Grover Cleveland

Prelude To World Power American Diplomat

Bruce A. Elleman

Prelude To World Power American Diplomat:

Prelude to World Power: American Diplomatic History, 1860-1900 Foster Rhea Dulles, 1965 SURVEYS AMERICAN FOREIGN POLICY FROM THE OUTBREAK OF THE CIVIL WAR WHEN LINCOLN AVERTED POSSIBLE EUROPEAN INTERVENTION UNTIL THE BEGINNING OF THE TWENTIETH CENTURY AND THE EMERGENCE OF THE UNITED STATES AS A GREAT WORLD POWER

Power and Policy Lawrence Lenz, 2008 Through its military policy and foreign policy America attained superpower status in a remarkably short period of time Nations survive based on their ability to provide internal order and external defense Unfortunately foreign policy goals are not always attained and sometimes those goals are based on questionable concepts Power and Policy examines the relationship of the US military and naval power with its foreign policy objectives exploring the policies and the use of force that propelled the United States into the first ranks of world power The book asks when military action is needed and how such action can change the very context within which foreign policy unfolds The study focuses on twelve major decisive events in history during the late 19th and early 20th centuries including a hurricane in Samoa and its effect on the German and US navies the outcomes that followed the Spanish American War the role of Panama in the development of a trans continental powerhouse the US approach to southern neighbors including Nicaragua and Mexico maneuvering for a stronger global position at the conclusion of World War I and the establishment of naval parity with Great Britain The facts background and analysis enable readers to understand interventions that defined and then re defined United States foreign policy for the rest of the 20th century Publisher s description

The War of 1898 Louis A. Pérez, 1998 A century after the Cuban war for independence was fought Louis P rez examines the meaning of the war of 1898 as represented in one hundred years of American historical writing Offering both a critique of the conventional historiography and an alternate

The American Century Donald Wallace White, 1996-01-01 From a wide range of sources the author identifies major trends in past American foreign policy and describes the decline of American power that has been in abeyance since the end of the Vietnam War

Race over Empire Eric T. L. Love, 2005-10-12 Generations of historians have maintained that in the last decade of the nineteenth century white supremacist racial ideologies such as Anglo Saxonism social Darwinism benevolent assimilation and the concept of the white man s burden drove American imperialist ventures in the nonwhite world In *Race over Empire* Eric T L Love contests this view and argues that racism had nearly the opposite effect From President Grant s attempt to acquire the Dominican Republic in 1870 to the annexations of Hawaii and the Philippines in 1898 Love demonstrates that the imperialists relationship with the racist ideologies of the era was antagonistic not harmonious In a period marked by Jim Crow lynching Chinese exclusion and immigration restriction Love argues no pragmatic politician wanted to place nonwhites at the center of an already controversial project by invoking the concept of the white man s burden Furthermore convictions that defined whiteness raised great obstacles to imperialist ambitions particularly when expansionists entered the tropical zone In lands

