Readings In Contemporary Criminological Theory:

Readings in Contemporary Criminological Theory Peter Cordella, Larry J. Siegel, 1996 An anthology of 24 essays on major developments in contemporary criminological theory

Contemporary Criminological Theory Roger Hopkins Burke, 2020-12-30 This book offers a critical introduction to trends and developments in contemporary criminological theory Designed both as a companion to *An Introduction to Criminological Theory* also by Roger Hopkins Burke and published by Routledge and as a standalone advanced textbook it develops themes introduced previously in more detail incorporates new critical and radical concepts and explores cutting edge advances in theory Key topics include the following Constitutive anarchist green and species bio critical cultural abolitionist and convict criminologies Globalization and organized crime Southern theory Critical race theory Terrorism and state violence Gender feminism and masculinity Ultra realism Radical moral communitarianism These key issues are discussed in the context of debates about the fragmentation of modernity and the postmodern condition the rise of political populism risk surveillance and social control and speculation about living in post COVID 19 society and the future of neoliberalism Written in a clear and direct style this book will appeal to both undergraduate and postgraduate students of criminology sociology and politics and is essential reading for advanced students of criminology looking for a way to engage with contemporary themes and concepts in theory

Recent Developments in Criminological Theory Stuart Henry, 2017-07-05 This volume contains recent and cutting edge articles from leading criminological theorists The book is organized into ten sections each representing the latest in the multi disciplinary orientations representing a cross section of contemporary criminological theory These sections include 1 Classical and Rational Choice 2 Biological and Biosocial 3 Psychological 4 Social Learning and Neutralization 5 Social Control 6 Social Ecology Sub cultural and Cultural 7 Anomie and Strain 8 Conflict and Radical 9 Feminist and Gender 10 Critical Criminologies Anarchist Postmodernist Peacemaking The articles were selected based on their contributions to advancing the field including ways in which the authors of each chapter understand the current theoretical tendencies of their respective approaches and how they envision the future of their theories Because of this the articles focus on theory rather than empirical research Of particular note is the tendency toward integration of different perspectives as described by editors Henry and Lukas in their original introduction to this volume

Encyclopedia of Criminological Theory Francis T. Cullen, Pamela Wilcox, 2010-09-23 Consistently excellent The level and coverage of the content make this an invaluable reference for students studying criminology or taking criminal psychology modules at degree level and beyond Adam Tocock Reference Reviews In discussing a criminology topic lecturers and course textbooks often toss out names of theorists or make a sideways reference to a particular theory and move on as if assuming their student audience possesses the necessary background to appreciate and integrate the reference However university reference librarians can tell you this is often far from the case Students often approach them seeking a source to provide a quick overview of a particular theory or theorist

with just the basics the who what where how and why if you will And reference librarians often find it difficult to guide these students to a quick one stop source In response SAGE Reference is publishing the two volume Encyclopedia of Criminological Theory available in both print and electronic formats This serves as a reference source for anyone interested in the roots of contemporary criminological theory Drawing together a team of international scholars it examines the global landscape of all the key theories and the theorists behind them presenting them in the context needed to understand their strengths and weaknesses In addition to interpretations of long established theories it also offers essays on cutting edge research as one might find in a handbook And like an unabridged dictionary it provides concise to the point definitions of key concepts ideas schools and figures Coverage will include contexts and concepts in criminological theory the social construction of crime policy implications of theory diversity and intercultural contexts conflict theory rational choice theories conservative criminology feminist theory

Criminological Theory J. Robert Lilly, Francis T. Cullen, Richard A. Ball, 2007 The Fourth Edition of this highly acclaimed book expands on previous editions with coverage of newly emerged theories and empirical updates supported by a significant amount of new references Criminological Theory provides coverage of the latest theories in the field without diminishing the presentation of classic analysis Major theoretical perspectives that have developed from both recent critical work and traditional schools together with practical applications compel the reader to apply theories to the contemporary social milieu

Criminological Theory Stephen G. Tibbetts, Craig Hemmens, 2009-10-15 This book provides the best of both worlds authored text sections with carefully selected accompanying readings covering criminological theory from past to present and beyond The articles from leading journals in criminology and criminal justice reflect both classic studies and state of the art research Key Features Begins with an introductory chapter that presents a succinct overview of criminological theory and briefly describes the organization and content of the book Features How to Read a Research Article a perfect introduction to understanding how real world research is organized and delivered in the journal literature Includes a mini chapter for each Section with figures and tables that present basic concepts and provide a background for the Readings that follow Provides key terms web resources and thought provoking discussion questions for each Section along with questions for each Reading to help students develop their critical thinking skills Instructor Resources on CD include a test bank PowerPoint slides for each section classroom activities and more A Student study site provides additional articles self study quizzes e flashcards and more

Criminological Theory in Context John Martyn Chamberlain, 2015-01-19 This book provides a lively concise and definitive introduction to the study of the causes of crime Authoritative yet accessible it offers a guide to the historical development of criminology as an academic discipline and in doing so presents an overview of a range of different theories of crime including classical biological psychological and sociological approaches analyses the strengths and weaknesses of each theory discussed provides chapter overview boxes and key summary points helps you to take your studies further with self study tasks and suggestions for further reading In

Transformative Justice John Francis Wozniak, 2008-01-01 **Transformative Justice** illustrates how critical restorative and peacemaking perspectives on crime form the basis of a transformative criminology a call for personal and institutional transformation of crime and justice Transformative criminology is explored in terms of theoretical influences peacemaking and restorative applications and next steps to be taken in this needs based and compassionate orientation toward social life

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice
