

RACE, POWER, AND POLITICAL EMERGENCE IN MEMPHIS

SHARON D. WRIGHT

Race Power Political Emergence In Memp

Brandon T. Jett

Race Power Political Emergence In Memp:

Race, Power, and Political Emergence in Memphis Sharon D. Wright, 2003-09-02 This book is the most comprehensive case study of the city's political scene written to date. The text primarily shows that white racism is not the only obstacle to black political development.

Race, Power, and Political Emergence in Memphis Sharon D. Wright, 2003-09-02 Race Power and Political Emergence in Memphis examines black political behavior and empowerment strategies in the city of Memphis. Each chapter of the text focuses on three themes: mobilization, emergence, and incorporation. By analyzing the effects of race on black political development in Memphis, scholars will be able to examine broader questions about its effects in other cities. How do political machines use substantial black electorates to their advantage? What forms of protest do black communities conduct to rebel against machine rule? What primary mobilization tactics have black citizens used during the different periods of their political development? Why do blacks mobilize more quickly in some cities? In cities with large and predominantly black populations, what elements prevent black candidates from winning citywide races? What constraints do newly elected black mayors face? What benefits do black citizens gain from their representation? After a predominantly black governing coalition is elected, what obstacles remain? Can black citizens translate proportional representation into strong political incorporation? How much power can African Americans realistically expect to gain in cities? This book is the most comprehensive case study of the city's political scene written to date. The text primarily shows that white racism is not the only obstacle to black political development. Black citizens can have population majorities but lose elections for other reasons. Their ability to win elections and gain full incorporation depends heavily on whether they minimize internal conflict and establish coalitions with middle class citizens and the business establishment.

Crusades for Freedom G. Wayne Dowdy, 2010-02-09 During the first half of the twentieth century, the city of Memphis was governed by the Shelby County Democratic Party controlled by Edward Hull Crump, described by Time magazine as the most absolute political boss in the US. Crusades for Freedom chronicles the demise of the Crump political machine and the corresponding rise to power of the South's two minorities: African Americans and Republicans. Between the years 1948 and 1968, Memphis emerged as a battleground in the struggle to create a strong two-party South. For the first time in its history, both Republican and Democratic presidential candidates campaigned vigorously for the Bluff City's votes. Closely tied to these changing political fortunes was the struggle of African Americans to overturn two centuries of discrimination. At the same time, many believed that the city needed a more modern political structure to meet the challenges of the 1950s and 1960s, preferably a mayor-city council governmental structure. By 1968, the segregated social order had collapsed. Black politicians were firmly entrenched within the Democratic Party; southern whites had swelled the ranks of the GOP, and Memphis had adopted a new city charter.

Saints in the Struggle Jonathan Chism, 2019-01-14 Mason Temple, the headquarters of the Church of God in Christ (COGIC), looms large in the history of the Civil Rights Movement because of its connection to the late Reverend Dr.

Martin Luther King Jr who delivered his last sermon there during the Sanitation Workers Strike on April 3 1968 This book highlights the unsung contributions local activists from the COGIC made to the historic strike and to the broader civil rights struggle in Memphis It troubles the rigid otherworldly versus this worldly binary that has inaccurately framed black religious activism and bolstered the view that saints theology influenced their detachment from the civil rights struggle It explores the Memphis Movement from the angle of activist saints and describes their involvements in civil rights organizations such as the Ministers and Citizens League the Memphis Branch of the NAACP and the Community on the Move for Equality Ultimately analysis of Memphis saints activism reveals local grassroots activists vigorous commitment to working to galvanize and mobilize black pastors and churches to work collaboratively to advance the freedom struggle including through coordinating voter registration drives aiding desegregation efforts and assisting sanitation workers in their struggle for economic justice This work provides a historical blueprint and a source of inspiration for fostering collective activism among denominationally diverse black churches in the 21st century The Expanding Boundaries of Black Politics Georgia A. Persons, 2017-09-04 This volume joins the preceding volumes in this distinguished series in presenting contemporary research by leading political scientists addressing topics of interest to those concerned with African American affairs It captures the expanding boundaries of black politics and the persistent interests of the black community at large The anchoring symposium The Expanding Boundaries of Black Politics presents the scholarship of a cadre of young black political scientists actively engaged in the critical tasks of moving forward the study of black politics Their concerns include expanding the boundaries of black politics along the lines of epistemology and methodology especially in regard to core issues and areas within this field In an introductory essay by Todd Shaw the work of these scholars is situated within the context of temporal shifts in scholarly emphases Overlapping issues and concerns across time as well as black political scholarship as defined in the field since its beginning are addressed The second part of this volume entitled Maximizing the Black Vote Recognizing the Limits of Electoral Politics concentrates on serious lingering social concerns These include the policy significance of black mayors affecting the concomitant impact of the black vote the boundaries being pushed concerning the conjunction of black theology and sexual identity a gendered analysis of familial policies and the deepening social and economic plight of young black males including felon disfranchisement The Expanding Boundaries of Black Politics carries forth the search for an understanding of the relationship between religion the black church and black political behavior cross racial group coalitions as concerns matters of immigration growing multiculturalism and the impact on black politics maximizing the impact of the black vote focusing on voting rights enforcement the black vote in presidential elections and the voice of the Congressional Black Caucus Robert R. Church Jr. and the African American Political Struggle Darius J. Young, 2022-04-12 Southern Conference on African American Studies Inc C Calvin Smith Book Award This volume highlights the little known story of Robert R Church Jr the most prominent black Republican of the 1920s and 1930s Tracing Church s lifelong crusade to make

race an important part of the national political conversation Darius Young reveals how Church was critical to the formative years of the civil rights struggle A member of the black elite in Memphis Tennessee Church was a banker political mobilizer and civil rights advocate who worked to create opportunities for the black community despite the notorious Democrat E H Boss Crump s hold over Memphis politics Spurred by the belief that the vote was the most pragmatic path to full citizenship in the United States Church founded the Lincoln League of America which advocated for the interests of black voters in over thirty states He was instrumental in establishing the NAACP throughout the South as it investigated various incidents of racial violence in the Mississippi Delta At the height of his influence Church served as an advisor for Presidents Harding and Coolidge generating greater participation of and recognition for African Americans in the Republican Party Church s life and career offer a window into the incremental behind the scenes victories of black voters and leaders during the Jim Crow era that set the foundation for the more nationally visible civil rights movement to follow Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

Race, Crime, and Policing in the Jim Crow South Brandon T. Jett, 2021-07-07 Winner of the Florida Book Award general nonfiction category Throughout the Jim Crow era southern police departments played a vital role in the maintenance of white supremacy Police targeted African Americans through an array of actions including violent interactions unjust arrests and the enforcement of segregation laws and customs Scholars have devoted much attention to law enforcement s use of aggression and brutality as a means of maintaining African American subordination While these interpretations are vital to the broader understanding of police and minority relations Black citizens have often come off as powerless in their encounters with law enforcement Brandon T Jett s *Race Crime and Policing in the Jim Crow South* by contrast reveals previously unrecognized efforts by African Americans to use manage and exploit policing In the process Jett exposes a much more complex relationship suggesting that while violence or the threat of violence shaped police and minority relations it did not define all interactions Black residents of southern cities repeatedly complained about violent policing strategies and law enforcement s seeming lack of interest in crimes committed against African Americans These criticisms notwithstanding Blacks also voiced a desire for the police to become more involved in their communities to reduce the seemingly intractable problem of crime much of which resulted from racial discrimination and other structural factors related to Jim Crow Although the actions of the police were problematic African Americans nonetheless believed that law enforcement could play a role in reducing crime in their communities During the first half of the twentieth century Black citizens repeatedly demanded better policing and engaged in behaviors designed to extract services from law enforcement officers in Black neighborhoods as part of a broader strategy to make their communities safer By examining the myriad ways in which African Americans influenced the police to serve the interests of the Black community Jett adds a new layer to our understanding of race relations in the urban South in the Jim Crow era and contributes to current debates around the

