,1922 Burny's Journeys Brian Finkle,2004 It s one man s story from childhood to his mid fifties and counting He never went looking for adventures or answers to life but because of timing coincidences synchronicities call it what you will that started early and have never ended he has been blessed with a lifetime of stories and then some He spent his first twenty years in small town Iowa before the U S Army decided that they had a need for him It was February of 1968 and it proved to be a bad time to be entering the military After a year in Vietnam he came home intact but a changed young man He packed up a van and headed west with everything he owned Except for the baseball cards that his parents had already thrown away Damn After joining Vietnam Veterans Against the War John Kerry was their president he went to D C and threw his medals away on the Capitol steps with a thousand or so other vets who realized that as a country we could make mistakes and this

time we had He was thrown in jail in Denver with 78 other vets for simply trying to march as an organization in the Veteran s Day Parade It was a tough time for people to stand up to their government but he felt it was important and so did many people Those actions changed the direction of our country Maybe something like this the author suggests is needed again today After some bad relationships he hit the road for 2 1 2 years without an address to call his own He spent two fairy tale winters in Mexico and Guatemala where he explored caves found untouched ceynotes met many characters as well as great friends and all the while he compiled stories It was then that he began journaling and has never stopped nearly 30 years later and neither have the stories He had the most vivid dream of his life which magically eventually led him to his lovely bride They have now shared the past quarter of a century together including kids and grandkids It s all there along with the lessons and confessions

found that Pakistan's powerful military turned a blind eye to a sprawling Taliban ministate that trained suicide bombers plotted terrorist attacks and helped shelter Osama bin Laden. In New York, David's wife of two months, Kristen Mulvihill, his family, and The New York Times struggled to navigate the labyrinth of issues that confront the relatives of hostages. Their methodical Western approach made little impact on the complex mix of cruelty, irrationality, and criminality that characterizes the militant Islam espoused by David's captors. In the end, a stolen piece of rope and a prayer ended the captivity. The experience tested and strengthened Mulvihill and Rohde's relationship and exposed the failures of American effort in the region. The tale of those seven months is at once a love story and a reflection of the great cultural divide and challenge of our time.

Second chances, letting the past go, telling truths we are afraid to reveal, overcoming fears, and keeping on fighting even when life throws us a curveball. Read What I Like Blog. The bigger the secret, the harder it is to hide. Single mom Isabella York was a celebrity before she had her first kiss, her first date, or her first sip of alcohol. Playing the bad girl, both on and off the set, allowed her to make up for lost time. While making an all too public mess of her life, back home in Boston with her checkered past behind her, all she wants is to raise her little girl far away from the spotlight. But when a job offer she can't refuse means she has to work side by side with an unforgettable one-night stand, Bella has a choice to make. Revealing her past could mean losing everything or gaining more than she ever hoped for. For her and her daughter, it's not that Henry Smith hates kids; they don't like him. Meanwhile, he's stuck producing children's TV, so he'll try to tone down the grumpiness that's dogged him since his life imploded seven years ago. After all, not everyone gets a second chance to chase his dream. If he plays his cards right at this new gig, he can move on to making television that will change the world, not just entertain a bunch of brats. Maybe he can charm the woman he never thought he'd see again into a do-over while he's at it. In this sexy, heartwarming, not quite historical romance, the latest Boston Classics standalone romcom, a sunshine grumpy pair has to face the past to find a future together.

5 80s loving stars for this fourth installment of Karen's Boston Classics.

Pixiedustreads: One of the most delightful books I've read all year. As secret baby books go, this is one of my favorites. Grey's writing is whip-smart with wonderful dialogue, especially the voices in Bella's head, interesting developments, and steamy sexy times.

Once Upon a Page Blog: If you are a fan of a nostalgic 80s romance with a hot grumpy yet caring man, a determined strong single mama, a sweet and smart little girl, secret baby, the perfect touch of steam, forced proximity, a little bit forbidden, workplace romance, catching up with some favorite past characters, some dark issues, and a swoon-worthy heartfelt HEA, then you will absolutely adore this book.

Jodi Reads N Listens: A funny, sweet, sometimes emotional but ultimately heartwarming story featuring endearing three-dimensional characters and a well-crafted second-chance romance.

Laurie Reads Romance: Grey did an amazing job with the secret baby second-chance romance in *Child of Mine*. Both tropes can be hit or miss, but Ms. Grey took the ball and ran with it and gave her readers a funny, sexy, and endearing story.

Bloggling by Liza: Lots of nostalgia, loads of humor, just enough drama to keep it interesting but not too much.

to overload you and overwhelming feelings of love and happiness in the end LA Loves Romcoms If you enjoy a secret baby romance a second chance and workplace romance a really sweet and very smart child and handling the aftermath of being a child TV star ie substance abuse rehab and everything that goes along with it which is well researched and very well handled in the story context you will surely love this one as much as I did Bella Reads Romance One of my favorites of the series if not the best for me Lisa Loves Literature The characters are extremely well developed and I feel their emotions they are so relatable Books of My Heart An adorable kid a dog a bookstore a couple of cats and some family drama and I was a happy camper Carole s Random Life in Books Child of Mine was a great rom com read and I HAVE to go back and read the other books in the series While I m late to the game Karen Grey s writing has me completely hooked LB Book Blog Delivers every single one of her characters with so much care and love and you can feel that as you turn the pages Anna Reads Here Second chances undeniable attraction well written characters the ugly and unforgiving side of fame and success and love that spans time and space Currant 7 Recommends Babies and Bookshop Cats and Shakespeare oh my an outrageously fun touching cheeky retro romcom Karen Grey has outdone herself once again with more 80 s fun Run don t walk back in time to dive into this spectacular second chance secret baby retro romcom with a lot of heart and plenty of steam Bookbub review The perfect continuation of a series I hope lasts forever serious sweet saucy and sexy sexy sexy all rolled into one Bookbub review The emotions the feelings her characters are going through rock your world Bookbub review Heartwarming fun humorous and with witty banter emotions secrets and is a heartfelt and steamy riveting page turner Bookbub review Each time I think I ve read the best book in the series and each time the author proves me wrong This time she tackles various subjects like child celebrities addictions single parenthood and family conflicts with her swooniest hero so far and a strong independent heroine It was fun sweet sexy Goodreads review I loved Bella and Henry Both had real human weaknesses and were definitely not depicted as perfect characters what with Bella s difficulty in opening up to others her temptation to addictive substances and Henry s career devotion his occasional grumpiness and temper as well as his uncomfortable interactions initially with the kids on the show Their warts just made them more interesting and relatable Bookbub review Grey is able to insert humor where appropriate to keep the book from being too heavy but without taking away from the seriousness of the topics she chose to tackle in the book This one was heavy in the feels and I even had tears in my eyes more than once Bookbub review
