Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book The military salute was the origin of Nazi salutes via the USA's flag pledge in government schools Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and brainwashed chanting in Germany Italy and other foreign countries The ancient Roman salute myth originated from the city of Rome in the state of New York not Italy Bellamy's hometown Later Mussolini presented a strange gift to the city of Rome NY a statue of two human male infants suckling on a female wolf That statue remains on display in Rome NY

Transparency Johnathan Horsley, 2022-08-19 I did not write this book to magnify any racial agenda Rather the purpose of my penmanship was to find a way to mend us These invisible barriers have left us divided and conflicted but my actions are truly altruistic Because of my orientation I can write about the experiences of a Black man And this club is full of spades We've been dealt a Black hand But my heart is that diamond in the rough that will speak up to say Enough is enough Not just speaking out against systemic oppression but boldly praying for mutual progression I want love to conquer every battlefield known to man I don't care who's down in front of me I will gladly extend my hand And if I'm ever called to duty I want to embrace the war zone with the same love that created the earth the same love that granted my Savior's birth the same love that gave life to a barren womb the same love that walked out that tomb the same love dangled on that cross and the same love that found me when I was lost I can only dream to love like that That's a love that doesn't lack That's a love that isn't Black or White or any of those colors in between No that love is not green or greener on the other side That love is clear and unconditional right where you reside It only requires that you open your eyes and put all those differences aside See it's only one image that we were created in There is not much difference about us Save the skin Like a Lycan of the underworld I will metaphorically tear away this flesh I will break down these walls till there's not a single brick left I will continue my pursuit of happiness as I search for the locksmith that can remove these seven pounds of chains from each extremity We've got it all wrong there's

only one enemy This battle of flesh and blood and the damage it does is all for naught Walking around with a cold shoulder just to end up somewhere hot I pray to see a smile on every face that I am blessed to come in contact with no matter the color it may be We are all one and the same and that s something I hope this book will help you see 52 *The Silence of Swastika* Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent But it has so much to say The symbol s many secrets were revealed by the world renowned historian Dr Rex Curry referenced inside Dr Curry s work is endorsed in *The Silence of Swastika* a video documentary produced by AKTK in India The lead reporter confirmed Dr Curry s discovery stating It is also claimed that one of the reasons for choosing this symbol was the S in Hitler s party name National Socialist which is not unreasonable it is in Hitler s own book at 30 30 The documentarians learned about the swastika from educational outreach programs about Dr Curry s academic achievements They learned that Hitler didn t call his symbol a swastika He called it a Hakenkreuz hooked cross because it was a type of cross from the Christian religion The documentary is a massive adoption and rehashing of Dr Curry s earlier work The video documentary was produced before Dr Curry s latest jaw dropping revelation and that is unfortunate In 2022 Dr Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP National Socialist German Workers Party REASON because Hitler needed the word SOCIALIST in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem It is important to note that Hitler didn t rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party Here are some of the many secrets revealed about the swastika 1 NEW SWASTIKA DISCOVERY The swastika is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem The party s name had to fit in Hitler s socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn t know that Hitler s use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry s work 2 NEW LENIN S SWASTIKA REVELATION Vladimir Lenin s swastika is exposed herein The impact of Lenin s swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin It s influence upon Adolf Hitler is explained in this book 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding 4 Hitler never used the word swastika in his life The term swastika never appears in the original *Mein Kampf* 5 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler s book *Mein Kampf* as a self

Victorious Jake Chambers, Karl Grosskreutz, Soviet Writers Union, Hitler socialist artist and the top graphic designer of all time His flag symbol represented S shapes for SOCIALISM That is one of many amazing discoveries by Professor Rex Curry This book reveals Dr Curry's surprises about Adolf Hitler's socialist symbolism including 1 Hitler's socialist salute from USA socialists and their flag Pledge 2 Hitler's socialist vocabulary 3 logos for NSV SA SS VW Hitler's flag and his other socialist emblems As socialism's top ad man the creative genius pioneered public relations In his German version of Mad Men Hitler revealed how to sell socialism and sell himself Other historians were unable to discover Hitler's socialist symbolism and branding This book exposes many other examples of ongoing American Brainwashing and Global Brainwashing that is maintained by Web Search Engines Artificial Intelligence AI the MSM historians and by socialist schools government schools and universities Modern political debates often describe only two opposing alternatives as Nazis versus Communists The description is a hoax the words Nazis and Communist divert attention from the larger shared problem of Socialism Most scholars believed mistakenly that Hitler called his group Nazis and Fascists they were ignorant of how Hitler self-identified SOCIALIST They hid in their ivory towers of Babel Scholars suffered the fate of Echo in Greek mythology forever forced to repeat the falsehoods they heard Ignorant of Hitler's diction they spoke the language of lies Then historians learned about Dr Curry's academic breakthroughs For years Dr Curry was a modern day Cassandra He uttered prophetic truths that were ignored by professional liars in academia and media The famed linguist was the only scholar who eschewed popular linguistic
