On Jews And Judaism In Crisis Selected Essays

Howard Schwartz

On Jews And Judaism In Crisis Selected Essays:

On Jews and Judaism in Crisis Gershom Scholem, 2012 Essays letters and articles written by the distinguished Jewish scholar over a fifty year period Includes three essays on Walter Benjamin **On Jews and Judaism in crisis selected essays by Gershom Scholem. [Book review].** Leon Wieseltier, 1977 **On the Edge of the Abyss** Clémence Boulouque, 2025-03-19 A history of the unconscious in public discourse before Freud and its significance for Jewish emancipation When Sigmund Freud published his theory of the unconscious in 1899 he popularized an idea that had fascinated generations of Jewish philosophers before him In this book Clémence Boulouque charts the development of the pre Freudian unconscious from subcultural inquiry to dominant discourse during the long nineteenth century Although Freud's scientific notion differed from Schelling's mythical description of the abyss from which creation springs its resonance with older ideas was celebrated as an opportunity to express specifically Jewish contributions to modernity Indeed Boulouque shows that the pre Freudian unconscious emerged from conversations in Jewish mysticism about otherness and coexistence In the hopeful years before World War I Boulouque argues such reflections offered the possibility of emancipation not only to Jews but to all **A Mortuary of Books** Elisabeth Gallas, Alex Skinner, 2019-04-30 Winner 2020 JDC Herbert Katzki Award for Writing Based on Archival Material given by the Jewish Book Council The astonishing story of the efforts of scholars and activists to rescue Jewish cultural treasures after the Holocaust In March 1946 the American Military Government for Germany established the Offenbach Archival Depot near Frankfurt to store identify and restore the huge quantities of Nazi looted books archival material and ritual objects that Army members had found hidden in German caches These items bore testimony to the cultural genocide that accompanied the Nazis systematic acts of mass murder The depot built a short lived lieu de memoire a mortuary of books as the later renowned historian Lucy Dawidowicz called it with over three million books of Jewish origin coming from nineteen different European countries awaiting restitution A Mortuary of Books tells the miraculous story of the many Jewish organizations and individuals who after the war sought to recover this looted cultural property and return the millions of treasured objects to their rightful owners Some of the most outstanding Jewish intellectuals of the twentieth century including Dawidowicz Hannah Arendt Salo W Baron and Gershom Scholem were involved in this herculean effort This led to the creation of Jewish Cultural Reconstruction Inc an international body that acted as the Jewish trustee for heirless property in the American Zone and transferred hundreds of thousands of objects from the Depot to the new centers of Jewish life after the Holocaust The commitment of these individuals to the restitution of cultural property revealed the importance of cultural objects as symbols of the enduring legacy of those who could not be saved It also fostered Jewish culture and scholarly life in the postwar world **The German-Jewish Soldiers of the First World War in History and Memory** Tim Grady, 2011-01-01 Nearly one hundred thousand German Jews fought in World War I and some twelve thousand of these soldiers lost their lives in battle This book focuses on the multifaceted ways in