relationship between the police and minorities in the United States **The Memphis Red Sox** Keith B. Wood, 2024-06-05
This book examines Memphis's symbolic meaning and value as a Negro leagues baseball city during Jim Crow. It locates the main intersections between black professional baseball and the South in the four decades that spanned the modern Negro leagues era and analyzes the racial dynamics in the city through the lens of the Memphis Red Sox, a black owned and operated organization that stood as a pillar of success. Baseball also provides a way to examine the racial inequalities and issues that pervaded the city in those years. A black owned stadium served as a forum for political assertion and an arena for real political struggle for blacks in Memphis. *Politics in the New South* Charles E. Menifield, Stephen D.

Shaffer, 2012-02-01 Winner of the 2006 V O Key Award presented by the Southern Political Science Association. This authoritative study of contemporary state legislatures in the South provides a fascinating account of how African Americans have achieved noticeable political power since the Voting Rights Act was passed in 1965. A history of racial discrimination and one party Democratic dominance is being supplanted by African American empowerment in a competitive two party system. Contributors examine the evolution of the Black Caucus, the growing number of African American lawmakers and the rise of black legislators to important leadership positions in the legislatures of each of the southern states. Roll call data on key votes from several legislative sessions in Arkansas, Florida, Georgia, Mississippi and Texas are analyzed. **You Must Be from the North** Kimberly K. Little, 2009-10-20. You must be from the North was a common derogatory reaction to the activities of white women throughout the South, well meaning wives and mothers who joined together to improve schools or local sanitation but found their efforts decried as more troublesome civil rights agitation. You Must Be from the North: Southern White Women in the Memphis Civil Rights Movement focuses on a generation of white women in Memphis, Tennessee born between the two World Wars and typically omitted from the history of the civil rights movement. The women for the most part did not jeopardize their lives by participating alongside black activists in sit ins and freedom rides. Instead they began their journey into civil rights activism as a result of their commitment to traditional female roles through such organizations as the Junior League. What originated as a way to do charitable work however evolved into more substantive political action. While involvement with groups devoted to feeding school children and expanding Bible study sessions seemed benign, these white women's growing awareness of racial disparities in Memphis and elsewhere caused them to question the South's hierarchies in ways many of their peers did not. Ultimately they found themselves challenging segregation more directly, found themselves ostracized as a result and discovered they were often distrusted by a justifiably suspicious black community. Their newly discovered commitment to civil rights contributed to the success of the city's sanitation workers strike of 1968. Dr. Martin Luther King Jr.'s death during the strike resonated so deeply that for many of these women it became a defining moment. In the long term these women proved to be a persistent and progressive influence upon the attitudes of the white population of Memphis and particularly on the city's elite. *Race and Ethnicity in Comparative*

Perspective Georgia A. Persons, 2018-04-24 Contradictory forces are at play at the close of the twentieth century There is a growing closeness of peoples fueled by old and new technologies of modern aviation digital based communications new patterns of trade and commerce and growing affluence of significant portions of the world's population Television permits individuals around the world to learn about the cultures and lifestyles of peoples of physically distant lands These developments give real meaning to the notion of a global village Peoples of the world are growing closer in new and increasingly important ways Nonetheless there are disturbing signs of a growing awareness of ethnic differences in all parts of the world the United States included and a concomitant rise in ethnic based conflicts many of them extraordinarily violent in nature Fear resentment intolerance and mistreatment of the other abound in world news accounts Not only does this phenomenon pose an interesting juxtaposition to the concept of the emergent global village but its emergence in the post cold war era internationally and the post civil rights era in the United States raises significant and compelling questions Why are such conflicts occurring now How do analysts explain these developments The essays in *Race and Ethnicity in Comparative Perspective* lucidly explore some of the complexities of the persistence and re emergence of race and ethnicity as major lines of divisiveness around the world Contributors analyze manifestations of race based movements for political empowerment in Europe and Latin America as well as racial intolerance in these same settings Attention is also given to the conceptual complexities of multidimensional and shared cultural roots of the overlapping phenomena of ethnicity nationalism identity and ideology The book greatly informs discussions of race and ethnicity in the international context and provides an interesting perspective against which to view America's changing problem of race *Race and Ethnicity in Comparative Perspective* is a timely thought provoking volume that will be of immense value to ethnic studies specialists African American studies scholars political scientists historians and sociologists

