Dad Up! Steve Patterson, 2021-06-01 From one of the country's most beloved comedians and host of CBC Radio's incredibly popular program *The Debaters* comes a funny poignant and at times unexpectedly wise look at what it means to be a dad in this day and age Steve Patterson has been thinking about dad dom for quite a while In *Dad Up* he gives his all to be the best father possible to two young girls while imparting his hard won wisdom and insights to readers everywhere The youngest of five boys growing up in an Irish Catholic household Patterson mines his childhood for any sage advice he might have picked up from his own dad He talks with candour about the difficulty he and his wife Nancy had conceiving finding humour in their experiences with the fertility clinic's automated phone calls which Patterson calls RoboPimp informing them when Nancy was ovulating He chronicles the disappointment of failing to get pregnant only to have the miracle conception take place in Regina during Grey Cup Week under the guiding spirit of the Saskatchewan Roughriders and comedian Brent Butt don't ask From that point on Steve Patterson assumes full dad mode riffing on the biohazard that is changing a diaper the absolute futility of stuffed animals becoming a public breastfeeding warrior in the most unexpected of places and how growing up a little boy in no way prepares you to being a father to little girls Most importantly *Dad Up* charts the awesome experience of watching tiny infants that you somehow had a hand in creating evolve into confident and crafty little people and the lessons that they teach along the way

Dad Bod Cian Cruise, 2022-06-07 A brisk humorous collection of essays that redefines the mythos of fatherhood depicted in film television and video games What do dads tell us about the world Not your real dad but dads in general Dads are everywhere Lurking in our movies television shows and video games Spouting homespun wisdom and atrocious jokes wallowing in might have beens and back in my days or rigidly defending the status quo These fictional dads fuel a myth of fatherhood What is that myth trying to tell us And what is it trying to sell us *Dad Bod* is a clever riveting collection of essays about father figures in popular culture From Gandalf to Homer Simpson *Die Hard* to *The Mandalorian* these essays unpack the tropes that inform our collective image of fatherhood Follow Cian Cruise newly minted dad as he riffs on the stereotypes and lore of fatherhood traces a contemporary art history of dads in popular culture and journeys to the heart of dadness to become a better father A RARE MACHINES BOOK

**Love-This I Promise** Peebee Jax,2010-07-23 When two hearts become one both happiness and sometimes sadness will find a place in that seemingly perfect union As much happiness as we shared when I look back over our life together I was blessed that God allowed me to experience such joy and love every day with a man who not only made promises but kept those promises Even though I have also witnessed sadness to an unimaginable degree since his unexpected death I can truly say I was still blessed to have loved and been loved to a magnitude I do not have words to describe A lifetime cannot be defined in terms of hours days years decades or century Regardless of the length of time any relationship lasts we must learn to live every minute like it is our last That is what my one true love taught me He added truth honesty love and devotion together and we had a sum total of joy and happiness divided by the number of offsprings produced by that love And we never parted in anger or unforgiveness because no one can predict what the next minute will bring Sometimes I think my love was just too wise for this world that is why God called him home to be with Him As I look back over our life together I feel enormously blessed by God to have had such a love as this in my lifetime Only God made it possible Only God allowed me to experience total bliss for a little while 29 8 years Words cannot describe the memories stored in my memory bank of our span of time together In all my days of blissful retreat the only thing I feel I did not do enough of is giving grateful praise to the Almighty for creating that soul mate just for me and I for him Life will go on and in each whisk of air against my skin as I sit and read I will remember it is you my love stopping by to see me every now and then God saw you were getting tired So He did what He knew was best He watched and waited for the exact time You were in most need of some rest You did not say to me farewell Nor even a wave good bye God took you swift and easy I dare not ask God why He gave you to me for a while I loved you with all my heart I showed you I told you daily Even in death we are not apart Rest easy Honey until I get there I will know you when I arrive We will be just two angels forever Always partners side by side Head Game Tim Downs,2007-09-09 Someone wants you dead But he doesn t want to kill you He wants you to do it for him He watches your every move He studies you like a mouse in a maze He knows everything about you every dream hunger weakness and strength What you long for and what you fear most What you live for and what you cannot live without He plans to take those things away from

you one at a time invisibly manipulating the events of your life until there is nothing left to live for Then he wants you to take the final step Or is it all in your head Is he just a figment of your irrational fear a face you ve given to your terrible misfortune Everything you love is slipping away You want to fight back but who or what do you fight against Let the head game begin

**Misogyny!** Conrad Riker,101-01-01 The Left s War on Men Is Just Female Nature in Disguise Have you ever been called a misogynist for simply disagreeing with a woman Have you watched Western institutions collapse while women lead the charge and claim it s justice Have you sensed that modern ideology isn t about equality but about infantilizing men and deifying female emotion This book is not what they say it is It s the reverse engineering of a psychological epidemic What looks like political ideology is actually biological script female nature dressed as moral progress What passes for social justice is maternal authoritarianism scaled to civilization killing proportions The left didn t invent this it was built by women for women using the language of care to mask control You ll discover How equity is just maternal favoritism weaponized into public policy Why women dominate victimhood hierarchies and why men are always the villains The real reason feminism and Marxism fused and who benefits How female emotional intensity became the engine of cancel culture Why women abandoned motherhood and replaced it with political mothering The psychological profile of the modern woman and how it maps perfectly onto leftist dogma How language has been hijacked to punish dissent and reward female whim Why men are taxed shamed and silenced while women are never held accountable If you want to understand how the world flipped and how to think clearly again despite the propaganda buy this book today
