Nwaneri, 2012-10-09 OUR MISSION IN THESE SIX BOOKS

1 Growing Decline in World Peace We started our long journey in these six Books with an expression of concern over the growing decline in world peace Our Mission throughout our Six Books had therefore focused on our views on how the state of World Peace can be advanced 2 Enhancing unity between Christianity and Secularity We expressed at the beginning of our first Book that one major source of the growing decline in world peace is the on going wars and crises between the Religious and Secular worlds of today This source of global crises had been acknowledged in a recent conference of global Religious Leaders held in Assisi at the invitation of Pope Benedict XVI The Conference participants resolved unanimously to address this source of crises in world peace Global Secular Leaders had also expressed much concern on the growing decline in world peace They did so again at the last meeting of the United Nations General Assembly in New York 3 Our Mission to contribute to Pope Benedict XVI's New Evangelization In our view the recent launching of the New Evangelization by Pope Benedict XVI reflected in part the resolution of Religious Leaders in the Assisi Conference to find ways of addressing the growing decline in world peace due partly to Religious conflicts with Secularity across the world The Pope called on all Lay members of the Catholic Church and Christians in general to contribute to the success of the Popes New Evangelization PCNE As we expressed throughout our six books our mission in these Books is to respond to the call by Pope Benedict XVI 4 Military and Secular Perspectives on the Religious and Secular Peace We stated clearly from the start that our contribution would reflect on the military and secular aspects of the growing conflicts between Christianity and Secularity using the global experience in both sectors by our Author throughout his career We had to take these perspectives because we must identify the source leadership and strategies in the wars and conflicts between the Religious and Secular worlds Unless we know the leaders in the conflicts and their missions we cannot achieve any progress in resolving these wars and crises and enhance the level of world peace 5 My Background A few words of introduction on my background may enable the Reader understand my perspectives in these Books I started the project of writing the Books because I am convinced that I can contribute to the PCNE by bringing my African background in Nigeria education at the London School of Economics and exposure to global secular governance through my position as a former Economic Adviser with The U K Government and a Senior Economist at The World Bank 6 Is anything wrong? *Praying: how to Start and Keep Going* Bobb Biehl, James W. Thomas R. Steagald,2014-04-01 A House of Prayer begins with a personal story a moment of a deep sense of isolation and spiritual distress that gives way to a deep sense of abiding connectedness and community That movement from isolation to serenity by means of praying together spiritually or physically is the emphasis of this book Steagald believes that praying together allows the church to become one as Jesus intended and the Body St Paul described The author incorporates memoir travelogue reflection on scripture church history and psychology as he builds a compelling case for congregations to put more focus on praying as a community **Praying Thieves and the God Who Loves Them No Matter What** Anne Marie

Drew,2006-05-01 Based on the story of the two thieves who were crucified with Jesus Anne Marie Drew explores what it means to be a sinner and still say Jesus remember me when you enter upon your reign Jesus responds to the thief as if to us I assure you this day you will be with me in paradise Many people who are living in sin feel unworthy of God s attention but this is when prayer is more vital than ever Looking at the seven deadly sins Drew uses stories from the Bible from classic literature and from the saints to demonstrate that God never abandons us even when we are sinful Drew s voice is a refreshing change of pace in a culture that often makes sinners out to be hopeless offenders *The Nightwatchman* Lorna

Couillard,2020-07-29 Is God interested in your everyday life trials sorrows grief Yes indeed How often have we heard people say God doesn t care about our troubles and God helps those who help themselves Well people can live that way for a while as long as they have the strength but the time comes when strength fails and many fall into the ditch of life and never get up I ve found when we fail when we lose our strength to go on when we can t put on a good front for people and they may walk out the door if we will just call his Name He will come in Whatever the problem whatever the trial whatever the circumstances He is only a prayer away a whisper is all it takes and I ve learned through a lifetime of depending on Him He never fails He hears and answers prayer It may not be overnight and He may test you to see if you ll stand in faith But He s proven to me beyond any doubt His ears are open to the cries of His people In my life s journey I ve accumulated a lifetime of journal accounts of answers to specific prayers for my own personal needs and in intercession concerning nations It s my hope and prayer that those who read this story will see a consistent pattern of standing against the forces of darkness and gaining ground in prayer and victory in the storms and adversities of life What God has done for me He will do for anyone if

they'll just open the door of their heart and let Him in Keep Praying Stacie Caywood,2014-01-07 When our son was diagnosed with Stage 4 cancer in August of 2009 our world came crashing down Through Cash's treatment we found strength in Christ and our faith grew by leaps and bounds We always wanted our story to help others going down the same path or to be a guide to help others who have friends or family going through this This is our story during one of the most trying times in our marriage and our lives We made it against the odds and use our story to bring hope and comfort to others

Keep Praying **Prayer Power** Brent Patrick McDougal,2022-10-04 Prayer is the master key that opens the door to the blessings of God It opens the heart opens possibilities that are impossible by natural means and opens the door to God's presence Through a particular and persistent kind of prayer peace and power flow from God into our lives The problem is that many people have an experience of prayer that is dull unimaginative and lacking power Their prayer yields few answers and little peace Jesus's disciples said to Him Lord teach us to pray Hearing Jesus pray they knew that they needed to learn how to pray on a deeper level in order to see the miracles and transformation of persistent prayer In the same way we need to learn the conditions of prayer that prevail so that we can walk in faith expect answers and give thanks even before prayer is answered In Prayer Power 40 Days of Learning to Pray Like George Mueller author Brent Patrick McDougal invites you to take a forty day journey to discover that kind of prayer Each day features a teaching from Scripture and a story from the life of nineteenth century pastor George Mueller one of the great heroes of our faith Over a lifetime of ministry Mueller launched multiple orphanages that cared for more than 10 000 children But not once did he ever ask for donations Instead he prayed as each need arose Prayer Power teaches everyday people of faith how to pray with the faith of George Mueller expecting answers because our good God is waiting to meet and reward those who seek Him