which these soldiers have been remembered as well as forgotten from 1914 to the late 1970s By examining Germany's complex and continually evolving memory culture Tim Grady opens up a new approach to the study of German and German Jewish history In doing so he draws out a narrative of entangled and overlapping relations between Jews and non Jews a story that extends past the Holocaust and into the Cold War *Evil Spirits* Gary Banham, Charlie Blake, 2000 Incorporating a diversity of approaches from a variety of disciplines this book provides a major reassessment of the question of nihilism in modernity and interrogates this through the growing interest in angels and demons in contemporary philosophy The collection examines the uncanny return of angelic and demonic principles in current cultural production and thinking and aims to show that the repression of thought about spiritual entities at the onset of modernity is linked to the appearance of a new form of evil that manifests itself through nihilism *The Jews of Europe After the Black Death* Anna Foa, 2000-11-19 Thoughtful provocative and lucidly written this is a remarkably successful attempt to reconstruct the history of the Jews of Europe in a comparative perspective Carlo Ginzburg author of *The Cheese and the Worms* *A Life in Letters, 1914-1982* Gershom Scholem, 2002 Inscribing a life that epitomized the intellectual ferment and political drama of an era this selection of letters gives readers an intimate view of one of the leading lights of Israel during its founding and formative years 6 halftones *The Jewish Question* Enzo Traverso, 2018-10-16 In *The Jewish Question* History of a Marxist Debate Enzo Traverso explores the causes and the forms of the encounter that took place from the middle of the nineteenth century to the Holocaust between the intelligentsia of a cosmopolitan minority and the most radical ideological current of Western modernity From Karl Marx to the Frankfurt School the Jewish Question to a set of problems related to emancipation and anti-Semitism cultural assimilation and Zionism raised significant controversies within Marxist theory Enzo Traverso carefully reconstructs this intellectual debate that runs over more than a century pointing out both its achievements and its blind alleys This is the second edition completely rewritten and updated of a book already translated into many languages originally published in French then translated into English German Spanish Japanese and Turkish **Gershom Scholem** David Biale, 2018-06-19 A new biography of the seminal twentieth century historian and thinker who pioneered the study of Jewish mysticism and profoundly influenced the Zionist movement Gershom Scholem 1897-1982 was perhaps the foremost Jewish intellectual of the twentieth century Pioneering the study of Jewish mysticism as a legitimate academic discipline he overturned the rationalist bias of his predecessors and revealed an extraordinary world of myth and messianism In his youth he rebelled against the assimilationist culture of his parents and embraced Zionism as the vehicle for the renewal of Judaism in a secular age He moved to Palestine in 1923 and participated in the creation of the Hebrew University where he was a towering figure for nearly seventy years David Biale traces Scholem's tumultuous life of political activism and cultural criticism including his falling out with Hannah Arendt over the Eichmann trial Mining a rich trove of diaries letters and other writings Biale shows that his subject's inner life illuminates his most important writings Scholem emerges as a passionately

engaged man of his times a period that encompassed two world wars the rise of Nazism and the Holocaust **The German-Jewish Experience Revisited** Steven E. Aschheim, Vivian Liska, 2015-09-14 In the past decades the German Jewish phenomenon Derrida has increasingly attracted the attention of scholars from various fields Jewish studies intellectual history philosophy literary and cultural studies critical theory In all its complex dimensions the post enlightenment German Jewish experience is overwhelmingly regarded as the most quintessential and charged meeting of Jews with the project of modernity Perhaps for this reason from the eighteenth century through to our own time it has been the object of intense reflection of clashing interpretations and appropriations In both micro and macro case studies this volume engages the multiple perspectives as advocated by manifold interested actors and analyzes their uses biases and ideological functions over time in different cultural disciplinary and national contexts This volume includes both historical treatments of differing German Jewish understandings of their experience their relations to their Judaism general culture and to other Jews and contemporary reflections and competing interpretations as to how to understand the overall experience of German Jewry

