Longman, 2001-09-24 Relationships are a wonderful mysterious often elusive sometimes painful part of the human experience
The most intimate of all human relationships according to the Bible is that between a husband and a wife It is no surprise
therefore that there is a book of the Bible the Song of Songs that focuses on this relationship What is surprising is how little
attention is given to the Song of Songs by scholars by the church and by readers of the Bible With this volume Tremper
Longman III unpacks for modern people what this ancient love poem says about the male female relationship and by analogy
about God's love for his people Longman's superb study begins with a thorough introduction to the Song of Songs and its
background Longman discusses the book's title authorship date literary style language structure cultural milieu and
theological content He also canvasses the long history of interpretation of the Song of Songs a history too often characterized
by repression of the text In the commentary itself Longman structures the Song of Songs according to its twenty three poetic
units and explains its message verse by verse The exposition is made clearer by Longman's adoption of an anthropological
approach to the text and by his frequent comparisons of the Song of Songs with other ancient Near Eastern literature
Learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful Song of
Songs to be a timeless celebration of human love and sexuality AKASHVANI All India Radio (AIR), New Delhi, 1979-02-04
