What is Shakespeare? An Introduction to the Great Plays

Lucius Adelno Sherman,1902 *Shakespeare* Allardyce Nicoll,1961 *Why Shakespeare* G. M. Pinciss,2005-03-01 Writing for a small troupe of men and boys who performed on an almost bare stage William Shakespeare dramatized an unparalleled range of stories and emotions through his wizardry with words his uncanny understanding of the human spirit and his genius for maximizing the talents of his actors Working under conditions that today we would consider primitive he made himself into the supreme playwright Exactly how does Shakespeare achieve his effects Why does he continue to enthral audiences performance after performance night after night century after century Can we learn the secrets of his success By concentrating on a dozen of his best known plays though others receive attention too and analyzing their structural and theatrical elements as well as their distinctive language inventive plotting and unique characters this book demystifies Shakespeare for all theater lovers With its down to earth and jargon free approach Why Shakespeare enables us to step behind the curtain to learn why Shakespeare is considered the greatest dramatist of all time *What is Shakespeare?*
