Cassaniti,2018-04-15 The book is ambitious and easy to read has many rich descriptions that would be good for undergraduates and graduate students interested in mindfulness Southeast Asian Theravada Buddhism and the anthropology of Buddhism Religious Studies Review What is mindfulness and how does it vary as a concept across different cultures How does mindfulness find expression in practice in the Buddhist cultures of Southeast Asia What role does mindfulness play in everyday life J L Cassaniti answers these fundamental questions and more through an engaged ethnographic investigation of what it means to remember the present in a region strongly influenced by Buddhist thought Focusing on Thailand Sri Lanka and Myanmar Remembering the Present examines the meanings practices and purposes of mindfulness Using the experiences of people in Buddhist monasteries hospitals markets and homes in the region Cassaniti shows how an attention to memory informs how people live today and how mindfulness is intimately tied to local constructions of time affect power emotion and selfhood By looking at how these people incorporate Theravada Buddhism into their daily lives Cassaniti provides a signal contribution to the psychological anthropology of religious experience Remembering the Present heeds the call made by researchers in the psychological sciences and the Buddhist side of mindfulness studies for better understandings of what mindfulness is and can be Cassaniti addresses fundamental questions about selfhood identity and how a deeper appreciation of the many contexts and complexities intrinsic in sati mindfulness in the Pali language can help

people lead richer fuller and healthier lives Remembering the Present shows how mindfulness needs to be understood within the cultural and historical influences from which it has emerged *Passionate Joy* Dr James Evans McReynolds, James McReynolds, 2006 *Passionate Joy* connects the psychological and spiritual understanding of our least discussed human emotion This book reflects the dawn of a revolutionary approach to living Norman Vincent Peale anointed Jim McReynolds as minister of joy to the world The most important characteristic of a minister of joy is humility This book teaches people the purpose of our lives is to create an atmosphere for joy and miracles to happen Life is difficult Building a wealth of joy enables us to know happiness Readers will enter the joy of the Lord as they reflect upon their own joy This book can be used as a text for study groups Questions for reflections are included at the end of each chapter This book was envisioned during studies at Vanderbilt University and the University of Oxford in England The material has been shared during a lifetime of weekend retreats conferences and seminars for churches schools workplaces and community groups *EastWest* ,1987 **Fierce Love** Adrian Snell, 2020-10-15 The memoir of Christian musician Adrian Snell Known for his songs *The Passion The Cry and Fierce Love* **Strong Experiences with Music** Alf Gabrielsson, 2011-09-29 Nowadays we can be with music whenever and wherever we like Never before has the scope of what is available been so great and varied The mass media and the Internet have given us unlimited paths into the world of music Just like music is varied and endless so are our reactions to music The very same piece of music can generate totally different reactions in different people and a person can react quite differently to the same piece of music on different occasions Individual factors how you are feeling how accustomed are you to listening to music what your tastes are in music what type of personality you are and lots more besides can play a major sometimes completely decisive role for how the reaction turns out Similarly the experience can be affected by the specific situation for example where and when you hear the music at home in your car at a concert in the daytime at night etc whether or not the acoustics are good and if you are on your own or together with others The experience is thus determined by an interplay of factors in the music in the individual and in the situation Developments in the brain sciences have been invaluable in helping researchers to understand just how the human brain deals with music However there is a major gap between what we can uncover using state of the art technology and understanding just what music really means to us personally While measuring brain or heart activity can reveal much about our physiological reactions there is of course much more to music than this *Strong Experiences in Music* is a groundbreaking new book developed from a long running study into the effects of music It draws on over two decades of research and almost 1000 participants who describe in their own words their own unique powerful and personal experiences of music The book will be a valuable resource for those in the fields of music psychology music education and musicology **Silent Wager** Anita Bunkley, 2011-03-01 From the banks of Texas s Buffalo Bayou to the blue waters of Hawaii this powerful novel from acclaimed author Anita Bunkley tells the story of one resilient woman s fight to save a family legacy and create a future for herself and her daughter When tropical storm Allison

hits Houston's historic black community it nearly wipes out Camille and Max Granville's hard earned home and restaurant Vendora. But it is just a foreshadowing of the disasters to come. Without flood insurance the Granvilles' bills pile up while their savings dwindle. Desperate to save Vendora and pay their daughter Jaiden's college tuition, Max takes a risk that involves turning over control of Vendora to a slick Los Angeles businessman with a shady past. Miraculously the move pays off. Once again the Granvilles' future looks bright until a celebratory cruise turns tragic. When a fire on board separates the couple and takes Max's life, it rests with a grieving Camille to regain Vendora and deal with a rebellious daughter who blames her for her father's death. Yet just when all seems lost, astonishing information about Max's last act surfaces from the depths of the catastrophe. The details of what happened in Max's final moments could change everything for Camille, for Jaiden, and for Vendora if Camille can find out exactly what happened and how. But Camille's good fortune may mean someone else's ruin. Someone desperate enough to do anything to stop her from getting to the truth. Praise for Anita Bunkley and *Mirrored Life* A breakout Anita Bunkley's believable characters and absorbing story will take you through a journey of mistakes and second chances you won't be able to put down.
