Prayers Plainly Spoken:

Prayers Plainly Spoken Stanley Hauerwas, 2003-01-20 If anything these prayers are plain They are so because I discovered I could not pray differently than I speak In other words I thought it would be a mistake to try to assume a different identity when I prayed I figured Texans figure that God could take it because God did not need to be protected I think I learned this over the years by praying the Psalms in church God does not want us to come to the altar different from how we live the rest of our lives Therefore I do not try to be pious or use pious language in these prayers I try to speak plainly yet I hope with some eloquence since nothing is more eloquent than simplicity So writes Stanley Hauerwas in the introduction to this collection of prayers as inimitable as the widely respected and argued with theologian himself Originally prayed in Hauerwas divinity school classroom on a variety of occasions including war births Yom Kippur and the death of a beloved cat they not only display an invigorating faith but demonstrate how late modern Christians can pray with all the passion turbulence and life of the ancient psalmists **Prayers Plainly Spoken** Random House, 1994-01-01

Beginnings: Interrogating Hauerwas Brian Brock, Stanley Hauerwas, 2017-02-09 Stanley Hauerwas is arguably the most well known figure in theological ethics of the last generation Having published voluminously over the last 30 years late in his career he has also published two volumes of essays discussing his corpus retrospectively as well as a widely acclaimed memoir The sheer volume of his work can be daunting to readers and it is easy to get the impression that his retrospective volumes are restating positions developed earlier Brian Brock delves into Hauerwas formation as a theologian at Yale his first book *Character and the Christian Life* and examines some of his early and outspoken criticisms of the guild of Christian ethics This chapter is followed by a discussion of his memoir *Hannah's Child* and raises tricky questions about the role of autobiography in Christian ethics as well as the troubling problem of race in the modern academy Brock explores Hauerwas work on disability his criticisms of the discipline of medical ethics and the role played by vulnerability in his work The next chapter examines his views on just war and pacifism here probing the sensitive issue of the role of gender in his work and leading into a discussion on the nature of the church's peaceable politics in which his supposed hyper ecclesiocentricism is examined Brock examines the role of virtue in Hauerwas thought and teases out why he hates to be called a virtue ethicist A final chapter asks him to respond to the recently levelled criticism that scripture does no work in his theology focusing especially on his under appreciated commentary on the gospel of Matthew The editor of this volume has managed to maneuver Hauerwas into positions where he has directly faced tricky questions that he normally does not discuss such as the accusation that he is racist too soft on Yoder or misogynist **Unsettling Arguments** Charles R. Pinches, Kelly S. Johnson, Charles M. Collier, 2010-07-02 Scott Bader Saye Frederick Christian Bauerschmidt Michael Baxter Daniel M Bell Jr Jana Marguerite Bennett Michael G Cartwright William T Cavanaugh Peter Dula Chris K Huebner Kelly S Johnson D Stephen Long M Therese Lysaught David Matzko McCarthy Joel James Shuman J Alexander Sider Jonathan Tran Paul J Wadell Theodore

Walker Jr **System and Story** Gale Heide, 2009-01-01 System and Story is intended to develop a means for bridging the gap between critics of system and those who may find value in doing systematics from a Biblically oriented context Narrative theologians have rightly identified and critiqued the development of system in academic theology Unfortunately they have not identified the ways in which systematic elements have always played a role in theological knowledge This study demonstrates the inherent systematic tendencies that still exist in narrative approaches to theology while at the same time acknowledging the appropriateness of aspects of the narrative critique of system The reaction against Enlightenment modernism is examined from the perspective of the heightened role of system in religious epistemology The work of Stanley Hauerwas serves to carry much of the conversation regarding the critique of system and a narrative alternative as it is discovered in communal formation After summarizing Hauerwas theology if such a thing is possible the final chapters explore the ecclesiological concerns of narrative theologians according to a more systematic rendering of pneumatology A Biblical rendering of pneumatology from the perspective of the Spirit's role in ecclesiology allows for a modest i e pre modern systematic presentation commensurate with narrative communal formation Thus the narrative attempt to once again do theology for the church is seen as compatible with a Scriptural i e modestly systematic theology of the Spirit The Grandparenting Effect Trevecca Okholm, 2020-07-21 Whatever life gives you and wherever life takes you there is always a story Life and relationships all begin and are sustained in the context of a story This is not a how to do it right book as much as it is a book of stories personal stories from the author biblical stories and stories of ordinary grandparents and grandchildren who have been willing to share their own stories with which you may be able to identify and be encouraged in your own adventures of grandparenting This is a book for everyone that either has biological grandchildren or has the potential to influence the lives of non biological youth and children in the role of grandparenting This is also a book for churches to consider while planning for ministry to bring generations together in meaningful interactions and in doing so to create space for generations to share their stories and share in God's overarching Story of reconciling the world one story at a time **Great Is Thy Faithfulness?** Robin A. Parry, Heath Thomas, 2011-09-22 Lamentations is a book that has never had a place of honor at the table of Christian spirituality This is an unfortunate state of affairs because its challenging poetry has much to offer This volume explores the how the biblical book of Lamentations may be engaged afresh so that it can function as Holy Scripture for the ekklesia Four main chapters consider issues in hermeneutics exegesis the use of Lamentations in worship and pastoral reflections These chapters have been supplemented by seventeen reception history studies written by an international team of Jewish and Christian scholars These studies introduce a wide range of interpretations and uses of the book of Lamentations from throughout the history of Judaism and Christianity They include examinations of the use of Lamentations in Isaiah 40-55 the Targum Rashi and contemporary Jewish thought the Patristic period Calvin Jewish and Christian worship music Rembrandt and psychological and feminist interpretation Appendices include new English

translations of LXX Lamentations and Targum Lamentations **Diversity and Dominion** Kyle S. Van Houtan, Michael S. Northcott, 2010-02-15 This book records a set of dialogues between scientists theologians and philosophers on what can be done to prevent a global slide into ecological collapse It is a uniquely multidisciplinary book that exemplifies the kinds of cultural and scholarly dialogue urgently needed to address the threat to the earth represented by our super industrial civilization The authors debate the conventional account of nature conservation as protection from human activity In contrast to standard accounts they argue what is needed is a new relationship between human beings and the earth that recovers a primal respect for all things This approach seeks to recover forgotten resources in ancient cultures and in the foundational narratives of Western civilization contained in the Bible and in the culture of classical Greece What If I Don't Desire to Pray? John Onwuchekwa, 2020-02-27 Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life 9Marks Church Questions is a new series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions Christians have about church life Each volume offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment This booklet aims to encourage Christians to speak to their heavenly Father through prayer as it helps them understand the basics of why what and how to pray especially as they worship and serve alongside other Christians **Disrupting Time** Stanley Hauerwas, 2004-08-24 We are told time after time September 11 2001 has forever changed our lives Disrupting Time however is not about September 11 2001 Disrupting Time is about the disruption of time by a time named Jesus Thus my contention that Christians do not believe that September 11 2001 changed the world because the world was changed in 33 A D We that is Christians believe we can only know what happened on September 11 2001 because God acted decisively on behalf of the world in 33 A D From the Introduction