Beyond Racial Capitalism Caroline Shenaz Hossein, Sharon D. Wright Austin, Kevin Edmonds, 2023 Knowledge making in the field of alternative economies has limited the inclusion of Black and racialized people's experience In *Beyond Racial Capitalism* the goal is close that gap in development through a detailed analysis of cases in about a dozen countries where Black people live and turn to co operatives to manage systemic exclusion Most cases focus on how people use group methodology for social finance However financing is not the sole objective for many of the Black people who engage in collective business forms it is about the collective and the making of a Black social economy Systemic racism and anti Black exclusion create an environment where pooling resources in kind and money becomes a way to cope and to resist an oppressive system This book examines co operatives in the context of racial capitalism a concept of political scientist Cedric J Robinson's that has meaning for the African diaspora who must navigate often secretly and in groups the landmines in business and society Understanding business exclusion in the various cases enables appreciation of the civic contributions carried out by excluded racial minorities These social innovations by Black people living outside of Africa who build co operative economies go largely

unnoticed If they are noted they are demoted to an informal activity and rationalized as having limited potential to bring about social change The sheer determination of Black diaspora people to organize and build co operatives that are explicitly anti racist and rooted in mutual aid and the collective is an important lesson in making business ethical and inclusive The Postmodern Presidency Steven E. Schier,2012-02-15 Choice Outstanding Academic Book As America s first truly postmodern president Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics Clinton will forever be remembered as the first elected president to be impeached but will his tarnished legacy have lasting effects on America s political system Including the conflict in Kosovo the World Trade Organization meeting in Seattle and new developments in the 2000 presidential campaign The Postmodern Presidency is the most comprehensive and current assessment of Bill Clinton s presidency available in print The Postmodern Presidency examines Clinton s role in redefining the institution of the presidency and his affect on future presidents economic and foreign policies The contributors highlight the president s unprecedented courtship of public opinion how polls affected policy how the president gained celebrity status how Clinton s postmodern style of public presidency helped him survive the 1994 elections and impeachment and how all of this might impact future presidents This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress with long term implications and costs to both Republicans and his own Democratic party while analyzing Clinton s effect on the 1990s culture wars the politics and importance of gender and the politics and policy of race This text is a must for anyone who studies teaches or has an interest in the American presidency and politics **The Barack Obama Presidency** J. Davis,2011-11-07 Exploring the promise and peril associated with the opening two years of the presidency of Barack Obama this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda his use of executive power and the burgeoning disillusionment within the African American community Black Politics in Transition Candis Watts Smith,Christina Greer,2018-10-17 Black Politics in Transition considers the impact of three transformative forces immigration suburbanization and gentrification on Black politics today Demographic changes resulting from immigration and ethnic blending are dramatically affecting the character and identity of Black populations throughout the US Black Americans are becoming more ethnically diverse at the same time that they are sharing space with newcomers from near and far In addition the movement of Black populations out of the cities to which they migrated a generation ago a reverse migration to the American South in some cases and in other cases a movement from cities to suburbs shifts the locus of Black politics At the same time middle class and white populations are returning to cities displacing low income Blacks and immigrants alike in a renewal of gentrification All this makes for an important laboratory of discovery among social scientists including the diverse range of authors represented here Drawing on a wide array of disciplinary perspectives and methodological strategies original chapters analyze the geography of opportunity for Black Americans and Black politics in accessible jargon free language Moving beyond the Black white binary this book

