Norman Douglas:

Norman Douglas Mark Holloway,1976 First full length biography of Norman Douglas Norman Douglas 1867 1952 lived a long varied and on many occasions scandalous life The son of a Scottish father and Austrian Mother with a boyhood spent in the Voralberg district he was by turns a young scholar of ripening repute a man about town in London a young diplomat in Russia From Russia he had to make a sudden departure because of scandal over a woman Later he had to leave equally hurriedly this time because of boys Much of his life was spent as an involuntary expatriate in his beloved Italy where a host of friends stood by him Norman Douglas was author of books like *South Wind* *Old Calabria* *Fountains in the Sand* and *Siren Land*

South Wind Norman Douglas,2015-03-02 This annoyed him For he disapproved of sickness in every shape or form His own state of body was far from satisfactory at that moment Africa he was Bishop of Bampopo in the Equatorial Regions had played the devil with his lower gastric department and made him almost an invalid a circumstance of which he was nowise proud seeing that ill health led to inefficiency in all walks of life There was nothing he despised more than inefficiency Well or ill he always insisted on getting through his tasks in a businesslike fashion That was the way to live he used to say Get through with it Be perfect of your kind whatever that kind may be Hence his sneaking fondness for the natives they were such fine healthy animals **Together** Norman Douglas,1923 **South Wind - Norman Douglas** Norman

Douglas,2007-11 Norman Douglas is best known for his travel books After being jailed in England for inappropriate behavior with young boys Douglas decided an extended trip to the Mediterranean would be in order The setting is an imaginary island off the Italian coast The island is famed for lobsters and young woman The south wind is blamed for any troubles the inhabitants encounter *Norman Douglas* Henry Major Tomlinson,1952 *Norman Douglas; a Selection from His Works*

Norman Douglas,1955 *South Wind* Norman Douglas,2019-11-22 *South Wind* is a novel by British author Norman Douglas It is Douglas s most famous book and his only success as a novelist It is set on an imaginary island called Nepenthe located off the coast of Italy in the Tyrrhenian Sea a thinly fictionalized description of Capri s residents and visitors The narrative concerns twelve days during which Thomas Heard a bishop returning to England from his diocese in Africa yields his moral vigor to various influences *Alone* Norman Douglas,2015-03-02 In exemplification whereof let me tell a trivial Riviera tale

There was an Englishwoman here one of those indestructible modern ladies who breakfast off an ether cocktail and half a dozen aspirins and feel all the better for it and who one day found herself losing rather heavily at the tables Another aspirin is going to turn my luck she thought and therewith swallowed surreptitiously her last tabloid of the panacea Not unobserved however for straightway two elegant gentlemen they might have been Russian princes pounced upon her and led her to that underground operating room where a kindly physician is in perennial attendance He brushed aside her explanations
