

## PART 1 OF CHILDREN AND ADOLESCENT LITERATURE

Reading helps children's cognitive development and gives them access to diverse cultural traditions. Literature in all forms—fiction, nonfiction, and poetry—is used by teachers as a tool for language acquisition and learning. Reading improves students' cognitive growth. It also gives teachers the chance to underline key morals and teachings that kids need to learn as they mature.

### Literature

- Roots from the Latin word "*littera, litteratura, or literatus*," which means "writing formed with letters".
- Any written work can be considered literature in general, but literary works are highly creative or intellectual in nature. It is a fine art, like painting, dance, music, etc., that gives readers a sense of enjoyment.
- **Aesthetic quality** – the characteristic that sets literature apart from other written works. When a written work lacks any aesthetic quality, it is not considered pure literature.
- It is a method of storing, documenting, and conveying information and knowledge that has moral, social, cultural, psychological, and even political implications.

### The Importance of Literature

- It helps you gain perspective on how other people perceive the world and improves your understanding of their point of view.
- It helps readers gain a better perspective and see the world differently.
- It allows us to understand and empathize with others and helps us build social skills. Even though we might never actually face social situations, it gives us the chance to picture and experience them in our minds.
- important facet of literature: **being able to examine the internal realm of human life**—the characters' feelings and thoughts—in a manner that auditory and visual media, like movies and theater,
