Preaching Luke Acts:

Preaching Luke-acts Ronald James Allen, 2000 The gospel of Luke and the book of Acts provide researchers with new perspectives on some of the deepest longings of our time the search for a transcendent perspective on the meaning of life yearning for community and other issues that resonate with contemporary concerns In this book Allen raises up common motifs that occur in Luke and Acts and shows how these motifs can be used for effective preaching **Preaching from Luke/Acts** David Flier, Dave Bland, 2011-06-14 The context for this book is rooted in the life of the local church We desire to integrate biblical scholarship and homiletical theory with the task of preaching Luke Acts Our prayer is that the responsible integration of these resources will increase the ability of the Holy Spirit to empower preachers for faithful proclamation of God's word To that end we give God the glory From the editor's Introduction **Preaching Luke-Acts** Ronald J. Allen, 2014-07-15 Author raises up common motifs that occur in Luke and Acts and shows how those motifs can be used for effective preaching **A Theology of Luke and Acts** Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock's excellent exploration of Luke's theological approach and themes meets an important need in Lukan theology **Preaching Luke-Acts** David Schnasa Jacobsen, Günter Wasserberg, 2001 In Preaching Luke Acts David Schnasa Jacobsen and Günter Wasserberg introduce preachers to the big picture about Luke Acts They provide helpful guidance in seeing how an understanding of the larger scheme and purpose of these books can inform and enliven one's preaching of the texts They demonstrate that the author of Luke Acts wrote out of a specific set of pastoral concerns and they then relate these concerns to a contemporary context For example they provide specific help in understanding the strain of anti Judaism that runs through the writing They provide well detailed examinations of several Luke Acts texts drawn from the lectionary placing them in the context of the overall pastoral and theological purpose of the book and outlining a possible sermon to be preached from the text Luke, Acts Allison A.