thought to be too hot for white blood white Americans could never be the main beneficiaries of empire What emerges from Love s analysis is a critical reinterpretation of the complex interactions between politics race labor immigration and foreign relations at the dawn of the American century *The Hero's Journey Toward a Second American Century* Michael E. Salla,2001-11-30 The hero s journey is a process of re discovery of the principles that make up the national identity of a country These principles must then be applied in the formulation and implementation of foreign policy For the seventh time in its history America has discovered a grand synthesis of power and morality in projecting its resources and principles into the global arena This makes possible a more assertive moral foreign policy course in responding to a range of foreign policy challenges Of these challenges Salla asserts the most profound in terms of the scale of human suffering around the planet is that concerning violations of the rights of ethnic minorities Ethnic conflicts and the humanitarian crises and massive human rights violations they generate form a foreign policy challenge that will preoccupy the minds of policy makers for much of the 21st century NATO s intervention in the Kosovo crisis is the high water mark for America s seventh hero s journey The intervention sends a decisive signal to all governments that the U S and its allies will no longer remain inactive in the face of states attempting to militarily repress the aspirations of their ethnic minorities This moral interventionism can safely be extended well into the 21st century if policy makers wisely combine the moral principles and foreign policy challenges that make up both the Second American Century and America s Seventh Hero s journey This provocative analysis will be of interest to all scholars students and researchers involved with the development of American foreign policy *International Rivalry and Secret Diplomacy in East Asia, 1896-1950* Bruce Elleman,2019-08-30 East Asia was a major focus of struggle between the United States and the Soviet Union during the Cold War of 1945 to 1991 with multiple hot and cold conflicts in China Korea and Vietnam The struggle for predominance in East Asia however largely predated the Cold War as this book shows with many examples of the United States and Russia the Soviet Union working to exercise and increase control in the region The book focuses on secret treaties 26 of them signed from the mid 1890s through 1950 when secret agreements between China and the USSR including several concerning the Chinese Eastern Railway gave Russia greater control over Manchuria and Outer Mongolia One of the most important was negotiated in 1945 when Stalin signed the Sino Soviet Friendship Treaty with Chiang Kai shek and the Chinese Nationalists that included a secret protocol granting the Soviet Navy sea control over the Manchurian littorals This secret protocol excluded the US Navy from landing Nationalist troops at the major Manchurian ports thereby guaranteeing the Chinese Communist victory in Northeast China from Manchuria the Chinese Communists quickly spread south to take all of Mainland China To a large degree therefore this formerly undiscussed secret diplomacy set the underlying conditions for the Cold War in East Asia *Historical Dictionary of U.S. Diplomacy from the Civil War to World War I* Kenneth J. Blume,2016-10-20 The period encompassed by this volume with the start of the Civil War and World War I as bookends has gone by a number of colorful names The Imperial Years The New

American Empire America's Rise to World Power Imperial Democracy The Awkward Years or Prelude to World Power for example A different organizing theme would describe the period as one in which a transformation took place in American foreign relations But whatever developments or events historians have emphasized there is general agreement that the period was one in which something changed in the American approach to the world This second edition of Historical Dictionary of U S Diplomacy from the Civil War to World War I contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about diplomacy during this period

The War of 1898 Louis A. Pérez Jr.,2000-11-09 A century after the Cuban war for independence was fought Louis Perez examines the meaning of the war of 1898 as represented in one hundred years of American historical writing Offering both a critique of the conventional historiography and an alternate history of the war informed by Cuban sources Perez explores the assumptions that have shaped our understanding of the Spanish American War a construct he argues that denies the Cubans participation in their own struggle for liberation from Spanish rule Perez examines historical accounts of the destruction of the battleship Maine the representation of public opinion as a precipitant of war and the treatment of the military campaign in Cuba Equally important he shows how historical narratives have helped sustain notions of America's national purpose and policy many of which were first articulated in 1898 Cuba insinuated itself into one of the most important chapters of U S history and what happened on the island in the final decade of the nineteenth century and the way in which what happened was subsequently represented has had far reaching implications many of which continue to resonate today

The A to Z of U.S. Diplomacy from the Civil War to World War I Kenneth J. Blume,2010-02-12 The A to Z of U S Diplomacy from the Civil War to World War I provides a convenient introduction to a critical period of American diplomacy The half century from 1861 to 1914 formed a crucial time in the development of the American approach to the world for the United States laid the foundations for its 20th century foreign policy While the famed Monroe Doctrine insisted that no foreign power meddle in the American continent it did not stop the U S from waging war against Spain mixing in conflicts in Cuba Chile and Mexico nor in backing independence for Panama all the while acquiring smaller Pacific islands The book includes o An introductory essay outlining main themes and problems of the era o A chronology of main events o Over 1 000 separate cross referenced dictionary entries exploring all aspects of American Diplomacy o Appendixes providing lists of presidents secretaries of state war and navy all American diplomatic ministers and ambassadors and most U S consuls o A photographic section with images of significant individuals and locations o A bibliography facilitating further research