Salvage Poetics Sheila E. Jelen, 2020-04-14 An interdisciplinary approach to American Jewish ethnic identity in post Holocaust America This volume explores how American Jewish post Holocaust writers scholars and editors adapted pre Holocaust works such as Yiddish fiction and documentary photography for popular consumption by American Jews in the post Holocaust decades These texts Jelen argues served to help clarify the role of East European Jewish identity in the construction of a post Holocaust American one In her analysis of a variety of hybrid texts those that exist on the border between ethnography and art Jelen traces the gradual shift from verbal to visual Jewish literacy among Jewish Americans after the Holocaust S Ansky's ethnographic expedition 1912 1914 and Martin Buber's adaptation and compilation of Hasidic tales 1906 1935 are presented as a means of contextualizing the role of an ethnographic consciousness in modern Jewish experience and the way in which literary adaptations and mediations create opportunities for the creation of folk ethnographic hybrid texts *Salvage Poetics* looks at classical texts of the American Jewish experience in the second half of the twentieth century such as Maurice Samuel's *The World of Sholem Aleichem* 1944 Abraham Joshua Heschel's *The Earth Is the Lord's* 1950 Elizabeth Herzog and Mark Zborowski's *Life Is with People* 1952 Lucy Dawidowicz's *The Golden Tradition* 1967 and Roman Vishniac's *A Vanished World* 1983 alongside other texts that consider the symbiotic relationship between pre Holocaust aesthetic artifacts and their postwar reframings and reconsiderations *Salvage Poetics* is particularly attentive to how literary scholars deploy the notion of ethnography in their readings of literature in languages and or cultures that are considered dead or dying and how their definition of an ethnographic literary text speaks to and enhance the scientific discipline of ethnography This book makes a fresh contribution to the fields of American Jewish cultural and literary studies and art history *The Mystery of the Earth* Israel Koren, 2010-01-01 Challenging the prevalent view that in order to establish his Dialogical thought Martin Buber had to forsake his earlier mystical work Israel Koren demonstrates instead that

mystical paradigms serve as the foundation for Buber's dialogue and endow it with greater depth. While most scholars portray Buber's dialogical thought mainly in its Western and modern philosophical background, the author examines Buber's interpretation of Hasidic themes such as Devekut (attachment to God) among others in order to establish that his dialogical writings evolved out of his interpretation of Judaism in general, his understanding of the Hasidic conception of the world and the mission of man in Hasidism. In particular, Buber's work is therefore shown to be original mystical neo-Hasidic thought which serves as a new link in the historical chain of Jewish mysticism. *Strangers in Berlin* Rachel Seelig, 2016-09-19

Insightful look at the interactions between German and migrant Jewish writers and the creative spectrum of Jewish identity

The Mathematical Imagination Matthew Handelman, 2019-03-05 This book offers an archeology of the undeveloped potential of mathematics for critical theory. As Max Horkheimer and Theodor W. Adorno first conceived of the critical project in the 1930s, critical theory steadfastly opposed the mathematization of thought. Mathematics flattened thought into a dangerous positivism that led reason to the barbarism of World War II. *The Mathematical Imagination* challenges this narrative, showing how for other German Jewish thinkers such as Gershom Scholem, Franz Rosenzweig, and Siegfried Kracauer, mathematics offered metaphors to negotiate the crises of modernity during the Weimar Republic. Influential theories of poetry, messianism, and cultural critique, Handelman shows, borrowed from the philosophy of mathematics: infinitesimal calculus and geometry in order to refashion cultural and aesthetic discourse. Drawn to the austerity and muteness of mathematics, these friends and forerunners of the Frankfurt School found in mathematical approaches to negativity strategies to capture the marginalized experiences and perspectives of Jews in Germany. Their vocabulary, in which theory could be both mathematical and critical, is missing from the intellectual history of critical theory, whether in the work of second-generation critical theorists such as Jürgen Habermas or in contemporary critiques of technology. *The Mathematical Imagination* shows how Scholem, Rosenzweig, and Kracauer's engagement with mathematics uncovers a more capacious vision of the critical project, one with tools that can help us intervene in our digital and increasingly mathematical present. *The Mathematical Imagination* is available from the publisher on an open access basis.

Reimagining the Bible Howard Schwartz, 1998 A collection of essays from Schwartz's previously published work exploring how each successive phase of Jewish literature has drawn upon and reimagined previous ones, and arguing that there is a continuity in Jewish Literature which extends from the biblical era to our own times. *The Second Generation* Andreas W. Daum, Hartmut Lehmann, James J. Sheehan, 2015-12-01 Of the thousands of children and young adults who fled Nazi Germany in the years before the Second World War, a remarkable number went on to become trained historians in their adopted homelands. By placing autobiographical testimonies alongside historical analysis and professional reflections, this richly varied collection comprises the first sustained effort to illuminate the role these men and women played in modern historiography. Focusing particularly on those who settled in North America, Great Britain, and Israel, it culminates in a comprehensive, meticulously researched

