Shadow Of The Stone Heart A Search For Manhood:

The Life and Ideas of James Hillman Dick Russell, 2023-05-30 James Hillman who died in 2011 at the age of eighty five has been described by poet Robert Bly as the most lively and original psychologist of the twentieth century Based on author Dick Russell s interviews with Hillman and dozens of people who knew him Volume Two of *The Life and Ideas of James Hillman* takes up Hillman s mid life when he set about returning psychology to its Soul rich roots in Greek mythology and Renaissance esotericism From his base teaching at Zurich s Jung Institute we follow Hillman s growing international prominence as a maverick in the field coinciding with his relationship and eventual marriage to Patricia Berry They would be instrumental in formulating Archetypal Psychology along with a group of young compatriots in what became known as Spring House The new ideas taking shape moved psychology away from the dominant scientific medical model with its focus on treating the isolated individual expanding into the fertile realm of culture and the imagination Amid prodigious writings and lectures Hillman made mythology and even alchemy relevant to our times Delivering the prestigious Terry Lectures at Yale and being nominated for a Pulitzer Prize Hillman returned to America after living primarily in Europe for thirty years To the surprise of many he settled in Dallas and helped found an Institute of Humanities and Culture while taking up how to re imagine city planning Equally surprising was Hillman s subsequent move to rural Connecticut where he and Pat Berry resided in a nineteenth century farmhouse Starting in the mid 80s Hillman became a pioneering teacher in the mythopoetic men s movement alongside Robert Bly and Michael Meade where deep talk about fathers and sons and male female relationships offered a new kind of group therapy a cultural therapy As Thomas Moore said of Hillman he possessed a genius for taking any theme and shedding serious fresh light on it Along the way Hillman s insights came to encompass all of the arts a poetic basis of mind that connected him to many of the most influential artists and thinkers of the modern era **SQ**

Danah Zohar, Ian Marshall, I. N. Marshall, 2000-01-15 Going beyond IQ and EQ there is now growing collective evidence that there is a third Q or SQ Spiritual Intelligence This handbook explores how accessing SQ to help us to live up to our potential for better more satisfying lives *Sin and Forgiveness* Kay Carmichael, 2019-09-16 Originally published in 2003 Western attitudes to crime were in the past rooted in concepts of sin and therefore of hopes for redemption and forgiveness So what happens to offenders and society as a whole in a world where people no longer talk of sin but of evil If hopes of redemption go too will revenge take the place of forgiveness Kay Carmichael explores these dilemmas in this topical and provocative book She traces the stories of Myra Hindley Mary Bell Sarah Payne James Bulger and his killers comparing public responses to such crimes in various Western countries Art and literature are examined for the light they throw on the evolution of our ideas about sin and forgiveness from Rembrandt to Nathaniel Hawthorne Samuel Becket Dali and writings inspired by the Holocaust Turning to our own day Carmichael discusses the emergence of structural sins or iniquities in which we may all find ourselves involved poverty slavery violence and war are her themes Her analysis leaves her sceptical about many

contemporary appeals for forgiveness but hopeful about ideas of restorative justice **Olivier** Philip Ziegler,2014-06-03 A finalist for the Sheridan Morley Prize that has been called probably the best Olivier book for general readers Kirkus Reviews Philip Ziegler's Olivier provides an incredibly accessible and comprehensive portrait of this Hollywood superstar Oscar winning director and one who is considered the greatest stage actor of the twentieth century The era abounded in great actors Gielgud Richardson Guinness Burton O Toole but none could challenge Laurence Olivier's range and power By the 1940s he had achieved international stardom His affair with Vivien Leigh led to a marriage as glamorous and as tragic as any in Hollywood history He was as accomplished a director as he was a leading man his three Shakespearian adaptations are among the most memorable ever filmed And yet at the height of his fame he accepted what was no more than an administrator's wage to become the founding Director of the National Theatre In 2013 the theatre celebrates its fiftieth anniversary without Olivier's leadership it would never have achieved the status that it enjoys today Off stage Olivier was the most extravagant of characters generous yet almost insanely jealous of those few contemporaries whom he deemed to be his rivals charming but with a ferocious temper With access to more than fifty hours of candid unpublished interviews Ziegler ensures that Olivier's true character at its most undisguised shines through as never before **Spiritual Intelligence**

Danah Zohar,2012-04-12 At the beginning of the twentieth century psychologists discovered ways and means to measure intelligence that developed into an obsession with IQ In the mid 1990's Daniel Goleman popularised research into emotional intelligence EQ pointing out that EQ is a basic requirement for the appropriate use of IQ In this century there is enough collective evidence from psychology neurology anthropology and cognitive science to show us that there is a third Q SQ or Spiritual Intelligence SQ is uniquely human and the authors argue the most fundamental intelligence SQ is what we use to develop our longing and capacity for meaning vision and value It allows us to dream and to strive It underlies the things we believe in and the role our beliefs and values play in the actions that we take and the way we shape our lives

Wounded Masculinity and the Search for (Father) Self in American Film Susan Mackey-Kallis,Brian Johnston,2023-12-12

Drawing on texts and theorists of Greek myth psychoanalysis and masculinities Susan Mackey Kallis and Brian Johnston develop and offer a model of rhetorical and mythic criticism to analyze popular American film In this book Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest Shakespearean Criticism Michelle Lee,2002-04 The plays theme or focus of this volume includes *The Comedy of Errors* *The Merchant of Venice* *Pericles Religion and Theology* **Hard Act to Follow** Michael Sellers,Gary Morecambe,1997 This work contains stories by the sons and daughters of famous parents many of them stars themselves about their extraordinary upbringing The book includes tales by the authors Michael Sellers the son of film star Peter Sellers and Gary Morecambe son of comedian Eric Morecambe as well as Jamie Lee Curtis the daughter of Tony Curtis Carrie Fisher the daughter of Debbie Reynolds Hayley Mills the daughter of Sir John Mills and the children of Cary Grant Blake Edwards Robert Morley and Laurence Olivier **The Ladies' Companion** ,1840 **The Ladies' Companion and Literary Expositor** ,1840 The Ladies' Companion William W.