We May Dominate the World Sean A Mirski,2023-06-27 Kirkus 100 Best Non Fiction Books of 2023 Finalist for the Council on Foreign Relations Arthur Ross Book Award What did it take for the United States to become a global superpower The answer lies in a missing chapter of American foreign policy with

stark lessons for today The cutthroat world of international politics has always been dominated by great powers Yet no great power in the modern era has ever managed to achieve the kind of invulnerability that comes from being completely supreme in its own neighborhood No great power that is except one the United States In *We May Dominate the World* Sean A Mirski tells the riveting story of how the United States became a regional hegemon in the century following the Civil War By turns reluctant and ruthless Americans squeezed their European rivals out of the hemisphere while landing forces on their neighbors soil with dizzying frequency Mirski reveals the surprising reasons behind this muscular foreign policy in a narrative full of twists colorful characters and original accounts of the palace coups and bloody interventions that turned the fledgling republic into a global superpower Today as China makes its own run at regional hegemony and nations like Russia and Iran grow more menacing Mirski s fresh look at the rise of the American colossus offers indispensable lessons for how to meet the challenges of our own century

Dangerous Nation Robert Kagan,2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation s history and its role in the global community

A History of Sino-American Diplomatic Relations, 1840-1974 Daren Liu,1978

The Caribbean Policy of the Ulysses S. Grant Administration Stephen McCullough,2017-11-30 From 1869 to 1877 the United States found itself deeply involved in the Caribbean as Washington sought to replace European influence and colonialism with an informal American empire The Ulysses S Grant administration primarily dealt with an uprising in Spanish Cuba known as the Ten Years War that threatened to draw in the United States The Cuban rebels used the United States as a base of support causing conflict between Washington and Madrid Many Americans including Grant wanted to replace Spanish rule in Cuba with a U S protectorate but Secretary of State Hamilton Fish opposed American colonial entanglements President Grant looked to expand U S interests in the Caribbean He looked to acquire colonies to provide naval bases to protect the trade routes to a potential American built and controlled canal in Central America Fish preferred to expand U S commercial interests in the region rather than acquiring colonies At no time was he prepared to obligate the United States to any long term commitments He wanted to end the war in Cuba because it hurt U S economic interests He had no desire to acquire territory but expected the Caribbean to fall into the U S economic sphere Despite his personal opposition to territorial acquisition in Fish went along with Grant s Dominican annexation project because he foresaw it as a chance to end European imperialism and to gain the president s confidence The Senate s failure to approve the Dominican annexation only hardened his opposition to the creation of an American empire He rejected Haitian offers of a naval base within that country and he continually sought an end to the

