*Rachel Weep No More: How Divine Mercy Heals the Effects of Abortion* Bryan Thatcher, M.D., 2015 The Cry Kristen Maddox, 2015-12-23 One in three women will have an abortion. Forty five percent will have more than one. I am one in three. I am one in forty five percent. I am not alone. I was sixteen years old when the cry began. It was a silent screaming within my soul that I felt sure everyone could hear. I carried the cry for fifteen years before I was able to identify it. It started the day I had my first abortion. A simple outpatient procedure we will remove the mass of tissue. You're young, you have your whole lives ahead of you to have children. You're making the right choice. I believed them. My choice led me down a dark path of self destructive behavior that lasted for ten long years. I was desperate to be free. God, if you can hear me, please help me make it stop. I cried. Jesus heard my cry and healed the aching in my heart. What is post abortion syndrome? Will God heal me after what I did? How can I be free? These were all questions that I had. If you are struggling with a past abortion or if you have been carrying a cry, you are not alone. Whether you have had one abortion or multiple abortions, only He can heal the damage that abortion causes. Jesus sees your pain and longs to heal you. You have a choice to make. You can allow the Lord to heal you or you can continue to carry the cry. *Forgiven and Set Free* Linda Cochrane, 2022-09-06 No matter what influences a woman

to end a pregnancy the physical psychological and spiritual side effects are real and not always anticipated Feelings of guilt shame and grief become a heavy burden and many women feel that they will never be free that no one understands that God will never forgive them But there is hope Linda Cochrane has been there With an understanding spirit and a gentle hand she guides hurting women to bring their emotional scars out of the dark past and into his holy light where true and lasting healing can take place Cochrane delves into the Scriptures to offer help with issues such as relief denial anger forgiveness depression letting go and acceptance For every woman yearning for the peace of God s forgiveness this study can be the first step to healing and wholeness