biobibliographic guide that provides a systematic overview of the lives and works of this second generation **Against the Grain** Ezra Mendelsohn, Stefani Hoffman, Richard I. Cohen, 2013-10-01 Highlighting the seminal role of German Jewish intellectuals and ideologues in forming and transforming the modern Jewish world this volume analyzes the political roads taken by German Jewish thinkers the impact of the Holocaust on the Central and East European Jewish intelligentsia and the conundrum of modern Jewish identity Several of German Jewry's most outstanding figures such as Scholem Strauss and Kohn are discussed Inspired by Steven E. Aschheim's work several contributors focus on the fraught relationship between German and East European Jews the so called Ostjuden and between German Jews and their non Jewish neighbors More generally this book examines how Central European Jewish thinkers reacted to the terrible crises of the twentieth century to war genocide and the existential threat to the very existence of the Jewish people It is essential reading for those interested in the triumphs and tragedies of modern European Jewry *The Cambridge Companion to Modern Jewish Philosophy* Michael L. Morgan, Peter Eli Gordon, 2007-06-04 Modern Jewish philosophy emerged in the seventeenth century with the impact of the new science and modern philosophy on thinkers who were reflecting upon the nature of Judaism and Jewish life This collection of essays examines the work of several of the most important of these figures from the seventeenth to the late twentieth centuries and addresses themes central to the tradition of modern Jewish philosophy language and revelation autonomy and authority the problem of evil messianism the influence of Kant and feminism Included are essays on Spinoza Mendelssohn Cohen Buber Rosenzweig Fackenheim Soloveitchik Strauss and Levinas Other thinkers discussed include Maimon Benjamin Derrida Scholem and Arendt The sixteen original essays are written by a world renowned group of scholars especially for this volume and give a broad and rich picture of the tradition of modern Jewish philosophy over a period of four centuries **Gustav Landauer: Anarchist and Jew** Paul Mendes-Flohr, Anya Mali, 2014-12-16 For Gustav Landauer literary critic and anarchist scholar of mysticism and participant of the Bavarian revolution culture and politics occupied the same spiritual space While identifying with ethical socialism his Jewish sensibility increasingly gained over the years not only but in great measure due to Buber's influence This volume brings together leading scholars to assess Landauer's ramified literary and political activities his life as a Jew and anarchist paying particular attention to his impact on Martin Buber

Right here, we have countless books **On Jews And Judaism In Crisis Selected Essays** and collections to check out. We additionally offer variant types and next type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as capably as various extra sorts of books are readily approachable here.

As this On Jews And Judaism In Crisis Selected Essays, it ends occurring physical one of the favored book On Jews And Judaism In Crisis Selected Essays collections that we have. This is why you remain in the best website to see the unbelievable books to have.

On Jews And Judaism In Crisis Selected Essays Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Jews And Judaism In Crisis Selected Essays has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Jews And Judaism In Crisis Selected Essays has opened up a world of possibilities. Downloading On Jews And Judaism In Crisis Selected Essays provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Jews And Judaism In Crisis Selected Essays has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Jews And Judaism In Crisis Selected Essays. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Jews And Judaism In Crisis Selected Essays. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Jews And Judaism In Crisis Selected Essays, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download On Jews And Judaism In Crisis Selected Essays has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Jews And Judaism In Crisis Selected Essays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On Jews And Judaism In Crisis Selected Essays is one of the best book in our library for free trial. We provide copy of On Jews And Judaism In Crisis Selected Essays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On Jews And Judaism In Crisis Selected Essays. Where to download On Jews And Judaism In Crisis Selected Essays online for free? Are you looking for On Jews And Judaism In Crisis Selected Essays PDF? This is definitely going to save you time and cash in something you should think about.
