Undaunted Joy Shemaiah Gonzalez, 2025-04-22 Does joy just seem too difficult to come by these days Does it seem irresponsible or naive Maybe you don't feel like you can be joyful don't know how to or don't deserve to In this collection of short essays on defiant joy Shemaiah Gonzalez reflects on how she gradually learned to see joy not as an indulgence but as a necessity a way of life and the fruit of faith But her journey to joy was long It had been so absent throughout much of her life that it felt foreign at first Through her own stories Gonzalez discovers along with you how joy is the fruit of knowing God Like God once you start looking for joy you might start finding it everywhere Like God sometimes it initially feels unsafe Perhaps these stories of finding joy in laundry and Van Gogh's paintings of sunflowers in daydreaming and even in the darkest of places will allow you to see life anew Perhaps you will like me no longer wait for the big things to happen but will find there is abundance today Each day holds joy in the mundane and the magnificent we just need to learn to see Over the course of these 37 essays Gonzalez vulnerable and lively will draw you into a new way of seeing that will revolutionize your everyday It's time to claim God's goodness and share it with abandon not in spite of the brokenness of the world but because of it It's time to live joyously

Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us

A Beautiful Disaster Marlena Graves,2014-06-10 Interweaving biblical insights and personal narratives this eloquently written book shows how God often uses suffering and desert experiences to form us into Christ s image Marlena Graves shares her experiences of growing up poor in a house plagued by mental illness as a means to explore the forces God uses to shape us into beautiful people in the midst of brokenness This book offers a window into suffering through the motif of desert spirituality revealing how God can use our painful experiences to show himself faithful While no one welcomes suffering God often uses desert experiences those we initially despise and wouldn t wish on anyone to transform us into beautiful souls who better resemble Jesus Graves shows how God can bring life out of circumstances reeking of death and destruction whether those circumstances are crises or daily doses of quiet desperation Readers who have experienced suffering and question God s purpose for it will benefit from this book as will counselors pastors professors and mentors It includes a foreword by John Ortberg and Laura Ortberg Turner My Burden Is Light Sue Magrath,2019-10-04 Being a clergyperson can be stressful mentally physically emotionally spiritually and relationally From pressure to grow their congregations to unrealistic expectations from church members to poorly defined guidelines about working hours or tasks new pastors sometimes flounder Even experienced pastors can get caught off guard by deep seated dysfunction in their congregations or other circumstances that trigger psychological issues from their past This book helps pastors explore the situations that make them vulnerable to burn out misconduct spiritual dryness health issues depression and more Through real life stories pragmatic advice and psychological and spiritual wisdom the author will show readers how to practice good self care while maintaining effectiveness and reignite the energy and passion that first fueled their call to ordained ministry She Who Imagines Laurie Cassidy, Maureen H. O'Connell,2012-11-01 The idea and ideal of beauty has been used to oppress women of different ages body types skin color and physical ability The theoretical discussion of aesthetics has also been conditioned by these same dynamics of power and oppression In *She Who Imagines* a diverse set of scholars challenges the exclusion and false definitions while constructing capacious ideas that discover beauty in unexpected places In these essays the authors draw on a variety of arts media painting photography portraiture craftwork poetry and hip hop music thereby joining beauty to truth
