Reading The American West Primary Sources In American History:

Reading the American West Mitchell Roth, 1999 This anthology is from our Primary Sources in American History series designed to make primary sources widely available in an inexpensive format that encourages analytical thinking The letters diary excerpts speeches interviews and newspaper articles in Reading the American West let students experience what historians really do and how history is written Every document is accompanied by a contextual headnote and study questions and each chapter includes extensive introductions *Explorers of the American West* Jay H. Buckley, Jeffery D. Nokes, 2016-03-28 With original primary source documents this anthology brings readers into the vast unknown 19th century American West through the eyes of the explorers who saw it for the first time This volume brings together book excerpts maps and illustrations from 12 explorers from the 19th century highlighting their lives and contributions Arranged chronologically the 10 chapters focus on individual explorers with biographies and background information about and document excerpts from each person The chapters offer analyses of each document s relevance to the historical period geographic knowledge and cultural perspective This guide shares the important contributions from explorers like Lewis and Clark Zebulon Pike Jedediah Smith James P Beckwourth John C Fremont Susan Magoffin and John Wesley Powell It also nurtures readers historical literacy by modeling historians methods of analyzing primary sources Readers will see new and familiar events from different perspectives including that of a woman traveling along the Santa Fe Trail one of the most famous African American mountain men and a Civil War veteran among many others A Literary History of the American West Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance **Historical Sources on Westward Expansion** Chet'la Seabee, 2019-12-15 Although British colonist William Bradford once called America a hideous and desolate wilderness that type of sentiment did not keep colonists and future Americans from pressing westward to discover new lands new riches and new perils Students will learn about famous and lesser known explorers who traversed the great expanse Through a variety of primary source documents readers will learn how the expansion affected not only the establishment of the country but international relationships and indigenous populations Students gain a fuller understanding of the costs and benefits of Manifest Destiny *Content Area Reading and Learning* Diane Lapp, James Flood, Nancy Farnan, 2016-11-18 How can teachers make content area learning more accessible to their students This text addresses instructional issues and provides a wealth of classroom strategies to help all middle and secondary teachers effectively enable their students to develop both content concepts and strategies for continued learning The goal is to help teachers model through excellent instruction the

importance of lifelong content area learning This working textbook provides students maximum interaction with the information strategies and examples presented in each chapter This book is organized around five themes Content Area Reading An Overview The Teacher and the Text The Students The Instructional Program School Culture and Environment in Middle and High School Classrooms Pedagogical features in each chapter include a graphic organizer a chapter overview Think Before Think While and Think After Reading Activities which are designed to integrate students previous knowledge and experience with their new learnings about issues related to content area reading literacy and learning and to serve as catalysts for thinking and discussions This textbook is intended as a primary text for courses on middle and high school content area literacy and learning

Transdisciplinary Higher Education Paul Gibbs, 2017-05-23 This book is not just about thinking or acting in transdisciplinary ways but about being transdisciplinary To achieve this requires a deconstruction of our current way of acting within the definition of being that others impose upon us Transdisciplinarity is a phenomenological perspective of reality and its manifestation in the world in which we exist The volume develops a widely based transdisciplinary understanding of the issues faced by higher education institutions and those who work within and with these institutions to educate professionals It incorporates international contributions from organisational theory anthropologists historians psychologists social sciences philosophers and practitioners to create a volume that makes an important and distinct contribution to the literature on higher education and professional practice Transdisciplinarity provides one of our greatest challenges in higher education both to the way it is organized and to the nature of the curriculum This book is an important contribution to the debate about its implications Higher education is being challenged by the nature of knowledge and how it is organized the world is transdisciplinary but our institutions are constrained by the disciplines This book contributes to the important debates about the challenges transdisciplinarity provides to our institutions Professor David Boud Emeritus Professor Faculty of Arts and Social Sciences University of Technology Sydney

Doing History Linda S. Levstik, Keith C. Barton, 2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it provides guidance

in using multiple forms of assessment to evaluate the specifically historical aspects of children's learning. Updates to this edition include updated historical and instructional examples to ensure currency, new suggestions for children's literature to support good teaching, expanded attention to teaching about oppressed groups in history, and greater attention to when historical perspective taking is and is not appropriate. *The Publishers Weekly*, 1917. *99 Jumpstarts for Kids' Social Studies Reports* Peggy Whitley, Susan Williams Goodwin, 2007-06-30. Building on the success and maintaining the 99 Jumpstarts format of the two previous books, *99 Jumpstarts for Kids' Social Studies Reports* is divided into broad topical sections. Each topic is arranged in alphabetical order under its section. Topics are all new to this title and include the Ancient World, Historic World Events, State and Local History, US History, Government and Citizenship, Sociology, Culture, and Economics. The book includes the following sections in each Jumpstart: A cited quote about the topic, Related Jumpstarts, New Words, You are There, Topics to Consider, Books, Internet, For the Teacher, and a relevant activity. Each Jumpstart provides a helpful pathfinder that enables students to efficiently access information and learn new information literacy skills as they research topics of personal interest or gather information for school reports. Grades 3-8. *The Girls' History and Culture Reader* Miriam Forman-Brunell, Leslie Paris, 2011. Provides scholars, instructors, and students with the most influential essays that have defined the field of American girls' history and culture and illustrates girls' centrality to major twentieth-century forces such as immigration, labor, feminism, consumerism, and civil rights from cover to cover. *Reading, Thinking, and Writing About History* Chauncey Monte-Sano, Susan De La Paz, Mark Felton, 2014-04-01. This practical guide presents six research-tested historical investigations along with all corresponding teacher materials and tools that have improved the historical thinking and argumentative writing of academically diverse students. *The U.S. Moves West*, 1993.
