Salem, 1997-08-01 *African American History* Ronald Goodwin, Michael Hucles, 2018-12-21 African American History The Development of a People provides students with diverse concise essays that explore the experiences traditions and culture of African Americans in the United States from the nation's early years to today The readings center on the collective and individual experiences of African Americans and explore the cultural and historical contexts in which they live their lives Part I of the anthology features readings that correspond

American history with readings from Retrieving the American past, 2013 **African American Readings of Paul** Lisa M. Bowens, 2020-10-13 The letters of Paul especially the verse in Ephesians directing slaves to obey their masters played an enormous role in promoting slavery and justifying it as a Christian practice Yet despite this reality African Americans throughout history still utilized Paul extensively in their own work to protest and resist oppression responding to his theology and teachings in numerous often starkly divergent and liberative ways In the first book of its kind Lisa Bowens takes a historical theological and biblical approach to explore interpretations of Paul within African American communities over the past few centuries She surveys a wealth of primary sources from the early 1700s to the mid twentieth century including sermons conversion stories slave petitions and autobiographies of ex slaves many of which introduce readers to previously unknown names in the history of New Testament interpretation Along with their hermeneutical value these texts also provide

fresh documentation of Black religious life through wide swaths of American history African American Readings of Paul promises to change the landscape of Pauline studies and fill an important gap in the rising field of reception history The New Negro Henry Louis Gates Jr., Gene Andrew Jarrett, 2007-10-28 When African American intellectuals announced the birth of the New Negro around the turn of the twentieth century they were attempting through a bold act of renaming to change the way blacks were depicted and perceived in America By challenging stereotypes of the Old Negro and declaring that the New Negro was capable of high achievement black writers tried to revolutionize how whites viewed blacks and how blacks viewed themselves Nothing less than a strategy to re create the public face of the race the New Negro became a dominant figure of racial uplift between Reconstruction and World War II as well as a central idea of the Harlem or New Negro Renaissance Edited by Henry Louis Gates Jr and Gene Andrew Jarrett The New Negro collects more than one hundred canonical and lesser known essays published between 1892 and 1938 that examine the issues of race and representation in African American culture These readings by writers including W E B Du Bois Paul Laurence Dunbar Alain Locke Carl Van Vechten Zora Neale Hurston and Richard Wright discuss the trope of the New Negro and the milieu in which this figure existed from almost every conceivable angle Political essays are joined by essays on African American fiction poetry drama music painting and sculpture More than fascinating historical documents these essays remain essential to the way African American identity and history are still understood today *Down by the Riverside* Larry Murphy, Larry George Murphy, 2000-11 An introductory overview of the development of African American religion and theology Down by the Riverside provides an expansive introduction to the development of African American religion and theology Spanning the time of slavery up to the present the volume moves beyond Protestant Christianity to address a broad diversity of African American religion from Conjure Orisa and Black Judaism to Islam African American Catholicism and humanism This accessible historical overview begins with African religious heritages and traces the transition to various forms of Christianity as well as the maintenance of African and Islamic traditions in antebellum America Preeminent contributors include Charles Long Gayraud Wilmore Albert Raboteau Manning Marable M Shawn Copeland Vincent Harding Mary Sawyer Toinette Eugene Anthony Pinn and C Eric Lincoln and Lawrence Mamiya They consider the varieties of religious expression emerging from migration from the rural South to urban areas African American women s participation in Christian missions Black religious nationalism and the development of Black Theology from its nineteenth century precursors to its formulation by James Cone and later articulations by black feminist and womanist theologians They also draw on case studies to provide a profile of the Black Christian church today This thematic history of the unfolding of religious life in African America provides a window onto a rich array of African American people practices and theological positions **Bible Witness in Black Churches** G. Baker-Fletcher, 2009-08-03 Baker Fletcher explores the Bible as a uniquely authoritative text within the context of Black church worship and service to the world as well as analysing the Bible s central role in three forms of

Richard

Wright Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.
