Benson,2015-07-14 Excerpt from Real Estate Principles and Practices The real estate business is one which engages the attention of a large number of people Real estate that is land and buildings and all the varied interests in them is of importance to nearly every one It is logical then that a course on real estate should be included in the curriculum of a University School of Commerce The present work is designed primarily as a college text book It is written for the benefit of the student and aims to make the principles and practices of the business of real estate comprehensible to the lay mind The book is not a law book but necessarily includes discussions of some of the legal principles governing real estate transactions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Real Estate Principles & Practices* Arlyne Geschwender,2001-03-19 Real Estate Principles & Practices Ralph Palmer,2001-03-19

Real Estate Principles and Practices Philip Adolphus Benson,Nelson Luther North,1947 **Real Estate Principles and Practices** Philip Adolphus Benson,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt may be stated as follows a It should first be determined whether the building is the proper or adequate improvement that is whether it is the improvement which yields the greatest amount of economic or ground rent Such a building will be the one which as an income producer is most suited to the neighborhood b If a building is the adequate improvement for the plot it is worth its cost to produce minus a reasonable allowance for depreciation c The cost of a building can be computed to a fair degree of accuracy by means of factors determined by experience These factors are applied to the number of square feet of floor surface in the building or to the number of cubic feet contained within its walls the result being estimated cost d Buildings cease to be adequate improvement when the land i e the location is suited for a building of a higher type The condition is usually progressive and is indicated by increasing land values e It is usual to value first the land and then the land and building together The difference will be the amount of value the building adds to the land In the case of new buildings and those which are the proper improvement the amount of value the building adds to the land equals the amount it cost to construct In the case of old or obsolete buildings or those not proper improvements for the site it will be an amount much less than cost f Consideration should be given to fluctuations in the cost of labor and materials entering into building construction Buildings produced in periods of low costs if they remain the proper improvement

increase in value with increasing costs and conversely if they are produced when costs are high these values drop with falling labor and material costs Real Estate, Principles and Practices Philip Adolphus Bensen,1923 **Real Estate** Philip Adolphus Benson,Nelson Luther North,1939 **Principles of Real Estate Practice** David Cusic,Stephen Mettling,2019-03-08 A modern learning tool for the student preparing to enter the real estate business as a licensed professional containing the essentials of real estate principles law and practices taught in real estate schools and colleges across the country including all those fundamentals that real estate educators practicing professionals national testing services and state licensing officials agree are necessary for basic competence Publisher marketing *Principles of Real Estate Practice: Perry Real Estate College Edition* Stephen Mettling,David Cusic,Ryan Mettling,2020-12-28 **Real Estate Principles and Practices** Arlyne Geschwender,1983 **Real Estate Principles and Practices** Alfred A.
