SPARKS, 2021-06-16 The blue economy comprising coastal and marine resources offers vast benefits for sub-Saharan Africa. Of the 53 countries and territories in the region, 32 are coastal states; there are 13 million sq km of maritime zones; more than 90% of the region's exports and imports come by sea, and the African Union hails the blue economy as the new frontier of African renaissance. Despite their importance, the region's coastal and marine resources have been neither fully appreciated nor fully utilized. They are only now being recognized as being key to Africa's potential prosperity. As the region grows, it has in general not taken adequate safeguards to protect these valuable resources. That is partly because some of the problems, pollution for example, are regional and know no borders. All too often short term gains are made at the expense of the long term. Overfishing for example. This book provides for the first time a study of the constraints and opportunities the blue economy offers for sub-Saharan Africa. It includes an introduction and

overview sectoral analyses including tourism fisheries mineral resources culture shipping and maritime safety country case studies and analyses of regional and international efforts towards better coastal zone and marine management *CUET (PG) Agricultural Science PDF Common University Entrance Test (PG): Agricultural Science Subject Domain Specific Knowledge Only eBook* Chandresh Agrawal,nandini books,2024-05-30 SGN The CUET PG Agricultural Science PDF Common University Entrance Test PG Agricultural Science Subject Domain Specific Knowledge Only eBook Covers Objective Questions Asked In Various Competitive Exams With Answers *CUET (PG) Pharmaceutical Science PDF Common University Entrance Test (PG): Pharmaceutical Science Subject Domain Specific Knowledge Only eBook* Chandresh Agrawal,nandini books,2025-03-02 SGN The CUET PG Pharmaceutical Science PDF Common University Entrance Test PG Pharmaceutical Science Subject Domain Specific Knowledge Only eBook Covers Objective Questions Asked In Various Competitive Exams With Answers
