of college friends Fran and Jack embark on a journey of discovery The trail however is a twisted one winding from the religious cult of Mithraism rooted in the ancient Syrian city of Dura Europos through the medieval Templars down to modern day Jesuits bearing a colorful history from Old World to New Amid campus Quidditch games and undergraduate parties dance rehearsals middle of the night discussions about hooking up and communal meals the young students pool their various esoteric disciplines to pursue the mystery of the Grail s location In the course of investigating the recondite riddles of the Mithraic cult Fran and Jack come to pursue a Grail for a new millennium and thereby seek to become initiates into the mysteries of love But in our age of crisis with the planet suffering while economies spin out of control can Fran and Jack find a way through the phantasmagoric maze confronting them to find at last the Grail and arrive at a newly awakened consciousness Grail Mysterium is a novel about love and its possibilities about dating and relationships among the younger Linked Generation and about the fundamental shift in human interconnectedness now underway in the 21st century This cross between The Da Vinci Code and Harry Potter for adults is the first in the Adventure on The Heights series by Thomas Kaplan Maxfield

Cultures of Forgery Judith Ryan, Alfred Thomas, 2013-05-13 In *Cultures of Forgery* leading literary studies and cultural studies scholars examine the double meaning of the word forge to create or to form on the one hand and to make falsely on the other *Minor Salvage* Stephen Hong Sohn, 2022-11-07 The Korean War often invoked in American culture as the forgotten war remains ongoing Though active fighting only occurred between 1950 and 1953 the signing of an armistice resulted in an infamous stalemate and the construction of the Korean Peninsula's Demilitarized Zone *Minor Salvage* reads early Korean American life writings in order to explore the admittedly partial ways in which those made precarious by war seek to rebuild their lives The titular phrase minor salvage draws on different valences of the word salvage which while initially associated with naval recovery efforts can also be used to describe the rescue of waste material Spurred by the stories told and retold to him by his parents Soon Ho and Yunpyo Sohn enacts minor salvage by reading overlooked early Korean American life writings penned by Induk Pak, Taiwon Koh, Joseph Anthony and Kim Yong-ik alongside a later generation of life writings authored by Sunny Che and K Connie Kang In the context of the Korean War Sohn argues life writings take on a crucial political orientation precisely because of the fragility attached to refugees civilians children women and divided family members To depict the possibility of life is to acknowledge simultaneously the threat of death violence and brutality and in this regard such life writings are part of a longer genealogy in which marginalized communities find representational power through the creative process **Dream Master: a Memoir** Raheem Jarbo, 2020-12-13 *Dream*

Master covers Raheem Mega Ran Jarbo's unbelievable journey from its humble beginnings in Philadelphia to college and the classroom then how a focus on video games and hip hop encouraged a complete career shift and propelled him to all the way to stages across the world and ultimately to a Guinness World Record

Orientation in European Romanticism Paul Hamilton, 2022-10-20 Exploring the experiments in individual and national self consciousness conducted during the Romantic period this essential comparative study of European literature philosophy and politics makes original and often surprising connections and contrasts to reveal how personal and social identities were re orientated and disorientated from the French Revolution onwards Reviving a contested moment in the history of aesthetic theory this study shows how the growing awareness of irresolution in Kant's third Kritik allowed Romantic writers to put the aesthetic to radical uses not envisaged by its parent philosophy It also recounts how they would go on to force philosophy to revise received notions of authority empowering women and subordinated ethnic groups to re orientate existing hierarchies The sheer range and variety of writers covered is testament both to the breadth of writing that Kant's philosophy so rashly legitimated and to the wider importance of philosophy to the understanding of Romantic literature