Cuban rebellion lest it drag in the United States Though the administration s many peace initiatives failed it forestalled Congressional intervention and kept the United States neutral in the conflict Harvard Guide to American History Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others **American Diplomatic History Before 1900**, 1978 *Cuba in the American Imagination* Louis A. Pérez, 2008 One of the foremost historians of Cuba analyzes the metaphorical and depictive motifs that have been used to describe Cuba and their political effectiveness as they have persisted and changed since the early nineteenth century **Citizen of a Wider Commonwealth** Edwina S. Campbell, 2016-04-07 In 1877 former president Ulysses S Grant along with his family and friends embarked on a two year world tour that took him from Liverpool to Yokohama with stops throughout Europe and Asia Biographies of Grant deal very briefly if at all with this tour and generally treat it as a pleasure trip filled with sightseeing shopping wining and dining Far from an extended vacation however Grant s travels in fact constituted a diplomatic mission sanctioned by the U S government In this revealing volume Edwina S Campbell chronicles Grant s journey the first diplomatic mission ever undertaken by a former U S president and demonstrates how it marked a decided turning point in the role of the United States in world affairs Traveling commercially and on U S Navy warships Grant visited ports of call throughout the British Empire Europe and Asia including Britain France Egypt the Ottoman Empire Greece Italy the Netherlands Germany Scandinavia Russia Spain Portugal Gibraltar Ireland India Singapore Hong Kong China and Japan Along the way he met with monarchs ministers and average citizens creating the model for the summitry and public diplomacy practiced by future American presidents and articulating concepts of national self determination international organization and the peaceful settlement of international disputes decades before Elihu Root s advocacy of binding international arbitration and Woodrow Wilson s proposal for the League of Nations Campbell reveals Grant to be a skillful envoy who brought to his travels the deep interest in foreign policy issues he had shown during his administration Grant confirmed the United States commitment to Anglo American cooperation demonstrated America s interest in the territorial integrity of China affirmed American faith in universal male suffrage as the basis for governmental legitimacy and asserted the importance of an international order based on equality and justice for all states and their citizens Grant s efforts shaped not only John Hay s Open Door policy in 1899 1900 but also the broader American approach to twentieth century international relations Throughout the trip Julia Grant proved essential to the success of her husband s mission and Campbell tells how the couple impressed people around the world with an enduring image of an American president and first lady By illuminating the significance of Grant s often overlooked postpresidential travels *Citizen of a Wider Commonwealth* establishes the eighteenth president as a key diplomat whose work strongly influenced the direction of future U S foreign policy and contributes substantially to the study of American international relations **Exporting Reconstruction** Ryan P. Semmes, 2024-11-21 How Reconstruction era political battles reflected global struggles over the era s core ideals Exporting

Reconstruction examines Ulysses S Grant's Reconstruction era policy both foreign and domestic as an integrated whole. Grant's vision for America's international role in the aftermath of the Civil War was best articulated in his 1869 memorandum considering whether the United States should annex the Dominican Republic. Grant envisioned a combined domestic and foreign policy of Reconstruction, one predicated on spreading the values of liberty, equality, and the rights of citizenship to not only the Dominican Republic but also other Caribbean nations as well as to Native Americans and Chinese immigrants living in the United States but seen as aliens within the nation. Author Ryan P Semmes interprets the Grant era policy of Reconstruction as an all-encompassing agenda that imagined the United States as the arbiter of civil rights for the Western Hemisphere. Exporting Reconstruction shows readers that unlike presidents before and after his administration, Grant hoped to increase not only the United States's imperial reach but also extend freedom and liberty to people beyond the borders of North America.

International Competition in China, 1899-1991 Bruce A. Elleman, 2015-04-10

China's recent economic reforms have opened its economy to the world. This policy, however, is not new. In the late nineteenth century, the United States put forward the Open Door Policy as a counter to European exclusive spheres of influence in China. This book, based on extensive original archival research, examines and re-evaluates China's Open Door Policy. It considers the policy from its inception in 1899 right through to the post-1978 reforms. It relates these changes to the various shifts in China's international relations, discusses how decades of foreign invasion, civil war, and revolution followed the destruction of the policy in the 1920s, and considers how the policy, when applied in Taiwan after 1949 and by Deng Xiaoping in mainland China after 1978, was instrumental in bringing about respectively Taiwan's economic miracle and mainland China's recent economic boom. The book argues that although the policy was characterised as United States economic imperialism during the Cold War, in reality it helped China retain its sovereignty and territorial integrity.

Prelude To World Power American Diplomat Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prelude To World Power American Diplomat has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prelude To World Power American Diplomat has opened up a world of possibilities. Downloading Prelude To World Power American Diplomat provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prelude To World Power American Diplomat has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prelude To World Power American Diplomat. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prelude To World Power American Diplomat. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prelude To World Power American Diplomat, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Prelude To World Power American Diplomat has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prelude To World Power American Diplomat Books

What is a Prelude To World Power American Diplomat PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prelude To World Power American Diplomat PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Prelude To World Power American Diplomat PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prelude To World Power American Diplomat PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prelude To World Power American Diplomat PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
