Racist & Sexist Quotations Robert Fikes,1992 **Racism** Albert J. Wheeler,2005 Of all mankind's vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature Midwest Unrest Ashley Howard,2025-06-17 In the nation's so called heartland racism is sometimes subtler than in other parts of the country but just as insidious When Black communities across the United States went up in flames in the 1960s Midwest cities where racial inequity was endemic were among those most likely to burn Midwest Unrest explores those rebellions paying particular attention to the ways that region race class and gender all played critical and often overlapping roles in shaping Black people's resistance to racialized oppression Focusing on the uprisings in three midsize midwestern cities Cincinnati Ohio Omaha Nebraska and Milwaukee Wisconsin Ashley Howard argues that urban rebellions were a working class response to the failure of traditional civil rights activism and growing fissures between the Black working and middle classes Utilizing arrest records Kerner Commission documents and author conducted oral history interviews Howard registers the significant impact the rebellions had in transforming the consciousness of African Americans and in altering the relationship between Black urban communities and the state Specifically multiple parties including municipal governments city residents and most importantly rebels wielded urban revolt as a political tool to achieve their own objectives Revealing a new dimension of the Black Freedom Movement Howard moves the understanding of these disturbances from aberrant acts of violence to historically contingent acts of resistance highlighting the coeval nature of organized protests and violent outbursts *Afro-Americana Acquisitions* University of Illinois at Urbana-Champaign. Library. Afro-Americana Unit,1993 *The Color of Words* Philip Herbst,1997 The 851 terms defined include slurs used to disparage nearly every ethnic group in U S society ethnic euphemisms and code words and vogue or disputed terms heard in ongoing multicultural debates In addition to providing known etymology and usage entries explore how meaning varies by social context or circumstance and how it has changed over time Many include brief quotations from recent writings Annotation copyrighted by Book News Inc Portland OR *The Small Press Book Review* ,1991 *Extremism and Radicalization in the Manosphere* Deniese Kennedy-Kollar,2024-06-03 This book presents an analysis of the male supremacist ideology of the internet based subculture known as the manosphere and examines the process of radicalization to violent extremism that occurs within the group The manosphere is the online subculture comprised of several distinct groups who share a basic gender ideology that is misogynistic and anti feminist in the extreme The manosphere celebrates a toxic hegemonic masculinity that encourages sexual violence and portrays violence as an understandable response to a feminized culture that denigrates manhood Evidence has shown that several recent cases of murder mass murder and rape involved offenders who participated in this subculture prior to engaging in their crimes

Through the use of quotes gathered directly from the websites and message boards frequented by individuals within the subculture this book offers an in depth analysis of the ideology of the manosphere and the common attitudes values and beliefs promoted within the various groups that comprise the subculture It will also present a theoretical perspective that may shed light on what draws men to these groups and the processes by which they become radicalized to the far right and violent extremism This book will be of interest to scholars and students in criminology sociology and political science and others interested in examining the manifestation and effects of the manosphere on crime and criminal justice **The**

The Strange Death of Liberal America Ralph Brauer,2006-05-30 Ralph Brauer defines Liberal America as a place where government exists to keep the playing field level The success of the American experiment he argues depends on how well we maintain this equity and its four cornerstones economic justice educational equity voting rights and media fairness His book is both a political and intellectual history examining the various threats to these cornerstones and a social and cultural chronicle Touching on music television movies and sports Brauer s thesis is underscored by a historical discussion that begins with the New Deal and works its way to the present ending with Global Warming and the Iraq War Arguing that the patient is in intensive care Brauer identifies three reasons for the decline of the level playing field 1 a Republican counterrevolution dedicated to rolling back the values of the New Deal 2 an inability of both parties to answer questions raised by decades of Civil Rights revolutions and 3 the transformation of suburban America from a place of opportunity created by government programs to a battleground These three ideas form the basis for the book s three sections Part One follows the development of the Counterrevolutionary Coalition beginning with the Southern Strategy and ending with a chapter on America s politicized media Part Two focuses on questions that have been raised by people of color and by women and treats the Democratic Party s failure to answer those questions as illustrated by events like the Nader LaDuke campaign and the 1964 Atlantic City convention Part Three details the impact of suburban America on the cornerstones