explores the tri part relationship among Blacks whites and Latinos as well Some of the most important developments in Black politics are happening at state and local levels today and this book captures that for students scholars and citizens engaged in this dynamic milieu *Grassroots and Coalitions* Michael Mitchell,2017-07-12 The main focus of this volume is an exploration of the patterns of competition for political power at the state and local levels in American politics This volume looks at institutionalized patterns of black political power as they have evolved in the aftermath of the civil rights movement in the 1960s The editors argue that enough time has elapsed to warrant a new look at the circumstances in which black politics in America has played out Chapters include an examination of the ability of black candidates to win statewide elections with crucial white support an analysis of the impact of local political organizations in enhancing the chances of black candidates in winning local races a look at the messages of black pastors regarding solidarity with the Latino community and an investigation of the extent of the differences in the political participatory styles of poor blacks and poor whites The editors note that changes have taken place as black American politics has confronted new complexities A works in progress section explains how theories of racial violence can be used to analyze racial incidents in the United States Other essays include reflections on blacks in Brazil and in urban American politics *Losing Power* Sekou M. Franklin,Ray Block (Jr.),2020 THE DEEP ROOTS OF POLARIZATION IN TENNESSEE Race and Polarization Black Politics in Tennessee from the Antebellum Period to the Twenty First Century REALIGNMENT OF PARTISAN POLITICS IN TENNESSEE Race Electoral Realignment and Polarization The Legislative Behavior of Tennessee s Black Lawmakers RACE AND POLARIZATION IN RECENT TENNESSEE POLITICS THE ISSUES The Racial Politics of Tax and Spending Policies The Rise and Fall of TennCare Immigration and the New Tennesseans Controversies and Conflicts over Sentencing Policies and the Death Penalty

Political Black Girl Magic Sharon D. Wright Austin,Pearl K. Dowe,2023-06-02 Examines the experiences of Black female mayors in the contexts of their campaigns and of their governance seeking to understand how race gender or the combination of both have affected them and to identify the most significant obstacles Black women have faced as mayors and mayoral candidates **Places of Faith** Christopher P. Scheitle,Roger Finke,2012-02-23 Places of Faith will offer an introduction to America s astounding religious diversity by taking readers on a cross country religious road trip Christopher Scheitle and Roger Finke have crisscrossed the country visiting churches in small towns and rural areas as well as the mega churches storefronts synagogues Islamic centers Eastern temples and other places of faith in major cities Each stop on their tour provides an opportunity to introduce a particular current of American religion **Campaign Mode** Michael John Burton,Daniel M. Shea,2003 The pressures of contemporary electioneering force political professionals into campaign mode a state of mind that merges a visceral drive to win elections with a deep seated habit of strategic thinking Wise political professionals know the basic rules of electoral strategy and how to read the political terrain Campaign Mode examines the strategic histories of five successful congressional candidates Ohio s Ted Strickland Georgia s Bob Barr California s Loretta

Sanchez Tennessee's Harold Ford Jr and Pennsylvania's Rick Santorum The authors both of whom have advised major political figures combine original interviews survey data historical investigation and first hand observation of the candidates to reveal the inner workings of electoral politics They demonstrate that campaigns do matter and show readers how to think like political professionals

Race Power Political Emergence In Memp Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Race Power Political Emergence In Memp free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Race Power Political Emergence In Memp free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Race Power Political

Emergence In Memp free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Race Power Political Emergence In Memp. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Race Power Political Emergence In Memp any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Race Power Political Emergence In Memp Books

1. Where can I buy Race Power Political Emergence In Memp books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
