## **Race Class Community In Southern Labo:**

**Race, Class, and Community in Southern Labor History** Gary M. Fink, Merl E. Reed, 2003 As evidence by the quality of these essays the field of southern labor history has come into its own      **A Companion to the American South** John B. Boles, 2008-04-15 A Companion to the American South surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns      **Labor in the Modern South** Glenn T. Eskew, 2001 Embracing but moving beyond the traditional concerns of labor history these nine original essays give a voice to workers underrepresented in the scholarship on labor in the twentieth century South Covering locales as diverse as Atlanta Richmond Tampa and Houston the essays encompass issues related to the specialized jobs of building ships and airplanes in the defense industries of World War II and to the unskilled work of oyster shuckers and cigar tobacco stemmers Heeding issues of race gender and class in labor history Labor in the Modern South includes an analysis of how young female workers spent their wages and an account of how purported underground unions of domestic workers fed white anxieties about the loosening hold of Jim Crow Additional materials include an interview with and an afterword by Gary Fink one of the foremost senior scholars in American labor history Filled with new insights into southerners concerns about workplace safety access to training job mobility and worker solidarity these essays offer a sophisticated and inclusive interpretation of twentieth century labor      **Southern Labor in Transition, 1940-1995** Robert H. Zieger, 1997 A collection of original essays based on oral history and archival research this volume illuminates diverse aspects of southern workers experience in the modern era Included here are essays on agricultural workers teachers and fire fighters as well as pieces on air transport paper manufacturing and aircraft production Other topics include workers organizations that fall outside the traditional labor movement and the role of cotton textile workers in the recent history of southern labor relations Themes involving race the varieties of union representation and labor s impact on southern politics are especially prominent throughout this collection      **Life and Labor in the New New South** Robert H. Zieger, 2012-03-18 This collection of essays explores the dynamic new face of Southern labour since 1950 examining such topics as southern deindustrialisation union activism in the healthcare industry labour community coalitions the politics of southern anti unionism and immigrant labour in southern agriculture      *State-making and Labor Movements* Gerald Friedman, 1998 This study of the evolution of labour movements in the US and France from 1876 to 1914 illuminates the turn to syndicalism in France and craft unionism in the USA and the impact each form of unionization had on the shaping of the French and the US states      **African Americans, Labor, and Society** Patrick L. Mason, 2001 Over the past twenty five years union participation has declined among the nation as whole Coupled with increasing racial tensions cutbacks in public

programs at the federal state and local levels and a shift in the distribution of wealth these changes have undermined the standard of living for American workers families especially African American families as they created greater wealth for the American elite African Americans Labor and Society examines these changes in particular their effects on the entire African American community and suggests a move toward a more egalitarian future This collection of essays written by legal scholars professional organizers and economists suggests integrating civil rights and labor laws to strengthen both anti discrimination and union organizing efforts The volume demonstrates the negative effects for union workers of arbitration agreements that undermine civil rights legislation in the workplace It also provides a detailed case study of the nature and extent of racial conflict within a major industrial union and analyzes and suggests policy changes that would increase the political and economic power of American workers as a whole while aggressively attacking racism in social economic and political institutions African Americans Labor and Society presents strategies for creating better opportunities for African Americans through private sector employment that will appeal to legal union and labor students and scholars as well as economists

**Southern Labor and Black Civil Rights** Michael K. Honey,1993-03 This book chronicles the rarely studied southern industrial union movement from the Great Depression to the cold war using the strategically located river city of Memphis as a case study Honey analyzes the economic basis of segregation and the denial of fundamental human rights and civil liberties it entailed

**The Human Tradition in American Labor History** Eric Arnesen,2004 Assembles biographical stories of famous leaders and unknown activists covering the 18th century up to 1970 Relates to enslaved artisans interracial unionism immigration Jewish radicalism and gender the New Black Politics reverse migration in World War II the United Farm Workers Union etc

**Racism in Contemporary America** Meyer Weinberg,1996-05-23 Racism in Contemporary America is the largest and most up to date bibliography available on current research on the topic It has been compiled by award winning researcher Meyer Weinberg who has spent many years writing and researching contemporary and historical aspects of racism Almost 15 000 entries to books articles dissertations and other materials are organized under 87 subject headings In addition there are author and ethnic racial indexes Several aids help the researcher access the materials included In addition to the subject organization of the bibliography entries are annotated whenever the title is not self explanatory An author index is followed by an ethnic racial index which makes it convenient to follow a single group through any or all the subject headings This is a source book for the serious study of America s most enduring problem as such it will be of value to students and researchers at all levels and in most disciplines

*United Apart* Ileen A. DeVault,2004 Strike The Knights of Labor The American Federation of Labor Ethnicity race and strikes Strikes in the industrial periphery Family ties Industrial unions in the AFL Conclusion

