Mein Berlin

**Erica Carter, Jan Palmowski, Katrin
Schreiter**

Mein Berlin:

Mein Berlin in den 50er-Jahren Joachim Kellner, 2015-01-28 Mein Berlin in den 50er Jahren ist ein leidenschaftliches aufwühlendes und faszinierendes Buch über Berlin. Sein Autor Joachim Kellner schrieb dieses Buch mit 16 Jahren Mitte der 1950er Jahre. Er ist ein waschechter Berliner, dort geboren und aufgewachsen, liebte seine Stadt so lange, er denken kann. Das Buch ist eine Collage über die Geschichte von Berlin und über seine damalige Gegenwart: den Wiederaufbau, die Kultur, die Wirtschaft und natürlich die Politik. Es ist die Hommage eines 16-Jährigen an seine geliebte Heimatstadt Berlin, hatte aber noch eine andere Seite für Joachim Kellner. Dies zeigt der zweite Teil des Buches: ein Tagebuch. Es gewährt bewegende Einblicke in das Heranwachsen des Jungen in einer typischen Berliner Bildungsbürgerfamilie zwischen den Nachkriegs- und Wirtschaftswunderjahren. Ein völlig anderes Gesicht seines Lebens in Berlin. Dieser Teil endet mit einer Katastrophe, als der Autor 17 Jahre alt war.

New Germans, New Dutch Liesbeth Minnaard, 2008 In today's globalized world, traditions of a national Self and a national Other no longer hold. This timely volume considers the stakes in our changing definitions of national boundaries in light of the unmistakable transformation of German and Dutch societies. Examining how the literature of migration intervenes in public discourses on multiculturalism and including detailed analysis of works by the Turkish German writers Emine Sevgi Özdamar and Feridun Zaimoglu and the Moroccan Dutch writers Abdelkader Benali and Hafid Bouazza, *New Germans, New Dutch* offers crucial insights into the ways in which literature negotiates both difference and the national context of its writing.

C'era una volta il Cabaret Leo Valeriano, 2014-09-10 La storia del Cabaret italiano di alcuni dei suoi più importanti locali: della contrapposizione tra diversi tipi di satira, vista da uno dei suoi protagonisti e come non mai stata raccontata.

The Cambridge Companion to the Literature of Berlin Andrew Webber, 2017-03-09 This book provides an informative overview of literary developments in Berlin since 1750, with more detailed readings of exemplary key texts.

Vienna Meets Berlin John Warren, Ulrike Zitzlsperger, 2008 The volume is based on papers given at the London Symposium Vienna Meets Berlin: Culture in the Metropolis Between the Wars, which took place at the Institute of Germanic Studies in December 2001. The book surveys the cultural links between Vienna and Berlin, with a focus on the inter-war years and some post-1945 continuities. It includes a centenary tribute to Egon von Horváth and contributions on theatre, film, journalism, the feuilleton, in particular literature, music, and socio-political issues. Together, the studies can be read as a narrative of interaction between the two capital cities. The industrial and modern Berlin of the 1920s proves an irresistible magnet for many Viennese, whose letters and journalism, in time, again reflect on the differences between the cities. The year 1933 marks the political cut-off point when, in many cases, exile becomes the predominant theme.

Metropolis Berlin Iain Boyd Whyte, David Frisby, 2012-11-27 *Metropolis Berlin 1880-1940* reconstitutes the built environment of Berlin during the period of its classical modernity, using over two hundred contemporary texts, virtually all of which are published in English translation for the first time. They are from the pens of those who created Berlin as one of the world's great cities, and those

who observed this process architects city planners sociologists political theorists historians cultural critics novelists essayists and journalists Divided into nineteen sections each prefaced by an introductory essay the account unfolds chronologically with the particular structural concerns of the moment addressed in sequence be they department stores in 1900 housing in the 1920s or parade grounds in 1940 Metropolis Berlin 1880 1940 not only details the construction of Berlin but explores homes and workplaces public spaces circulation commerce and leisure in the German metropolis as seen through the eyes of all social classes from the humblest inhabitants of the city slums to the great visionaries of the modern city and the demented dictator resolved to remodel Berlin as Germania

Berlin's Black Market Malte Zierenberg, 2016-04-29 This book puts the illegal economy of the German capital during and after World War II into context and provides a new interpretation of Germany's postwar history The black market it argues served as a reference point for the beginnings of the two new German states

New German Literature Julian Preece, Frank Finlay, Ruth J. Owen, 2007 Twenty five essays by scholars from the UK Ireland Germany and Australia explore two aspects of new German language literature The first dozen studies focus on the variety and depth of the dialogue in the sense of reciprocal influences between literature photography film painting architecture and music The remaining essays alight on Life Writing in most of its forms diaries memoirs autobiographies and autobiographical fiction and examine its centrality in recent years in German literature not least because of the shadow which World War Two continues to cast over national life

