Ready Go Go Barefoot:

Ready to Run Kelly Starrett, 2014-10-21 Push the reset button to unleash your body's power and endurance for running naturally. If you're like 80 percent of runners, an injury is going to force you to stop your running routine at some point this year, and the demands of daily life only add to the wear and tear on your body. Life in the modern world has trashed and undercut dedicated runners' ability to transform their running. The harsh effects of too much sitting and too much time wearing the wrong shoes has left us shackled to lower back problems, chronic knee injuries, and debilitating foot pain. What if you refocus the energy you put into maintaining your current running regimen on forming new habits that can improve your performance and reduce your risk of injury? With **Ready to Run**, you can take responsibility for what's going on in your body, take care of business, and harvest any performance that's hiding in the shadows. In a direct answer to the modern runner's needs, Dr. Kelly Starrett, author of the bestseller *Becoming a Supple Leopard: The Ultimate Guide to Resolving Pain, Preventing Injury, and Optimizing Athletic Performance*, has focused his revolutionary movement and mobility philosophy on the injury-plagued world of running. In this book, Starrett shares twelve performance standards that will prepare your body for a lifetime of top performance running. You will learn: How to tap into all of your running potential and access a fountain of youth for lifelong running; How to turn your weaknesses into strengths; How to prevent chronic overuse injuries by building powerful injury prevention habits into your day; How to prepare your body for the demands of changing your running shoes and running technique; How to treat pain and swelling with cutting-edge modalities and accelerate your recovery; How to equip your home mobility gym; What mobility exercises to use for restoring optimal function and range of motion to your joints and tissues; How to run faster, run farther, and run better.

Be Ready! Diane Goodfellow Frost, 2015-03-19 DIANE DANAY THOUGHT SHE HAD IT ALL. A HIGH LEVEL CORPORATE position, a glitzy Manhattan apartment, an expensive sports car, and an adoring boyfriend with a house in the country for weekend getaways. She was gloriously happy and led an exceptional life by any standards. But a fortuitous visit from her cousins changes everything. Through their influence, Diane discovers a huge void in her life. Will her longtime boyfriend, Carl, be able to fill this void in her already perfect lifestyle? Is Diane suddenly looking for something else? This is the story of her search and the choice she must make before it is too late.

The Rainbow Track Arwen Jayne, 2023-01-28 Astral travel, ancestral healing, and shamanism collide with a journey deep into the Australian Outback. Stuck in port while the ship is repaired, Reilly Jim and Ry agree to transport some cargo, bypassing recent floods. The quickest route is the infamous Gun Barrel Highway, little more than a dirt track traversing hundreds of kilometres between Western Australia and Alice Springs. New friends and old allies cross their path as they try to evade the danger following them into the desert wilderness.

Class of '65: Rock On Gary W. Griffiths, 2013-05-31 Class of '65: Rock On is a magical trip back to a time when life seemed less complicated and more carefree. The sixties were so magical that we dared to believe the impossible dream that tomorrow would be better than

today We even dreamed about building a more perfect society We were on a quest to fulfill the nations birthright and we were naive enough to believe that we could overcome any obstacles in our path Even after President Kennedys death we were unable to let the dream die My story is a fictional account of a group of kids from a small town in Wisconsin completing their senior year of high school in 1965 They were coming of age during a decade of turmoil and unrest President Kennedys assassination the civil rights movement and the growing war in Vietnam were the events changing the nation They lived in a place that was isolated from the headlines which were gripping the attention of the nation They realized the world was changing however they were committed to making their final year of high school something they would remember for the rest of their lives The spirit of the sixties they embraced was found in the music they listened to the products they bought and the movies they watched Their focus was a love affair with being young They were the generation with a new explanation They were convinced that time was on their side and that it was endless They needed a lot of time to complete their bold experiment to change the world

A Girl Called Tommie Thelma G. Norman,2004 Raised in the backwoods country of the Ozarks Tommie was no ordinary girl Sporting red hair and freckles she lived up to every inch of her tomboyish name In A Girl Called Tommie the author spends a year in the life of this remarkable girl as she learns valuable lessons in honesty responsibility and ultimately the truth about a God that loves her You will laugh with Tommie as she meets her new best friend Lucinda a naive city girl who knows nothing about the country and when her pet bluejay Jake turns out to be a mommy You will sympathize when Tommie comes down with the measles and when she learns a painful lesson about breaking in new shoes You will smile with her as she gains a new baby brother Bill and becomes valedictorian of her graduating class Through it all she continues to search for Biblical truth as her Seventh day Adventist relatives send her literature and at the end of the school year she gets an opportunity to visit them Now I ll have my big chance to see what Adventists are really like I can go to church with them Now I know that God is really looking out for me This book is the first in the series Read A Nurse Called Tommie and A Wife Called Tommie to complete this inspiring story
