## **Race Crime And Punishment:**

*Race, Crime, and Punishment* Keith O. Lawrence, 2011      **Race, Crime, and Punishment** Delores D. Jones-Brown, 2000  
A thoughtful study goes beyond simple statistics and anecdotal evidence to examine the issue of race in crime and criminal justice  
**Malign Neglect** Michael Tonry, 1995 Tonry focuses on the racial disparities in the criminal justice system especially apparent discrimination toward black males      *Race, Crime, and Justice* Shaun Gabbidon, Helen Taylor Greene, 2013-10-18 A comprehensive collection of the essential writings on race and crime this important Reader spans more than a century and clearly demonstrates the long standing difficulties minorities have faced with the justice system The editors skillfully draw on the classic work of such thinkers as W E B DuBois and Gunnar Myrdal as well as the contemporary work of scholars such as Angela Davis Joan Petersilia John Hagen and Robert Sampson This anthology also covers all of the major topics and issues from policing courts drugs and urban violence to inequality racial profiling and capital punishment This is required reading for courses in criminology and criminal justice legal studies sociology social work and race

**Malign Neglect--race, Crime, and Punishment in America** Michael H. Tonry, 1995 From the acclaimed author of *Between Prison and Probation* comes a blistering attack on this nation's worn out misconceptions about race poverty crime and punishment and a fearless prescription for change a powerful book that provides devastating statistics on the human costs of our current criminal policies      *Race, Crime, and the Law* Randall Kennedy, 2012-02-22 An admirable courageous and meticulously fair and honest book New York Times Book Review in which one of our most important and perceptive writers on race The Washington Post takes on a highly complex issue in a way that no one has before This book should be a standard for all law students Boston Globe In this groundbreaking powerfully reasoned lucid work that is certain to provoke controversy Harvard law professor Randall Kennedy takes on a highly complex issue in a way that no one has before Kennedy uncovers the long standing failure of the justice system to protect blacks from criminals probing allegations that blacks are victimized on a widespread basis by racially discriminatory prosecutions and punishments but he also engages the debate over the wisdom and legality of using racial criteria in jury selection He analyzes the responses of the legal system to accusations that appeals to racial prejudice have rendered trials unfair and examines the idea that under certain circumstances members of one race are statistically more likely to be involved in crime than members of another      **Race, Crime, and Policing in the Jim Crow South** Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement's use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their

encounters with law enforcement Brandon T Jett's *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement's seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the relationship between the police and minorities in the United States

**Radical Critiques of the Law** Stephen M. Griffin, Robert C. L. Moffat, 1997 The past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of American law and the institutions of the liberal state In this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory The authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of American law should take Writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory A third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech Each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views The resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice A common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting Radical Critiques of the Law is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are Proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best

*Hip-hop Revolution* Jeffrey Ogbonna Green Ogbarr, 2007 As hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts

Correction Ben Austen, 2023-11-07 NYT EDITOR S CHOICE WASHINGTON POST BEST NONFICTION OF 2023 Shortlisted for the 2024 Chicago Review of Books Award FROM THE CRITICALLY ACCLAIMED AUTHOR OF HIGH RISERS comes a groundbreaking and honest investigation into the crisis of the American criminal justice system through the lens of parole Perfect for fans of Michelle Alexander s The New Jim Crow and Bryan Stevenson s Just Mercy Correction ranks among the very best books on life inside and outside of prison I have ever read Matthew Desmond Pulitzer Prize winning author of Evicted Correction provides a revelatory lens for examining mass incarceration The Washington Post A Most Anticipated Book of 2023 Chicago Review of Books The Chicago Tribune The Next Big Idea Club The United States alone locks up a quarter of the world s incarcerated people And yet apart

from cliché's paying a debt to society you do the crime you do the time there is little sense collectively in America what constitutes retribution or atonement We don't actually know why we punish Ben Austen's powerful exploration offers a behind the scenes look at the process of parole Told through the portraits of two men imprisoned for murder and the parole board that holds their freedom in the balance Austen's unflinching storytelling forces us to reckon with some of the most profound questions underlying the country's values around crime and punishment What must someone who commits a terrible act do to get a second chance What does incarceration seek to accomplish An illuminating work of narrative nonfiction *Correction* challenges us to consider for ourselves why and who we punish and how we might find a way out of an era of mass imprisonment

*Race, Gender, and Punishment* Mary Bosworth, Jeanne Flavin, 2007 In this book Mary Bosworth and Jeanne Flavin bring together twelve original essays by prominent scholars to examine not only the discrimination that is evident but also the structural and cultural forces that have influenced and continue to perpetuate the current situation Contributors point to four major factors that have impacted public sentiment and criminal justice policy colonialism slavery immigration and globalization In doing so they reveal how practices of punishment not only need particular ideas about race to exist but they also legitimate them

*From Social Justice to Criminal Justice* William C. Heffernan, John Kleinig, 2000 The contributors including well known legal and political philosophers Philip Pettit George Fletcher and Jeremy Waldron draw from a broad ideological spectrum to offer comprehensive coverage of these pressing issues Making a vital contribution to the normative debate over the social and criminal justice nexus *From Social Justice to Criminal Justice* will prove provocative reading for students and scholars of philosophy criminal justice and criminology

**BOOK JACKET**

**Caught** Marie Gottschalk, 2016-02-16 A major reappraisal of crime and punishment in America The huge prison buildup of the past four decades has few defenders yet reforms to reduce the numbers of those incarcerated have been remarkably modest Meanwhile an ever widening carceral state has sprouted in the shadows extending its reach far beyond the prison gate It sunders families and communities and reworks conceptions of democracy rights and citizenship posing a formidable political and social challenge In *Caught* Marie Gottschalk examines why the carceral state remains so tenacious in the United States She analyzes the shortcomings of the two dominant penal reform strategies one focused on addressing racial disparities the other on seeking bipartisan race neutral solutions centered on reentry justice reinvestment and reducing recidivism With a new preface evaluating the effectiveness of recent proposals to reform mass incarceration *Caught* offers a bracing appraisal of the politics of penal reform