Catalog of Copyright Entries, 1940 *Berlin Cabaret* Peter JELAVICH, 2009-06-30 Step into Ernst Wolzogen's Motley Theater Max Reinhardt's Sound and Smoke Rudolf Nelson's Chat noir and Friedrich Hollaender's Tingel Tangel Enjoy Claire Waldoff's rendering of a lower class Berliner Kurt Tucholsky's satirical songs and Walter Mehring's Dadaist experiments as Peter Jelavich spotlights Berlin's cabarets from the day the curtain first went up in 1901 until the Nazi regime brought it down Fads and fashions sexual mores and political ideologies all were subject to satire and parody on the cabaret stage This book follows the changing treatment of these themes and the fate of cabaret itself through the most turbulent decades of modern German history the prosperous and optimistic Imperial age the unstable yet culturally inventive Weimar era and the repressive years of National Socialism By situating cabaret within Berlin's rich landscape of popular culture and distinguishing it from vaudeville and variety theaters spectacular revues prurient nude dancing and Communist agitprop Jelavich revises the prevailing image of this form of entertainment Neither highly politicized like postwar German Kabarett nor sleazy in the way that some American and European films suggest Berlin cabaret occupied a middle ground that let it cast an ironic eye on the goings on of Berliners and other Germans However it was just this satirical attitude toward serious themes such as politics and racism that blinded cabaret to the strength of the radical right wing forces that ultimately destroyed it Jelavich concludes with the Berlin cabaret artists final performances as prisoners in the concentration camps at Westerbork and Theresienstadt This book gives us a sense of what the world looked like within the cabarets of Berlin and at the same time lets us see from a historical distance these lost performers enacting

the political sexual and artistic issues that made their city one of the most dynamic in Europe Engaging Citizens in Policy Making Randma-Liiv, Tiina, Lember, Veiko, 2022-02-15 This is an open access title available under the terms of a CC BY NC ND 4.0 License It is free to read download and share on Elgaronline.com Exploring academic and policy thinking on e participation this book opens up the organizational and institutional black box and provides new insights into how public administrations in 15 European states have facilitated its implementation *Werner Scholem* Mirjam Zadoff, 2018-02-02 In Werner Scholem A German Life Mirjam Zadoff has written a book that is at once a biography of an individual a family chronicle and the story of an entire era New Germans, New Dutch Liesbeth Minnaard, 2025-10-01 In the globalised world of today traditional definitions of national Self and national Other no longer hold The unmistakable transformation of German and Dutch societies demands a thorough rethinking of national boundaries on several levels This book examines how literature of migration intervenes in public discourses on multiculturalism in Germany and the Netherlands epitomised in the strikingly parallel debates on the German Leitkultur and the Dutch multicultural drama in the year 2000 By juxtaposing detailed analyses of literary work by the Turkish German writers Emine Sevgi Zdamar and Feridun Zaimoglu and the Moroccan Dutch writers Abdelkader Benali and Hafid Bouazza New Germans New Dutch offers crucial insights into the specific ways in which this literature negotiates its national context of writing This book demonstrates how German literature of migration seeks alternative forms of community outside the national parameters whereas the Dutch literature negotiates difference and re imagines Dutchness within the national framework *The Streets of Europe* Brian Ladd, 2020-09-01 This is a sensory history and a sensual story told from street level a clear and powerful account of the transformation of street life in Europe Leora Auslander author of Taste and Power Merchants shouts jostling strangers aromas of fresh fish and flowers plodding horses and friendly chatter long filled the narrow crowded streets of the European city As they developed over many centuries these spaces of commerce communion and commuting framed daily life At its heyday in the 1800s the European street was the place where social worlds connected and collided Brian Ladd recounts a rich social and cultural history of the European city street tracing its transformation from a lively scene of trade and crowds into a thoroughfare for high speed transportation Looking closely at four major cities London Paris Berlin and Vienna Ladd uncovers both the joys and the struggles of a past world The story takes us up to the twentieth century when the life of the street was transformed as wealthier citizens withdrew from the crowds to seek refuge in suburbs and automobiles As demographics and technologies changed so did the structure of cities and the design of streets significantly shifting our relationships to them In today's world of high speed transportation and impersonal marketplaces Ladd leads us to consider how we might draw on our history to once again build streets that encourage us to linger By unearthing the vivid descriptions recorded by amused and outraged contemporaries Ladd reveals the changing nature of city life showing why streets matter and how they can contribute to public life A dazzlingly kaleidoscopic overview of city life city living and city dying Judith Flanders author of The

