Essa, 2025-01-07 Start your journey to make a difference in the lives of young children and their families with Introduction to Early Childhood Education Ninth Edition This text provides current and future educators with a highly readable comprehensive overview of the field The underlying philosophy of the book is that early childhood educators most important task is to connect with young children and provide a program that supports their learning and development With intentional weaving of the aims of equity diversity inclusion and belonging throughout authors Melissa M Burnham and Eva L Essa provide valuable insight by strategically dividing the book into six sections that answer the What Who Why Where and How of early childhood education Aligning with the latest NAEYC National Association for the Education of Young Children position statements including the Professional Standards and Competencies for Early Childhood Educators this supportive text provides students with the skills theories and practices needed to succeed and thrive as early childhood educators

The Induction of Early Childhood Educators

Laura K. Doan, 2024-01-11 The Induction of Early Childhood Educators presents new strategies for reducing the number of educators who are leaving the field within the first five years of work Based on new research carried out with beginning early childhood educators in British Columbia Canada Laura K Doan proposes a set of new best practices in mentoring and inducting novice early childhood educators The book offers a clear insight into the needs identity challenges joys frustrations

isolation triumphs and support that all new educators face The chapters cover a range of theoretical approaches such as communities of practice teacher efficacy adult learning theory and professional identity development and show how these can be applied to mentoring observations feedback and continuing professional development While the primary research was carried out in the Canadian context Doan shows how best practice can be applied elsewhere with examples from around the world

The Routledge Reader in Early Childhood Education Elizabeth Wood,2020-09-10 Early childhood education has always provoked passionate feelings amongst stakeholders at all levels from practitioners working with children and families in pre school and school settings to advisers managers politicians and academics The purpose of this reader is to examine change transformation and continuity and to present indicative scholarship in relation to five key themes theoretical perspectives on learning curriculum and pedagogy play policy professionalism and research methods Within each theme the readings have been chosen to exemplify national and international perspectives and trends This is not to present a homogenised view of early childhood provision and services across cultural contexts rather the intention is to take a critical perspective on past present and future directions and to identify some of the challenges dilemmas and contradictions posed in research and scholarship

Professionalism in Early Childhood Education and Care Carmen Dalli,Mathias Urban,2013-09-13 The professionalism of the early childhood sector has gained prominence on the policy agendas of many countries National pedagogical frameworks or curricula and an upsurge of pathways to gaining or upgrading qualifications has led to a pervasive terminology of professionalism Yet despite the pervasiveness of this terminology the question of what professionalism means in early years contexts remains open to debate This book draws together the work of an international group of scholars who have engaged with this question They ask How can professionalism be conceptualised in early childhood settings How might one act professionally in increasingly diverse and changing social and cultural contexts Do we have a common ground of understanding about these terms Are there key concepts that can be agreed upon Drawing on research and experience across a wide range of national contexts this book seeks an understanding of early childhood professionalism in local contexts that might throw light on the global implications of this term This book was published as a special issue in the European Early Childhood Education Research Journal

Assessment and Documentation in Early Childhood Education Maarit Alasuutari,Ann-Marie Markström,Ann-Christine Vallberg-Roth,2014-01-21 Documentation in early childhood education is typically seen as a means to enhance the quality of care and education and as a way to take account of the child s view Assessment and Documentation in Early Childhood Education considers the increasing trend towards systematic child documentation especially in early childhood institutions The authors present ways in which assessment and evaluation is done sometimes explicitly but more often implicitly in these practices and explore its means aims forms and functions They also examine the rationalities of child documentation from the perspective of professional practice and professionalism and suggest that documentation and assessment practices can weaken and constrain but also

empower and strengthen teachers children and parents Topics explored include Different forms of documentation and assessment Documentation and listening to the children Dilemmas of assessment and documentation Participation by children Involvement of parents This timely book will be appealing for those studying in the field of early childhood education teacher education special education general education social work counselling psychology sociology childhood studies and family studies *Inspirational Quotes, Notes, & Anecdotes That Honor Teachers and Teaching* Robert D.
