Jones, Rachel Delahaye, 2018-09-20 Welcome to THE DAILY JOKER with a belly wobbling joke for every day of the year and joking tips and challenges aplenty this is the year you ll become the funniest version of you possible Think of this joke book as a map allowing you to sail the seven sillies plot a course to Hilarity Island steer clear of the rocks of stony silence surf the waves of laughter and dig up comedy gold NOTE Please keep THE DAILY JOKER somewhere safe Maybe you can keep it on a shelf Sort of like a shelf help book Or in a sock drawer since you ll be laughing yours off Or inside your pillow You know just in case Wherever you keep it you ll need to open it every day to read your daily joke And we guarantee that if you read one joke a day and complete one challenge a week you will become the joker of all jokers ILLUSTRATED THROUGHOUT BY BEANO ILLUSTRATOR NIGEL PARKINSON **BR Swindon Type 1** Anthony P. Sayer, 2022-06-30 Anthony P Sayer s BR Swindon Type 1 explores the history of the experimental 0 6 0 diesel hydraulic locomotives on British Railways In 1957 the Western Region of BR identified a need for 400 Type 1 diesel locomotives for short haul freight duties but it was 1964 before the first was introduced General purpose Type 1s were being delivered elsewhere but management regarded these as too expensive for their requirements After completion of design work on the Western locomotives Swindon turned to creating a cheap no frills Type 1 At 65% of the cost of the Bo Bo alternative the Swindon 0 6 0 represented a better fit for the trip freight niche Since 1957 the privatized road haulage industry had decimated BR s wagon load sector whilst the 1962 Transport Act released BR from its financially debilitating public service obligations the damage had been done and the 1963 Beeching Plan focused on closing unprofitable routes and associated services By 1963 the original requirement for 400 Type 1s had been massively reduced Fifty six locomotives were constructed in 1964 65 Continuing traffic losses resulted in the whole class becoming redundant by 1969 Fortuitously a demand for high powered diesels on the larger industrial railway systems saw the bulk of the locomotives finding useful employment for a further twenty years Detailed and comprehensive

this is a fascinating pictorial history of these unique experimental trains      **Complete Guide to Cheerleading (Paperback + DVD)** Christine Farina,Courtney Clark,2011-07-15 Modern cheerleading is a dynamic activity that requires intense dedication to put forth your best in body mind and spirit Complete Guide to Cheerleading provides all the information tips and instruction required to become a winning cheerleader It guides aspiring and experienced cheerleaders alike through the rigors of training and competition while they juggle academic and other extracurricular activities The book presents the history of cheerleading explores the cheerleading lifestyle and provides technical instruction on training for and executing the essential routines and moves      **Gender in the Music Industry** Marion Leonard,2017-10-03 Why despite the number

of high profile female rock musicians does rock continue to be understood as masculine Why is rock generally assumed to be created and performed by men Marion Leonard explores different representations of masculinity offered by and performed through rock music and examines how female rock performers negotiate this gendering of rock as masculine A major concern of the book is not specifically with men or with women performing rock but with how notions of gender affect the everyday experiences of all rock musicians within the context of the music industry Leonard addresses core issues relating to gender rock and the music industry through a case study of female centred bands from the UK and US performing so called indie rock from the 1990s to the present day Using original interview material with both amateur and internationally renowned musicians the book further addresses the fact that the voices of musicians have often been absent from music industry studies Leonard s central aim is to progress from feminist scholarship that has documented and explored the experience of female musicians to presenting an analytic discussion of gender and the music industry In this way the book engages directly with a number of under researched areas the impact of gender on the everyday life of performing musicians gendered attitudes in music journalism promotion and production the responses and strategies developed by female performers the feminist network riot grrrl and the succession of international festivals it inspired under the name of Ladyfest
