On A Journey:

Woman on a Journey Anthonia Egbujiobi, 2023-08-01 *Woman on a Journey* is a memoir that captures in great detail the life experiences of the author Anthonia Egbujiobi. It is an exciting and equally revealing peek into her personal and professional life, presenting a variety of perspectives on womanhood, family life, love, and relationships, marriage, as well as useful notes on how to manage workplace relationships and conflict, and so much more. In many ways, this book is a commendable guide for young women who are working out their own life paths and provides a wealth of inspiration for all. A highly recommended read.

On a Journey to Mirth Linda Kandelin Chambers, 2011-12 Edie and Emma are ten-year-old best friends who set out one day on a journey to Mirth. Step into the enchanted village of Ina Claire for a wonderful adventure as Edie and Emma travel to a land where if the sun is high and the water still, butterflies dust the air with their delight. And come to love the yellow happy hound named Pixie who joins the girls by chance and at the last serves as the truest example of faithfulness and friendship. Readers will meet the old boatman Emmett Hays and will sail on the maiden voyage of the beautiful Grace, a rowboat fashioned after a lovely Trumpeter swan. It is this craft that takes Edie and Emma and Pixie across the cool, calm waters of Lily Lake until suddenly a violent storm and a blackened sky dense with rain puts the travelers in frightening peril. A daring rescue, a poet's clever riddle, and a whimsical fairy named Flora Dora are among the events and characters who help Edie and Emma unravel the mystery of Mirth. Charming pen and ink illustrations by Kim Sponaugle enhance each chapter.

Women on a Journey Haifa Zangana, 2007-04-01 Exiled, displaced, tortured, and grieving each of the five Iraqi women whose lives and losses come to us through Haifa Zangana's skillfully wrought novel is searching in her own way for peace with a past that continually threatens to swallow up the present. Majda, the widow of a former Ba'ath Party official who was killed by the government he served; Adiba, a political dissident tortured under Saddam Hussein's regime; Um Mohammed, a Kurdish refugee who fled her home for political asylum; Iqbal, a divorced mother whose family in Iraq is suffering under the effects of Western economic sanctions; and Sahira, the wife of a Communist politician struggling with his disillusionment and her own isolation. Bound to one another by a common Iraqi identity and a common location in 1990s London, the women come together across differences in politics, ethnic and class background, age, and even language. Weaving between the women's memories of Iraq and their lives as exiles in London, Zangana's novel gives voice to the richness and complexity of Iraqi women's experiences. Through their stories, the novel represents a powerful critique of the violence done to ordinary people by those who hold power both in Iraq and in the West. Jacket.

Halal Monk. A Christian on a Journey through Islam. Jonas Yunus Atlas, 2015-04-21 To acquaint himself with the soul of Islam J Y Atlas had openhearted conversations with influential Muslim scholars and artists. From Jakarta to New York and from London to Lahore this Christian theologian met with imams and Sufis, academics and feminists, punkers and poets. The result is a book full of novel insights that will help us to transcend today's cultural and religious impasses. Attempts of interfaith dialogue often stay away from the more difficult issues and remain somewhat superficial. With his Halal Monk journey Atlas wanted to go further. He wanted to get to the root of our current tensions. This book collects his most fascinating dialogues at the intersection of culture, society and religion. In between those conversations some extra light is shed on key concepts of the Islamic tradition and their relevance for today's debates. Topics as diverse as quranic exegesis, Islamic mysticism and Islamic feminism are all treated in a nuanced manner. Difficult subjects like Islamic fundamentalism and jihad aren't circumvented but placed within their context and clarified. Aspects of the Islamic faith like sharia and ijtihad are explained and juxtaposed with the Christian tradition. Halal Monk: A Christian on a Journey through Islam is one of the most insightful and honest books on Muslim culture, spirituality and theology. A must read for anyone who wants to have a better grasp of the place of Islam in the modern world.

Endorsements and reviews: We need many more books like this one. The reader emerges from this study with a real and fresh grasp of a tradition that is in movement in dialogue with itself and so in transition. Rowan Williams, former Archbishop of Canterbury. The interviews and reflections in this book offer sensitive, clear and extremely interesting insights into Islam and Islamic thought. The opportunity to listen in on the author's conversations is a distinct privilege. Marie Dennis, co-president of Pax Christi International. The book could not have been written any better by a Muslim, but then it is important that it was written by an upright, self-critical Christian. I will make the book a must read for my students, both religious and non-religious. Shaykh Bashir Ahmad, Dultz, founding president and shaykh of the German Muslim League. Profound understanding among Muslims and Christians is critical for civil health of the 21st century and this book points in a promising direction. Rev William E. Swing, Founder of URI and Former Episcopal Bishop of California. Jonas succeeds in his quest to find common ground. John Marks, Founder, Senior Advisor, Search for Common Ground.
