

Industrial Accident Prevention Guide

Occupational Safety and Health Education

Occupational safety and health education for workers is an employer's obligation and is categorized into regular training, training upon hiring, training when there are changes in job tasks, and special training.

- Details are provided on the website below.

Safety and Health Education Platform

<https://edu.kosha.or.kr>

Online e-Learning Center

<https://www.safetyedu.net>

Safety and Health Contents

Anyone can easily access and use materials that explain the causes of hazards and safe practices on the website of the Korea Occupational Safety and Health Agency (KOSHA)

- You can also use the 'Media Delivery Service' to receive necessary materials by mail, as well as the 'Online Subscription Service' to receive them by email.
- In addition, through the 'VR Zone' and at the 'Safety Experience Centers' you can directly experience hazards that lead to accidents and learn safe practices.