Invention of Murder **German Division as Shared Experience** Erica Carter, Jan Palmowski, Katrin Schreiter, 2019-06-06
Despite the nearly three decades since German reunification there remains little understanding of the ways in which experiences overlapped across East West divides German Division as Shared Experience considers everyday life across the two Germanies using perspectives from history literary and cultural studies anthropology and art history to explore how interconnections as well as fractures between East and West Germany after 1945 were experienced lived and felt Through its novel approach to historical method the volume points to new understandings of the place of narrative form and lived sensibility in shaping Germans simultaneously shared and separate experiences of belonging during forty years of division from 1945 to 1990 *Hitler's Volkssturm* David K. Yelton, 2002-10-29 Pressed by advancing enemy armies on both fronts Adolf Hitler played his final card in World War II by mobilizing all German civilian males between sixteen and sixty and indoctrinating them for a final apocalyptic defense of the Reich The Volkssturm created as much to boost national morale as to bolster sagging defenses has been viewed as a negligible factor in the war David Yelton counters that view with new insights into why the German high command sought this means to prolong an unwinnable war and why so many civilians chose to fight to the bitter end Hitler's Volkssturm is the only book in English and the most comprehensive in any language on the German militia illuminating its role and contributions to the Nazi war effort and shedding new light on the last days of the Third Reich It examines the militia's strategic purpose organization training and combat performance on both war fronts and explores factors contributing to its sporadic tactical successes and its overall failure Yelton reveals why the Nazi leadership chose to assemble such last ditch units rather than negotiating for peace and also why civilians in these units were more than willing to serve The Volkssturm was in fact part of a broader ideologically based strategy intended to turn the tide of the war Yelton tracks the impact of this ideology on Nazi decision making throughout the war's final year and illustrates how ideological assumptions were often a major reason for the failure of Nazi policies and strategies In an unprecedented examination of the Volkssturm at the local level Yelton also shows the negative impact of national power struggles and demonstrates how the Wehrmacht industry and public opinion exerted influence on the militia in ways often contrary to its official objectives His extensive and insightful analysis illuminates German mobilization priorities reveals that a substantial number of its commanders had experience in both the military and the Nazi Party and clarifies the impact of Volkssturm mobilizations on the overall German war economy Pathbreaking in both scope and depth Hitler's Volkssturm stresses the factional lines and conflicting centers of power within the Nazi bureaucracy clarifies policy formulation and implementation in the late Third Reich and assesses the shifting power relationships among various groups and individuals Ultimately it gives us a more complete portrait of the Third Reich during the final phase of a devastating war and conveys important lessons about the use of militia forces in modern warfare *The Cultural Politics of Anti-Elitism* Moritz Ege, Johannes Springer, 2023-03-16 This book examines the highly ambivalent implications and effects of anti elitism It draws

on this theme as a cross cutting entry point to provide transdisciplinary analysis of current conjunctures and their contradictions drawing on examples from popular culture and media politics fashion labour and spatial arrangements Using the toolboxes of media and discourse analysis hegemony theory ethnography critical social psychology and cultural studies more broadly the book surveys and theorizes the forms the implications and the ambiguities and limits of anti elitist formations in different parts of the world Anti elitist sentiments colour the contemporary political conjuncture as much as they shape pop cultural and media trends Populists right wing authoritarian ones and others direct their anger at cultural political and sometimes economic elites while supporting other elites and creating new ones At the same time elitist knowledge and expertise decision making power and taste regimes are being questioned in societal transformations that are discussed much more positively under headlines such as participation or democratization The book brings together a group of international interdisciplinary case studies in order to better understand the ways in which the battle cry against the elites shapes current conjunctures and possible future politics focusing on themes such as nationalist political discourse in India Austria the UK and Hungary labour struggles and anti oligarchy rhetoric in Russia tax avoiding elites and fiscal imaginaries working class agency Melania Trump as a celebrity narrative in Slovenia aesthetic codes of the Alt Right football hooliganism in Germany hipster hate in German political discourse or the politics of expertise and anti elite iconography in high fashion internationally The book is intended for undergraduates postgraduates and postdoctoral researchers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

The Cult of Art in Nazi Germany Eric Michaud, Janet Lloyd, 2004 The Cult of Art in Nazi Germany presents a new interpretation of National Socialism arguing that art in the Third Reich was not simply an instrument of the regime but actually became a source of the racist politics upon which its ideology was founded Through the myth of the Aryan race a race pronounced superior because it alone creates culture Nazism asserted art as the sole raison d'être of a regime defined by Hitler as the dictatorship of genius Michaud shows the important link between the religious nature of Nazi art and the political movement revealing that in Nazi Germany art was considered to be less a witness of history than a force capable of producing future the actor capable of accelerating the coming of a reality immanent to art itself

Catalog of Copyright Entries Library of Congress. Copyright Office, 1911 **Ethnic Music on Records** Richard K. Spottswood, 1990 This impressive compilation offers a nearly complete listing of sound recordings made by American minority artists prior to mid 1942 Organized by national group or language the seven volume set cites primary and secondary titles composers participating artists instrumentation date and place of recording master and release numbers and reissues in all formats Because of its clear arrangements and indexes it will be a unique and valuable tool for music and ethnic historians folklorists and others
