Readings John At Patmos And A Of Hours:

Half-Hour Readings for Sunday Afternoons. In Prose and Verse Thomas Milner, 1874 **Popular Readings in the Revelations: By a Minister of the Church of Scotland** ,1848 **Reading Revelation at Easter Time** Francis J. Moloney, SBD, 2020 An exploration of the Book of Revelation as a celebration of the perennial and ongoing effects of Jesus death and resurrection The Joy of Hearing Thomas R. Schreiner, 2021-11-17 Join New Testament scholar Thomas Schreiner as he explores the meaning and purpose of the book of Revelation The book of Revelation can feel more intimidating to read than other books of the Bible It invites readers into a world that seems confusing and sometimes even strange golden lampstands seven seals a dragon and a rider on a white horse But at its core Revelation is a message of hope written to Christians facing hardship and it s worth the effort to read it and understand it In this first volume in the New Testament Theology series trusted scholar Thomas Schreiner walks step by step through the book of Revelation considering its many themes the opposition believers face from the world the need for perseverance God as sovereign Creator Judge and Savior as well as its symbolic imagery and historical context The Joy of Hearing brings clarity to the content and message of Revelation and explores its relevance for the church today *The Art and Science of the Church Screen in Medieval Europe* Spike Bucklow, Richard Marks, Lucy Wrapson, 2017 Fresh examinations of one of the most important church furnishings of the middle ages The churches of medieval Europe contained richly carved and painted screens placed between the altar and the congregation they survive in particularly high numbers in England despite being partly dismantled during the Reformation While these screens divided lay from priestly jurisdiction it has also been argued that they served to unify architectural space This volume brings together the latest scholarship on the subject exploring in detail numerous aspects of the construction and painting of screens it aims in particular to unite perspectives from science and art history Examples are drawn from a wide geographical range from Scandinavia to Italy Spike Bucklow is Director of Research at the Hamilton Kerr Institute University of Cambridge Richard Marks is Emeritus Professor of the History of Art at the University of York and currently a member of the History of Art Department University of Cambridge Lucy Wrapson is Assistant to the Director at the Hamilton Kerr Institute University of Cambridge Contributors Paul Binski Spike Bucklow Donal Cooper David Griffith Hugh Harrison Jacqueline Jung Justin Kroesen Julian Luxford Richard Marks Ebbe Nyborg Eddie Sinclair Jeffrey West Lucy Wrapson **A Verse by Verse Commentary on Revelation** Elder G. E. Jones, 2007-09-12 While Revelation is basically a book of prophecy yet it is full of doctrinal teaching Such doctrines as God s foreknowledge the inspiration of the Word the deity of Christ blood redemption the resurrections repentance faith security the perpetuity of the churches Israel s restoration the great tribulation period the judgments the reward of the saints and the earthly reign of Christ and His saints are all found in the book The whole plan of redemption and the fulfillment of all prophecy finds its consummation in Revelation The only light which God s children have to strengthen and encourage them in this day of fear and uncertainty is the light of prophecy God

s faithful saints put their faith in the coming of the Son of God our Redeemer our protector and our sure refuge in the time of life s gravest perils Let us sound out the sure word of prophecy From the author of That Ye May Marvel or The Significance of Bible Numbers and The Pattern The Tabernacle The Christ Blessed is he that readeth and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand Revelation 1 3

John the Theologian and his Paschal Gospel

John Behr,2019-03-20 This study brings three different kinds of readers of the Gospel of John together with the theological goal of understanding what is meant by Incarnation and how it relates to Pascha the Passion of Christ how this is conceived of as revelation and how we speak of it The first group of readers are the Christian writers from the early centuries some of whom such as Irenaeus of Lyons stood in direct continuity through Polycarp of Smyrna with John himself In exploring these writers John Behr offers a glimpse of the figure of John and the celebration of Pascha which held to have started with him The second group of readers are modern scriptural scholars from whom we learn of the apocalyptic dimensions of John s Gospel and the way in which it presents the life of Christ in terms of the Temple and its feasts With Christ s own body finally erected on the Cross being the true Temple in an offering of love rather than a sacrifice for sin An offering in which Jesus becomes the flesh he offers for consumption the bread which descends from heaven so that incarnation is not an event now in the past but the embodiment of God in those who follow Christ in the present The third reader is Michel Henry a French Phenomenologist whose reading of John opens up further surprising dimensions of this Gospel which yet align with those uncovered in the first parts of this work This thought provoking work brings these threads together to reflect on the nature and task of Christian theology

The Book For Our Time! Willy Jeanne Louis De Smedt,2023-11-22

Is it still possible to write something new and valuable about the Revelation The subject of Revelation has always been an intriguing one for both believers and non believers who for centuries have devoted themselves to studying and examining it Consequently many scholars have shared their view about it but almost all of them appear to be in contrast with one another Indeed never in time existed a continuous interpretation as every reader approaches the text from a distinct perspective Nonetheless it has always been evident that the key to Revelations lies within the pages of the Holy Scriptures With this notion in mind The Book For Our Time a translation of the original manuscript published in 1872 was written in order to research and understand along with readers to find the true end and fulfilment of Revelation and in so doing bring a sense of purpose to those who read it Willy Louis Jeanne De Smedt 8 2 1931 25 8 2017 Born in Belgium he moved with his parents to the Democratic Republic of the Congo where he attended a Catholic School Always serious about religion he wished to become a priest but eventually decided not to pursue his dream After moving to South Africa where he qualified as a

Gothic Sovereignty Jon Horne Carter,2022-02-01 Gang related violence has forced thousands of Hondurans to flee their country leaving behind everything as refugees and undocumented migrants abroad To uncover how this happened Jon Carter looks back to the mid 2000s when neighborhood gangs were scrambling to survive state violence and mass incarceration locating there a critique of neoliberal globalization and state corruption that foreshadows Honduras s current crises Carter begins with the story of a thirteen year old gang member accused in the murder of an undercover DEA agent asking how the nation s seductive criminal underworld has transformed the lives of young people He then widens the lens to describe a history of imperialism and corruption that shaped this underworld from Cold War counterinsurgency to the War on Drugs to the near impunity of white collar crime as he follows local gangs who embrace new trades in the illicit economy Carter describes the gangs transformation from neighborhood groups to sprawling criminal societies even in the National Penitentiary where they have become political as much as criminal communities Gothic Sovereignty reveals not only how the revolutionary potential of gangs was lost when they merged with powerful cartels but also how close analysis of criminal communities enables profound reflection on the economic legal and existential discontents of globalization in late liberal nation states
