Strategies That Build Collaboration, Communication, and Critical Thinking Denise White, Alisa Braddy, 2017-03-01. Craft a culture of engaging student-centered learning. Meaningful instruction in today's world of information overload is a demanding task; however, effective instructional strategies increase the odds that students are actively learning and getting prepared for the world beyond school. Alisa H. Braddy and Denise White were questioned continuously over their years as professional development specialists about where teachers could find all the valuable tools they had just learned. This book is the answer. In addition to actual scenarios and vignettes, other features include reflection questions to challenge readers' thinking and push them into action; a matrix highlighting the benefits of each strategy at a glance; step-by-step procedures for implementing strategies; adaptations for various grade levels and subject areas. Intended to satisfy teachers' cravings to make sense of all the standards, initiatives, and other demands, this essential resource presents teachers, administrators, and instructional coaches with the tools to provide intentional, purposeful instruction. **Top Notch Executive Resumes**

Katharine Hansen, 2008-07-15. Branded resumes that illuminate the candidate's unique value proposition and ROI are a must in today's quest for the executive suite. *Top Notch Executive Resumes* not only explains how to integrate branding into career marketing communication but also how to craft resumes that address your fit with the organization's mission and meet an employer's specific business needs. Hansen instructs high-level professionals in framing past accomplishments so that the employer can visualize the executive's strategic vision and industry insights as well as what he or she can contribute. Highlights of the book include a huge collection of resume samples in cutting-edge formats organized by profession for easy navigability; examples of a wide variety of complementary documents including leadership profiles and executive bios that top-level professionals need to round out their executive portfolios; special additional features including the preferences and peeves of hiring decision makers; guidelines for working with recruiters; frequently asked questions; and case studies detailing complete job search marketing campaigns. Let *Top Notch Executive Resumes* get you into that corner office. *Get Your Dream Job* Ebene Ujam-Ojadia, 2017-03-01. Going for an interview can be a huge task when you are not prepared. Knowing what to say to convince your interviewer is very important. When you prepare adequately, your chances of getting the job

above your peers will be better This book has been designed to prepare you for success in your interview **Resume 101** Quentin J. Schultze,2012-03-06 Minimal job experience No problem You ve just graduated and are ready to land your first real job after college or high school But how do you write the first r sum and cover letter of your career if you don t have any previous jobs to list How do you stand out above the other applicants including people with more experience who are out of work with your summer job at the diner internship at the local paper or spot on the Ultimate Frisbee team Dr Q to the rescue For two decades communication professor Quentin Schultze has been teaching r sum writing to college students and recent graduates helping them identify their strengths and transferable skills from their unique life experiences from extracurriculars to part time jobs to internships to volunteering With R sum 101 you ll discover the secrets to composing strong impressive resumes and cover letters such as What to include when you lack professional experience How to get great references and recommendations Why to use a summary rather than objective statement When to include hobbies travel and technology skills What to do if your GPA isn t sky high Which designs and basic formats work the best Where to find the perfect verbs and adjectives for a specific job With Dr Q s help you ll soon have a r sum and cover letter that will show hiring managers who you really are why you re prefect for your dream job and why they should choose you The Secret to Getting a Job After College Larry Chiagouris,2011-03-04 Includes exclusive online content Cover **The Complete Idiot's Guide to the Perfect Resume** Susan Ireland,2002-12 Includes tips on writing an effective resume creating an accurate yet impressive job statement networking using software programs and other resume technologies and making the most of your experience **How to Say It on Your Resume** Brad Karsh,Courtney Pike,2009-01-06 An insider shows how to tailor a r sum that sets applicants apart from a sea of candidates Recruiting director Brad Karsh has worked with thousands of misguided job seekers Now he s putting his experience into print with step by step guidelines to improve the wording content and format of any r sum Knowing how employers choose candidates the author shows how to make a r sum stand out Whether readers are looking to make a career change re enter the workforce find a first job or acquire an internal position Karsh demonstrates how to transform any r sum and get results Includes advice for First jobs Re entering the work force Applicants who have been laid off Career changes Older applicants And more *The Everything Resume Book* Nancy Schuman,2008-03-01 A resume is like the first thirty seconds of a blind date one with a prospective employer That s all the time you have to get a hiring authority s attention and hopefully an interview A bad resume will absolutely eliminate you from the competition Building a strong resume is the single most important step in landing a new job The Everything Resume Book 3rd Edition is your one stop resource for crafting a resume that will highlight your skills and experience to get you the job you want This hands on guide offers helpful hints on format and presentation and includes the most up to date guidelines for using the Internet in your job search This completely revised and updated edition includes new information on Job boards and the best Web resources for job seekers Using resumes as a personal brand The advantages and disadvantages of video
