Baker, 2010-05-11 Exploring the major themes and issues of the Pentateuch this encyclopedic work offers authoritative overviews detailed examinations and new insights from the world of the ancient Near East Edited by T Desmond Alexander and David W Baker Reading the Psalms Theologically David M.
