Preaching Grace Possibilities For Growing Your Preaching And Touching Peoples Lives:

Preaching Grace Kennon L. Callahan,1999-06-02 Preaching today says Kennon Callahan is less about law and more about grace It is about inviting people to discover God s grace perhaps for the first time and touching their lives in a powerful personal helpful way Callahan who has helped tens of thousands of church leaders and pastors through his dynamic workshops and seminars sees the sermon as a shared event for the pastor and the congregation who are gathered to discover the good news for this day and the week to come He sees preaching as a sign of grace compassion community and hope Preaching Grace encourages pastors to develop the approach to preaching that matches with their unique gifts and strengths Through focusing on these strengths pastors will discover more fully their own personal preaching style and advance the sermons that will stir and inspire their congregations to discover the grace of God the compassion of Christ and the healing hope of the Holy Spirit *Applying the Sermon* Daniel Overdorf,2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homileticians balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people s lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today s most respected homileticians Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf s *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques [Cumulated Index to the Books](#) ,1999 **American Book Publishing Record** ,2006 **Emmaus Bible Resources Christ Our Life** David Day,2003 The letter to the Colossians was written to a church dominated by powerful forces and alternative spiritualities It is thus remarkably relevant to our day Paul s theme is no less relevant Christ will have first place in everything David Day s book encourages us to consider how to give Christ pre eminence in every area of our lives both personal and corporate The Emmaus Bible Resources series offers readers the opportunity to dig deeper into the Bible and grow in Christian life faith and service Finding a middle ground between daily Bible notes and weighty commentaries the series contains versatile material designed for use by individuals small groups or as part of a sermon series **The Works of ... A Pastor's Story Pastor Dave, 2016-01-23 What makes an ordinary man husband coach or restaurant owner suddenly wake up one morning and wonder about God David Stevens was just a regular guy making a living and providing for his wife and family and who loved to spend his weekends with friends having drinks dancing and sleeping in on Sunday morning Dave figured he had plenty of time left to get things right until the night he had the dream that made him realize that his life could end at any moment before he got things right with God Daves search brought him to the realization that his life was not about Dave but it was about God Dave discovered that God had not just a plan for him but a calling on Daves life to go and tell people about the saving grace of Jesus Christ Dave went from just an ordinary man to an extraordinary man of God who preaches and teaches about the salvation we can all receive through Jesus Christ Through the incredible teachings of Christ in the Bible and the testimonies of other godly men Daves life was transformed from a man centered on what the world said was acceptable to a man who desired on what God said was acceptable He met men and women whose lives had been changed because of their interaction with Christ through dreams through life experiences or through the revelation of Christ Pastor Dave as he is now known shares his journey of coming to Christ through his own experience of meeting the Savior As he was mentored by other men of God Pastor Dave began to see the urgent need to share the love mercy and grace of surrendering ones life to Christ and sharing that message with his friends and family and finally to others Minister Bonetta J Hutson
