Precious Cargo Angels Luck :

Precious Cargo Joe Clifford Faust, 2024-12-03 James May and his crew of mercenaries had successfully rescued the fabled Essence Phials from the clutches of the Yueh sheng crime syndicate. The bad news is they lost half their crew and their ship had been blown to space junk leaving them adrift in space. So when rescue comes the Angel's Luck survivors are happy to see it. Until it turns out their rescuer is May's ex-wife complete with an asteroid-sized chip on her shoulder. And her ship is carrying a diplomatic delegation of Arcolians, aliens who have just ended a long brutal war with humanity bringing with them a hotbed of political intrigue. Add to that his copilot who is carrying with him the skills and xenophobic tendencies of an Arcolian war hero and the situation is ripe for catastrophe. If May ever needed a special kind of luck to survive it was now. Reviews for Precious Cargo What again places this above standard space opera fare is the understated sense of humor. This book is a rare treat, an intelligent and humorous deadpan space opera. Locus Faust brings a half zany half serious approach to space opera. If you are looking for fun reading with old-fashioned virtues and novel twists Precious Cargo is for you. Rave

Reviews The Smart One Joe Clifford Faust, 2024-12-10 Dink Stapleton is a two-bit hoodlum who lives in Wapakoneta, Ohio. All he wants to do is keep his nose clean and fly under the radar, something that's easier said than done. His less smart half brother keeps trying to suck him into a plan to counterfeit twenty-dollar bills. He has run afoul of a local wannabe crime figure. And his employer wants him to track down a scandalous painting by a local artist. Unfortunately, Dink's boss isn't the only one who wants the painting. There's the stripper who posed for the painting, the loose cannon who is obsessed with the stripper, and the pretentious comic book illustrator turned pretentious artist who created the painting to begin with. Complicating matters are ten grand worth of funny twenties that have gone walkabout, a missing car with the world's worst paint job, and a girlfriend who wants him to find Jesus. It's a lot to wade through if Dink is going to find the painting and figure out who gets it, but he should be able to work it out. After all, he's the smart one. The Smart One is vintage Faust filled with wry humor, quirky characters, crackling dialogue, and a plot that keeps the pages turning. Desperate Measures Joe Clifford

Faust, 2024-11-07 No doubt about it, James May was more hard-luck spacer than merchant. Still, after a run-in with the law, things were turning around. He had a new co-pilot and a cargo hold full of hot product. But when the co-pilot and the cargo both turn out to be a bust and the next payment to his loan shark falls due, May has to scramble to make ends meet. Even if it means hiring a motley crew of mercenaries and trying to pick the very pocket of the crime syndicate trying to repossess his spacecraft, May and crew might just come out of it alive, but if they do, they're going to need a lot more than regular luck. Reviews for Desperate Measures A hell of a lot of fun. Faust has a better idea of what makes a good story than most. Locus An elaborate high-tech version of a standard heist, the tale is brightened by Faust's wit evinced in small but welcome doses. Publishers Weekly You could almost call this Good Old Boy science fiction. Faust does well with caper space opera. Views, Alternate Universes David B. Mattingly, Cathleen Cogswell, 1996 The Essence of Evil Joe Clifford Faust, 2024-12-03 Having survived the tumult of their rescue James May and his crew of mercenaries have finally made planetfall at the home of the Essence Corporation creators of the long lost Essence Phials Unfortunately the crew s hopes of reward for returning them are dashed when the company s CEO steals them back while denying their authenticity It looks like May is left without recourse until the CEO kidnaps both the crewman who sampled one of the phials and a visiting Arcolian ambassador for the purpose of medical experimentation For May it s now no longer about the money It s about friendship and loyalty and teaching a corrupt businessman a damned good lesson But to rescue his friends and set the record straight May is going to need a galaxy sized portion of the luck that has been running in increasingly short supply Reviews for The Essence of Evil For those of you who like space opera with a very dry wit Faust has come up with a series that should tickle your fancy Locus

Fermans Devals: Author's Intended Edition Joe Clifford Faust, 2024-09-27 Ignored on publication in the US and revered in Russia Joe Clifford Faust s novels Ferman s Devils and Boddekker s Demons were a vision of advertising gone mad decades before Don Draper and his cigarettes made the scene Now the novels appear as Faust originally intended in a single volume that keeps the story s impact between a single set of covers In Fermans Devals you ll meet a 28 year old copywriting prodigy who has almost everything he wants except for a house and the most desirable woman at his advertising agency The answer to his problems comes in the form of a street gang that he puts in a TV commercial But everything has its price Soon the gang is big as The Beatles only The Beatles didn t leave a trail of dead bodies in their wake This new presentation of the story also includes an introduction by the author along with a bonus novelette that also takes place in the Pembroke Hall universe **REVIEWS FOR FERMAN S DEVILS** A superior entertainment Ferman s Devils may well turn out to be one of the funniest SF satires of recent years as well as one of the most intelligently plotted and convincingly detailed Locus Diabolically delightful A struggling Everyman with a Chanderlesque wit Boddekker
