**The Dead Sea Scrolls After Fifty Years, Volume 1** Peter Flint, James C.

Vanderkam, 2019-05-09 [The Self-Understanding of the Dead Sea Scrolls Community](#) Paul Swarup, 2006-10-31 This study examines the two metaphors of eternal planting and house of holiness which play a key role in the ideology and self understanding of the Dead Sea Scrolls Community *Qumran Interpretation of the Genesis Flood* Jeremy D.

Lyon, 2015-09-28 The Dead Sea Scrolls have opened up for modern readers the ancient world of Jewish interpretation of the Bible during the Second Temple period Among these scrolls are several manuscripts dating to the first century BC the oldest surviving texts dealing with interpretation of the Genesis Flood A literary analysis of the four primary Qumran Flood texts 1QapGen 4Q252 4Q370 and 4Q422 reveals how ancient Jews interpreted and employed the Genesis Flood narrative These texts contain commentary paraphrase and admonition among other things addressing issues such as the cause chronology and purpose of the Flood In addition these fragmentary treasures reveal such ancient understandings of the Flood as a reversal and renewal of creation a restoration of Eden and anticipation of the Promised Land and an archetype of eschatological judgment

**Reading and Re-Reading Scripture at Qumran (2 vol. set)** Moshe J. Bernstein, 2013-06-21 In Reading and Re reading Scripture at Qumran Moshe J Bernstein gathers more than three decades of his work on diverse aspects of biblical interpretation in the Dead Sea Scrolls The essays range from broad surveys of the genres of biblical interpretation in these texts to more narrowly focused studies and close readings of specific documents Volume I focuses on the book of Genesis with a substantial portion being dedicated to studies of the Genesis Apocryphon and Commentary on Genesis A Volume II contains several historical and programmatic essays with specific studies focusing on legal material in the DSS and the pesharim Under the former rubric the documents known as 4QReworked Pentateuch 4QOrdinancesa 4QMMT and the Temple Scroll are discussed

**The Wisdom Texts from Qumran and the Development of Sapiential Thought** Charlotte Hempel, Armin Lange, Hermann Lichtenberger, 2002 This volume comprises the lectures delivered at a conference on the sapiential texts from Qumran hosted by A Lange and H Lichtenberger in Tübingen 1998 as well as a number of additional contributions This literature although found in the Qumran library is mostly of non Essene origin and can be dated to the third and second century BCE with a single exception which might be even older The sapiential texts from Qumran add to the sparse corpus of postexilic sapiential literature and shed new light on the later Israelite and Jewish

wisdom as well as on the sources from which early Christian wisdom traditions originated Therefore the volume attempts to understand the wisdom literature from Qumran in the broader context of sapiential thought in the Ancient near East the Hebrew Bible Ancient Judaism and the New Testament Beyond this the volume further includes treatments of introductory and linguistic questions as well as articles on specific sapiential texts     Sapiential, Liturgical and Poetical Texts from Qumran Daniel K. Falk, Florentino García Martínez, Eileen Schuller, 2018-12-24 At the third meeting of the International Organisation for Qumran Studies held in Oslo in 1998 a variety of papers were presented concerning the study of the Sapiential Liturgical and Poetical Texts from Qumran The fourteen papers selected for this volume are arranged in three sections Sapiential Texts contains four studies on different wisdom texts from Cave 4 Liturgical and Poetical Texts is formed by seven papers dealing with independent poetic or liturgical compositions while Qumran Wisdom and the New Testament presents three papers that explore the relationship of wisdom materials found at Qumran and some passages of the New Testament The volume is published in memory of Maurice Baillet who passed away shortly before the meeting It contains a biographical sketch and his complete bibliography provided by Emile Puech     The Worldly and Heavenly Wisdom of 4QInstruction Matthew J. Goff, 2018-10-16 This volume is devoted to 4QInstruction the last lengthy text of the Dead Sea Scrolls to be officially published It is also the largest wisdom text of this corpus The central concern of this study is how this composition should be understood in relation to the sapiential and apocalyptic traditions Features of 4QInstruction that are examined include its appeal to revelation its presentation of poverty and its eschatology The document's relationship to both 1 Enoch and the Dead Sea sect is also discussed This study will prove useful to anyone interested in the Dead Sea Scrolls the reception of the Jewish wisdom tradition in the Second Temple period and apocalypticism     **Discerning Wisdom** Matthew J. Goff, 2007 Discerning Wisdom provides an overview of all the Qumran wisdom texts The Dead Sea Scrolls offer crucial evidence for understanding the wisdom of the late Second Temple period and the reception of traditional wisdom in Early Judaism     **Households, Sects, and the Origins of Rabbinic Judaism** Alexei Sivertsev, 2022-01-04 This book suggests a new approach to the social history of Jewish religious movements in the Second Temple and early Rabbinic periods It argues that most of these movements and their traditions emerged within the context of complex interaction between traditional families and disciple circles The first part of the book examines the development of Jewish religious movements during the Second Temple period It culminates with the discussion of the Dead Sea Sect which is analyzed as the first unambiguous example of a movement shifting from a social structure based on families to a social structure based on disciple circles The second part of the book discusses the history of pharisaic and early rabbinic movements from a similar perspective Topics covered in the book will be of interest to scholars of Judaism and Early Christianity     **The Religious Worldviews Reflected in the Dead Sea Scrolls** Ruth A. Clements, Menahem Kister, Michael Segal, 2018-10-16 The Dead Sea Scrolls offer a window onto the rich theological landscape of Judaism in the Second Temple period Through careful textual analysis the

authors of these twelve studies explore such topics as dualism and determinism esoteric knowledge eschatology and covenant the nature of heaven and or the divine moral agency and more as well as connections between concepts expressed in the Qumran corpus and in later Jewish and Christian literature The religious worldviews reflected in the Scrolls constitute part of the ideological environment of Second Temple Judaism the analysis of these texts is essential for the reconstruction of that milieu Taken together these studies indicate the breadth and depth of theological reflection in the Second Temple period

**Textual Evolution and Growth of the Enochic Theophany in the Book of the Watchers 1:1-9** Alexander McCarron, 2024-12-30 The Enochic Theophany in the Book of the Watchers 1:1-9 evolved and grew as it was translated into and transmitted in new and changing socio linguistic and socio religious contexts This study explores how the Enochic theophany evolved in its Aramaic Greek Ethiopic and Latin versions and focuses on the hermeneutical and text critical implications of these features of textual evolution and growth These features reveal how the text was read interpreted and re signified as it was translated and transmitted This study proposes a holistic methodology for exploring textual evolution and growth in fragmentary texts and in fragmentary textual traditions and for understanding the Enochic theophany as a participant in an ongoing Theophanic and Enochic Noahic discourse