*Public Workers in Service of America* Frederick W. Gooding Jr.,Eric S. Yellin,2023-08-15 From white collar executives to mail carriers public workers meet the needs of the entire nation Frederick W Gooding Jr and Eric S Yellin edit a collection of new research on this understudied workforce Part One begins in the late

nineteenth and early twentieth century to explore how questions of race class and gender shaped public workers their workplaces and their place in American democracy In Part Two essayists examine race and gender discrimination while revealing the subtle contemporary forms of marginalization that keep Black men and Black and white women underpaid and overlooked for promotion The historic labor actions detailed in Part Three illuminate how city employees organized not only for better pay and working conditions but to seek recognition from city officials the public and the national labor movement Part Four focuses on nurses and teachers to address the thorny question of whether certain groups deserve premium pay for their irreplaceable work and sacrifices or if serving the greater good is a reward unto itself Contributors Eileen Boris Cathleen D Cahill Frederick W Gooding Jr William P Jones Francis Ryan Jon Shelton Joseph E Slater Katherine Turk Eric S Yellin and Amy Zanoni

**Battling for American Labor** Howard Kimeldorf, 1999-12 This riveting nuanced book takes seriously the workplace radicalism of many early twentieth century American workers The restriction of working class militancy to the workplace it shows was no mere economism Organizational rather than psychological in orientation Battling For American Labor accounts for both the early preference of dockworkers in Philadelphia and hotel and restaurant workers in New York for the IWW rather than the AFL and for the reversal of this choice in the 1920s In so doing it points the way to a fresh reading of American labor history Ira Katznelson Columbia University Howard Kimeldorf's book based on sound and solid historical research in archives newspapers journals memoirs and oral histories argues that workers in the United States regardless of their precise union affiliation harbored syndicalist tendencies which manifested themselves in direct action on the job Because Kimeldorf's book reinterprets much of the history of the labor movement in the United States it will surely generate much controversy among scholars and capture the attention of readers Melvyn Dubofsky Binghamton University SUNY Howard Kimeldorf's new book is a very exciting accomplishment This book will surely leave a major imprint on labor history and the sociology of labor Kimeldorf's focus on repertoires of collective action and practice instead of ideology is a particularly important contribution one that will force students of labor to rethink many worn out arguments After reading Battling For American Labor one will no longer be able to assume the IWW's defeat was inevitable or take seriously psychological theories of worker consciousness David Wellman author of The Union Makes Us Strong

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

**Hard Labor and Hard Time** Vivien M.L. Miller, 2012-06-24 Hard Labor and Hard Time is a history of continuity and change in Florida's state prison system between 1910 and 1957 exploring conditions at the state prison farm at Raiford the third largest prison farm in the South at this time as well as in the chain gangs and road prisons Vivien Miller examines the experiences of the prisoners as well as the guards and other prison personnel in this comprehensive groundbreaking study She demonstrates that despite progressive changes

in the treatment of inmates better diet better structuring of work and leisure activities better medical provision and the like these improvements were matched by continued brutality and mistreatment unequal or discriminatory treatment according to race and or gender and neglect     **Making the World Safe for Workers** Elizabeth McKillen,2013-10-30 In this intellectually ambitious study Elizabeth McKillen explores the significance of Wilsonian internationalism for workers and the influence of American labor in both shaping and undermining the foreign policies and war mobilization efforts of Woodrow Wilson s administration McKillen highlights the major fault lines and conflicts that emerged within labor circles as Wilson pursued his agenda in the context of Mexican and European revolutions World War I and the Versailles Peace Conference As McKillen shows the choice to collaborate with or resist U S foreign policy remained an important one for labor throughout the twentieth century In fact it continues to resonate today in debates over the global economy wars in Iraq and Afghanistan and the impact of U S policies on workers at home and abroad     **The Great Strikes of 1877** David O. Stowell,2024-03-18 A spectacular example of collective protest the Great Strike of 1877 actually a sequence of related actions was America s first national strike and the first major strike against the railroad industry In some places non railroad workers also abandoned city businesses creating one of the nation s first general strikes Mobilizing hundreds of thousands of workers the Great Strikes of 1877 transformed the nation s political landscape shifting the primary political focus from Reconstruction to labor capital and the changing role of the state Probing essays by distinguished historians explore the social political regional and ethnic landscape of the Great Strikes of 1877 long term effects on state militias and national guard units ethnic and class characterization of strikers pictorial representations of poor laborers in the press organizational strategies employed by railroad workers participation by blacks violence against Chinese immigrants and the developing tension between capitalism and racial equality in the United States Contributors Joshua Brown Steven J Hoffman Michael Kazin David Miller Richard Schneirov David O Stowell and Shelton Stromquist     **On the Ground** Liesl Miller Orenic,2009 The challenges and successes of unionization at four U S airlines with a focus on baggage handlers     **Shadow of the Racketeer** David Scott Witwer,2009 A detailed account of labor corruption in the 1930s and the zealous journalist who railed against it

**Frontiers of Labor** Greg Patmore,Shelton Stromquist,2018-03-21 Alike in many aspects of their histories Australia and the United States diverge in striking ways when it comes to their working classes labor relations and politics Greg Patmore and Shelton Stromquist curate innovative essays that use transnational and comparative analysis to explore the two nations differences The contributors examine five major areas World War I s impact on labor and socialist movements the history of coerced labor patterns of ethnic and class identification forms of working class collective action and the struggles related to trade union democracy and independent working class politics Throughout many essays highlight how hard won transnational ties allowed Australians and Americans to influence each other s trade union and political cultures Contributors Robin Archer Nikola Balnave James R Barrett Bradley Bowden Verity Burgmann Robert Cherny Peter Clayworth Tom Goyens
