Readings In The Concept And Methodology Of Islamic Economics:

Readings in the Concept and Methodology of Islamic Economics Aidit Ghazali, 1989 Readings in the Concept and Methodology of Islamic Economics Omar (Sved.),1989 Methodology of Islamic Economics Necmettin Kizilkaya, 2019-11-05 In its pursuit to equip the reader with a basic knowledge of Islamic economics this book divulges the micro foundations of the discipline and highlights the predominant schools of thought that exist in the field It explains in simple terms what Islamic economics entails and how it can be studied as a science in relation to the Holy Quran the Sunnah and the Islamic intellectual tradition based on these two sources The book familiarizes the reader with knowledge of the basic maxims of the discipline It then establishes the arguments that are presented by the proponents of religion based economics specifically Islam and apprises readers about the aforementioned schools as they exist A number of chapters consider the dimension of the dilemmas the discipline is facing and the chronological progress of the field is reviewed hence providing a comprehensive overview of the topic The book deals with the issues about the origins of Islamic economics the basic methodological questions the use of the opportunities offered by figh in the methodological discussions and the main problems arising from the encounter with other cultures and civilizations It offers practical solutions despite the differing schools of thought not unlike the development of conventional Economics where radical differences between Keynesian Classical and Monetarist approaches existed It concludes by incorporating some of the finest works that explain to the reader how Islamic economics may progress as a discipline This guide will provide both students and researchers in Comparative Economic Studies Islamic Economics and Islamic Finance with an essential overview of the field Handbook on Islam and Economic Life M. Kabir Hassan, Mervyn K. Lewis, 2014-12-31 Handbook on Islam and Economic Life is a unique study one of the first of its kind to consider Islam within a broader economic sphere Covering a wide breadth of topics and research it explores how Islam impinges upon and seeks to shape major aspect A Model for Islamic Development Shafiullah Jan, Mehmet Asutay, 2019 This book aims to explore and analyse Islamic Moral Economy IME as an alternative economic and social system to capitalism and socialism It proposes a new model of Islamic development integrating global development within an Islamic framework of spiritual development It is argued that the failure of Muslim countries to provide basic necessities and an environment free of oppression and injustice can be overcome with this authentic Islamic development framework In addition this book can be an important study to identify the theological political social and economic boundaries for changing the society to produce IME oriented developmentalism The Oxford Handbook of Religion and Economic Ethics Albino Barrera, Roy C. Amore, 2024 This innovative collection of essays draws together and compares the teachings of world and regional religions on the subject of economic morality What is Islamic Economics? Umer Chapra, 1996-12-01 In this lecture Dr Umer Chapra has explained both the subject matter of Islamic economics as well as its methodology in his usual masterly fashion He has also presented a comparative perspective for solving the eternal economic

problem He has explained how the Islamic economics paradigm deals with this problem and allocates the scarce resources among their alternative uses in such a way that human well being is maximized without sacrificing social objectives
