Quinx Or The Rippers Tale:

Quinx, Or, The Ripper's Tale Lawrence Durrell,1986 *Quinx Or The Ripper's Tale* Lawrence Durrell,1982

Quinx, Or, the Ripper's Tale Lawrence Durrell,2003 In the aftermath of the war gypsies from all over Europe converge on a church for their festival A fortune teller gives Lord Galen the whereabouts of the Templar treasure lost for centuries The gypsies and Smigrel know the secret too Everyone real and illusory gathers for the opening of the treasure sanctuary

Quinx Lawrence Durrell,2012-06-12 In the final volume of a quintet a hunt for ancient treasure in southern France lays bare the flawed philosophies that animated the Second World War Just after World War II a motley assortment of treasure hunters mystics psychoanalysts and former Nazis race to uncover a treasure buried centuries before by the Knights Templar Durrell displays his diabolical playfulness and immense imagination as his characters meet and become entangled long buried plots reemerge and the past and future are funneled into the present action Here the music of the Alexandria Quintet resolves as a symphony and the series as a whole emerges as a worthy and enduring entry to Durrell's distinguished career

Heresy and Heterotopia in Works by Lawrence Durrell Anne R. Zahlan, Isabelle Keller-Privat, 2025-03-15 Heresy and Heterotopia in Works by Lawrence Durrell Alexandria to Angkor Wat gathers new essays by international scholars who examine heretical concepts and heterotopian counter spaces in Durrell's thought and writing The volume includes studies of texts set in locations from the Mediterranean to Cambodia with spatial focus ranging from the Egypt of The Alexandria Quartet and of Anatole France's *Thaïs* to the scattered locations of The Avignon Quintet with stops along the way for the island books and other treatments of wandering and exile in poetry as well as prose The contributors approach Durrell's texts from a variety of perspectives philosophical and intertextual architectural and historical mystical and digital In so doing they expose the deeper echoes set off by his wide ranging literary production and map out the metaphysical literary and aesthetic connections that account for Durrell's impact on our understanding of those twentieth century social and cultural paradigms that foreshadow the disruptions of today's world

Lawrence Durrell, Postmodernism and the Ethics of Alterity Stefan Herbrechter, 1999 This book is of interest for any reader wishing to explore the interface between literature and critical and cultural theory It investigates the notions of alterity which underlie the work of Lawrence Durrell and postmodernist theory Grass Irmgard Elsner Hunt

The Avignon Quintet Lawrence Durrell, 2012-06-12 From the visionary author of the Alexandria Quartet comes a landmark five part series hailed by the Sunday Times as one of the great novels of our time One of the most celebrated English writers ever Lawrence Durrell was a bestselling author whose vivid metafiction pushed the boundaries of modern literature The cosmopolitan provocateur transcended borders ideologies and time in his work and he's at the height of his powers in the Avignon Quintet More formally daring than the Alexandria Quartet these sweeping and stylish novels set before during and after World War II loosely center on the race to uncover a treasure buried by the Knights Templar Each reveals a seemingly disparate piece of the puzzle In *Monsieur* it's the

bittersweet return to southern France by a British doctor in Livia it s two sisters driven apart by the rise of Nazism in Europe In Constance a Freudian analyst struggles for clarity in a world on fire in Sebastian she reconnects with the charismatic cult leader she knew in the deserts of Egypt And in Quinx long buried plots reemerge as the past and future are funneled into the present Durrell himself described the Avignon Quintet as a quincunx a series of novels roped together like climbers on a rockface but all independent Together they form a powerful meditation on the search for meaning in a world of chaos and brutality

Contemporary Literary Criticism Daniel G. Marowski,1986-12 Entries include critical commentary brief biographical information a portrait when available a list of principal works and may also include a further reading section

Narcissus from Rubble: Competing Models of Character in Contemporary British and American Fiction Raper, Julius Rowan,1992 *Re-reading The Alexandria Quartet of Lawrence Durrell (Durrell Studies 8)* Richard Pine,2023-08-25 Lawrence Durrell s The Alexandria Quartet is regarded as the central work in his fiction It has provoked critical commentary ever since the appearance of its individual volumes Justine 1957 Balthazar 1958 Mountolive and Clea 1959 and the publication in a one volume edition in 1962 Scores of Master s and PhD dissertations have been written since the 1960s on this most compelling and provocative novel Today The Alexandria Quartet stimulates critical discussion in works addressing the city Durrell s representation of Alexandria the theory of relativity the role of memory the recurring feature of the doppelgänger and the presence of the Gothic uncanny his frequent references to D H Lawrence his treatment of women characters his interest in Gnosticism and his own description of the Quartet as a strange mixture of sex and the secret service This volume of essays addresses all these themes and brings together the mature work of four scholars on this central work of Durrell s fiction together with two essays on its sequels Tunc Nunquam 1968 70 and The Avignon Quintet 1974 85

Indiscreet Fantasies Andrés Lema-Hincapié,Conxita Domènech,2020-11-13 Indiscreet Fantasies Iberian Queer Cinema is a collection of fifteen essays each focusing on a queer film by a prominent Iberian filmmaker The films studied here span nearly five decades beginning with Narciso Ibáñez Serrador s La residencia The House That Screamed 1970 and ending with João Pedro Rodrigues O ornitólogo The Ornithologist 2016 The first of its kind for English speaking readers this book examines the work of filmmakers Ventura Pons Cesc Gay Marta Ballester Coll Paulo Rocha Roberto Castán Ignacio Vilar and Pedro Almodóvar among others from various Iberian cultural and linguistic cultures including that of Portugal Catalonia Galicia and the Basque Country Rather than presenting a historical survey of Iberian queer films Indiscreet Fantasies encourages a deep reading of each film sends readers to other related films writings and fosters meditation on the ways these films cast light on particular moments and aspects of contemporary Iberian queer issues in history and society

Livia Lawrence Durrell,2012-06-12 At the dawn of World War II Livia and her sister Constance commit themselves to separate sides of a historic struggle in the second volume of the Avignon Quintet The second book of Durrell s inventive and inspiring Avignon Quintet Livia follows the currents of longing and regret and the shifting illusions of memory that began in Monsieur Two

sisters Livia and Constance have already led remarkable lives as scholars lovers of artists and seekers of the forbidden wisdom of Gnostic sages As Europe is shaken by the rise of fascism the two sisters find themselves driven apart by shifting alliances Livia is rich with Durrell s unmistakable gorgeous prose and breathtaking insights into love and the idiosyncrasies of the human heart

Monsieur Lawrence Durrell,2012-06-12 From the olive trees of southern France to Gnostic cults in Egypt a man and his lovers are invented and reinvented in this first volume of a great literary adventure For British doctor Bruce Drexel a return to Provence is bittersweet Here at a rustic chateau he once fell in love with Sylvie the Frenchwoman who would become his wife and befriended her brother Piers The three made up a peculiar potent ménage for years until Sylvie s descent into madness and Piers s suicide As Drexel attends to Piers s affairs he becomes steeped in the memories of a spiritually transformational trip to Egypt the band of intellectual confederates who used to be his intimate friends and a three sided love that became his reason for being So begins Monsieur the masterful first entry of Durrell s Avignon Quintet an infinite regress of memory and imagination that challenges the formal conventions of fiction

The Oxford Encyclopedia of British Literature David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1

Durrell Re-read James M. Clawson,2016-06-20 Reading the twelve major novels of Lawrence Durrell this study argues for their consideration as a single major project an opus marked by themes of liminality and betweenness As major texts of mid twentieth century literature repeatedly earning nominations for the Nobel Prize Durrell s work has attracted renewed critical attention since his centenary in 2012 This study shows the thematic unity of the opus in five areas First by disrupting expectations of love and death and by fashioning plural narrators works in the opus blend notions of the subject and the object Second in their use of metafictional elements the texts present themselves as neither fiction nor reality Third their approach to place and identity offers something between the naturalistic and the human centric Fourth though the texts initial concerns are engaged with understanding the past and preparing for a future they all resolve in something like the present And fifth though the novels reject many aspects of modernism they reside nevertheless between the poles of modernism and postmodernism Shared with other writers including T S Eliot and Henry Miller as early as the 1940s Durrell s plans for his major works of fiction remained consistent through the publication of the last novel in 1985 and these plans show the need to

consider the twelve major works as a unitary whole Sebastian Lawrence Durrell,2012-06-12 With Europe reduced to rubble after the Second World War Constance must seek knowledge beyond the modern in order to heal her patients and herself In Durrell s fourth installment of the Avignon Quintet Constance returns to Europe after the end of World War II A Freudian analyst she treats the shell shocked the battle fatigued and other despairing survivors in Geneva She also treats the traumatized autistic son of her former lover Sebastian a situation that draws her back into the mysterious cult that the sensitive and charismatic Sebastian led in the deserts of Egypt In Sebastian Constance s pursuit of wisdom in the midst of Europe s blackest night is rendered as a gorgeous and heartbreaking quest for truth in a world full of illusion **On Miracle Ground** Michael H. Begnal,1990 The essays in On Miracle Ground represent a collaborative attempt to assess the place of Lawrence Durrell in twentieth century fiction Sequels Janet G. Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series The Gnostic World Garry W. Trompf,Gunner B. Mikkelsen,Jay Johnston,2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history *Lawrence Durrell's Major Novels, Or, The Kingdom of the Imagination* Donald P. Kaczvinsky,1997 Through his use of Gnostic beliefs Durrell destabilizes our notions of the real and suggests that the civilization to emerge out of the ruins of a devastated Europe will not be Christian but Quincunxial Durrell s aesthetic and thematic concerns establish him as a significant indeed central voice in twentieth century British literature His career which spans over five decades links the British High Modernists with the Postmodernists