Women in Game of Thrones Valerie Estelle Frankel,2014-04-04 Game of Thrones one of the hottest series on television leaves hundreds of critics divided on how feminist the show really is Certainly the female characters strong and weak embody a variety of archetypes widow queens

warrior women damsels in distress career women priestesses crones mothers and maidens However the problem is that most of them play a single role without nuance even the strong women have little to do besides strut about as one note characters This book analyzes the women and their portrayals one by one along with their historical inspirations Accompanying issues in television studies also appear from the male gaze to depiction of race How these characters are treated in the series and how they treat themselves becomes central as many strip for the pleasure of men or are sacrificed as pawns Some nude scenes or moments of male violence are fetishized and filmed to tantalize while others show the women s trauma and attempt to identify with the scene s female perspective The key is whether the characters break out of their traditional roles and become multidimensional

Negotiating Political Identities Daniel Faas,2016-04-22 Globalization European integration and migration are challenging national identities and changing education across Europe The nation state no longer serves as the sole locus of civic participation and identity formation ceasing to have the influence it once had over the implementation of policies Drawing on rich empirical data from four schools in Germany and Britain this groundbreaking book is the first study of its kind to examine how schools mediate government policies and create distinct educational contexts to shape youth identity negotiation and integration processes Negotiating Political Identities will appeal to educationists sociologists and political scientists whose work concerns issues of migration identity citizenship and ethnicity It will also be an invaluable source of evidence for policymakers and professionals concerned with balancing cultural diversity and social cohesion in such a way as to promote more inclusive citizenship and educational policies in multiethnic multifaith schools

Corpus Approaches to Contemporary British Speech Vaclav Brezina,Robbie Love,Karin Aijmer,2018-05-23 Featuring contributions from an international team of leading and up and coming scholars this innovative volume provides a comprehensive sociolinguistic picture of current spoken British English based on the Spoken BNC2014 a brand new corpus of British speech The book begins with short introductions highlighting the state of the art in three major areas of corpus based sociolinguistics while the remaining chapters feature rigorous analysis of the research outcomes of the project grounded in Spoken BNC2014 data samples highlighting English used in everyday situations in the UK with brief summaries reflecting on the sociolinguistic implications of this research included at the end of each chapter This unique and robust dataset allows this team of researchers the unique opportunity to focus on speaker characteristics such as gender age dialect and socio economic status to examine a range of sociolinguistic dimensions including grammar pragmatics and discourse and to reflect on the major changes that have occurred in British society since the last corpus was compiled in the 1990s This dynamic new contribution to the burgeoning field of corpus based sociolinguistics is key reading for students and scholars in sociolinguistics corpus linguistics pragmatics grammar and British English

What Mattered Most Jerry Speight,2014-12-12 Brandon is the only child of Shelly and Rick Seger a prosperous couple coping with an abundance of material possessions a troubled marriage conflicting career goals and contrasting parenting philosophies Lee Kyle lives with

his older sister and single parent mother Louise Kyle who struggles to provide life's basics for her family. The two boys meet when Louise moves her family into Brandon's Owensboro, Kentucky neighborhood. Although coming from vastly different backgrounds, the two boys are instantly drawn together, finding balance, comfort, and support in a friendship that sustains them in the present and the future. *What Mattered Most* is an adult fiction novel inviting the reader to experience and hopefully identify with the unique and rare relationship of these two young men and their interactions with family, friends, and lovers. The story presents a parallel evolution of their lives as they adapt to parental influences, high school experiences, owning high performance cars, acquiring girlfriends, discovering sexuality, and learning the effects of their choices on their future. The poetry and music of each era is carefully woven into the story to support and enhance the unfolding events and life experiences of the characters.

The Top Books of the Year
Racist Sexist Quotations
Some Of The Most Outrageous Things Ever Said
The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is an exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
