The i Trump, The Shell Game Paul Schwartz, 2020-11-13 To describe Donald J Trump as unfit for office is not sufficient unless you can also explain in detail exactly why. That is what this book is intended to do and in great detail as captured in a series of columns written by the author Paul Schwartz is a political columnist and has focused on the Trump administration and its mismanagement from Trump's misunderstanding of import tariffs to his total lack of understanding of how illegal drugs are smuggled into our country across the southern border to his embarrassing July 4 speech in front of the Lincoln Memorial during which he referred to George Washington's use of air power. If you want to reminisce about Trump's miscues this is the book for you. It is a time capsule of that administration from inauguration to impeachment.
