readers receive a VIP pass into Keshari Mitchell's very glamorous but extremely dangerous life. Readers get a taste of the decadence, drama, and hedonism so prevalent in the music industry while also viewing the dark side of organized crime where millions of dollars are made and controlled from the trafficking and sale of cocaine where law enforcement can be bought and corrupted and where lives can be snuffed out strategically and without remorse at any given time to protect and expand criminal empires. Keshari Mitchell is on the verge of total meltdown as she works desperately on a daily basis to keep the stressful duality of her life as record industry mogul and increasingly reluctant crime boss separate. This most complex predicament is complicated all the more when she breaks her own rule regarding romantic entanglements and falls in love with the handsome new West Coast general counsel at ASCAP American Society of Composers, Authors, and Publishers. Will love of a lifetime be able to survive and surpass the deception of Keshari Mitchell's double life? And will Keshari Mitchell be able to survive and walk away from the very dark side of her life that is blood in, blood out? [A Passion for Print](#) Kristine Mahood, 2006-03-30
