Traditional quilts serve many purposes over the course of a useful life Beginning as a beautiful bed covering a quilt may later function as a ground cover at picnics until years of wear relegate it to someone s ragbag for scrap uses Observing this life

cycle led authors John Forrest and Deborah Blincoe to the idea that quilts like living things have a natural history that can be studied scientifically They explore that natural history through an examination of the taxonomy morphology behavior and

ecology of quilts in their native environment the homes of humans who make use keep and bestow them The taxonomy

proposed by Forrest and Blincoe is rooted in the mechanics of replicating quilts so that it can be used to understand evolutionary and genetic relationships between quilt types The morphology section anatomizes normal and abnormal physical

features of quilts while the section on conception and birth in the life cycle discusses how the underlying processes of

replication intersect with environmental factors to produce tangible objects This methodology is applicable to many kinds of

crafts and will be of wide interest to students of folklore anthropology and art history Case studies of traditional quilts and

their makers in the Catskills and Appalachia add a warm human dimension to the book **Old Nova Scotian Quilts** Scott

Robson,Sharon MacDonald,Nova Scotia Museum,1995 Nova Scotian women have been making quilts for over 250 years The

Torsney,Judy Elsley,1994 As a blanket a commemorative covering and a work of art the quilt is a nearly universal cultural artifact In recent years it has been recognized as one of our most compelling symbols of cultural diversity and the power of women In this collection Cheryl B Torsney and Judy Elsley bring together eleven provocative essays on the quilt as metaphor in literature history politics and philosophy This interdisciplinary approach makes Quilt Culture an extraordinarily rich exploration of a cultural artifact whose meaning is far more complex than that of a simple bed covering Publishers website **Bicentennial Times** ,1974
